47 CFR Part 73

[MM Docket No. 93-228; RM-8295]

Radio Broadcasting Services; Tawas City, MI

AGENCY: Federal Communications Commission.

ACTION: Final rule; petition for reconsideration.

SUMMARY: The Commission dismisses the petition filed by Patricia Mason for reconsideration of the *Report and Order* in MM Docket 93-228, 59 FR 46932, September 13, 1994. In that proceeding, Ives Broadcasting, Inc., licensee of Station WHST-FM, Tawas City, Michigan, was modified to operate on Channel 291A in lieu of Channel 297A. In response to Patricia Mason's interest in Channel 291A, Channel 277A was allotted to Tawas City as an additional channel. Mason's petition for reconsideration argues that Channel 277A is not an equivalent channel, and,

therefore, Channel 291A should be made available for application to all parties. The Commission considers channels of the same class to be equivalent unless showings have been made that a station cannot be constructed for reasons such as environmental consequences or hazard to air navigation. Since no showings were made, we have dismissed the petition for reconsideration.

EFFECTIVE DATE: June 14, 1995.

[MM Docket No. 89-500; RM-6070]

Radio Broadcasting Services; Stephenson, MI

AGENCY: Federal Communications Commission.

ACTION: Final rule; petition for reconsideration.

SUMMARY: The Commission dismisses a Petition for Reconsideration filed by Value Radio Corporation (Value). Value sought reconsideration of the action taken by the Chief, Allocations Branch in MM Docket No. 89-500 on the basis that the action precluded its proposal, in another proceeding, for amendment of the Commission's FM Table of Allotments. See 56 FR 19039 (April 25, 1991). The Commission dismissed Value's petition as moot in light of the fact that Value's rulemaking proposal was subsequently approved and was not precluded by the action taken in MM Docket 89-500.
