BILLING CODE 6560–50–P

FEDERAL COMMUNICATIONS COMMISSION

47 CFR Part 1

[GEN Docket No. 86–285; FCC 11–27]

Amendment of the Schedule of Application Fees Set

AGENCY: Federal Communications Commission.

ACTION: Final rule.

SUMMARY: In this document, the Commission amends its rules to revise its Schedule of Application Fees per Section 8(b)(1) of the Communications Act of 1934. The Commission is required to revise its application fee rates every two years based on changes in the Consumer Price Index. For FY 2011, calculated from October 2007 and October 2009, the Consumer Price Index for all Urban Consumers (“CPI-U”) increased 3.5 percent. The attached Schedule of Application Fees reflects revised fee rates based on a CPI-U rate increase of 3.5 percent.

DATES: Effective June 20, 2011.

FOR FURTHER INFORMATION CONTACT:

Roland Helvajian, Office of Managing Director at (202) 418–0444.

SUPPLEMENTARY INFORMATION:

1. By this Order, adopted February 28, 2011 and released March 3, 2011, the Commission makes rule changes to part 1 of the Commission’s rules, and amends its Schedule of Application Fees, 47 CFR 1.1102 *et seq.* to adjust its fees for processing applications and other filings. Section 8(a) of the Communications Act of 1934, as amended (“the Act”), requires the Commission to “assess and collect application fees at such rates as the Commission shall establish or at such modified rates as it shall establish

pursuant to” Section 8(b). Section 8 contains the Schedule of Charges for a broad range of application categories as well as procedures for modifying and collecting these charges. The Commission began assessing such application fees in 1987, and, as required by section 8(b), it began reviewing the fees every two years beginning after October 1, 1991 to make adjustments to reflect changes in the Consumer Price Index. As required by section 8(e) of the Act, collected fees are deposited in the general fund of the United States Treasury. As required by the statute and consistent with our prior practice, this Order increases application fees to reflect the net change in the Consumer Price Index for all Urban Consumers (“CPI-U”) of 3.5 percent, calculated from October 2007 to October 2009.¹ The adjustments made to the fee schedule comport with the statutory formula set forth in Section 8(b).

2. The Commission will send a copy of this Order in a report to be sent to Congress and the Government Accountability Office pursuant to the

Congressional Review Act, *see* 5 U.S.C. 801(a)(1)(A).

3. Accordingly, *it is ordered*, that, pursuant to sections 1, 4(i), 4(j), and 8 of the Communications Act of 1934, as amended, 47 U.S.C. 151, 154(i), 154(j), and 158, the rule changes specified herein *are adopted* and the Schedule of Application Fees, 47 CFR 1.1102 *et seq.*, *is amended* as set forth in the attached Appendices.

4. *It is further ordered* that the rule changes and amendment to the Schedule of Application Fees made herein shall become effective 30 days after publication in the **Federal Register**.

List of Subjects in 47 CFR Part 1

Administrative practice and procedure.

Federal Communications Commission.

Marlene H. Dortch,
Secretary.

For the reasons discussed in the preamble, the Federal Communications Commission amends 47 CFR part 1 to read as follows:

PART 1—PRACTICE AND PROCEDURE

■ 1. The authority citation for part 1 continues to read as follows:

Authority: 15 U.S.C. 79 *et seq.*; 47 U.S.C. 151, 154(i), 154(j), 155, 157, 225, 303(r), and 309, unless otherwise noted.

■ 2. Section 1.1102 is revised to read as follows:

§ 1.1102 Schedule of charges for applications and other filings in the wireless telecommunications services.

Those services designated with an asterisk in the payment type code column have associated regulatory fees that must be paid at the same time the application fee is paid. Please refer to § 1.1152 for the appropriate regulatory fee that must be paid for this service. Remit manual filings and/or payment for these services to the: Federal Communications Commission, Wireless Bureau Applications, P.O. Box 979097, St. Louis, MO 63197–9000.

g. Duplicate License	605 & 159	60.00	PADM

¹ Application fees are calculated based upon the process set forth in 47 CFR 1.1115. The increase in the CPI-U between October 2007 (the month used to calculate the last CPI-U adjustment of the

Schedule of Application Fees) and October 2009 is 7124 index points, or 3.5 percent. However, the actual calculation in fees is based on index points that are averaged over a time period beginning in

December 1989. *See* Bureau of Labor Statistics CPI-U Index, <ftp://ftp.bls.gov/pub/special.request/cpi/cpiat.txt> (showing CPI-U Index of 208,936 for October 2007 and 216,177 for October 2009).

BILLING CODE 6712-01-P

DEPARTMENT OF TRANSPORTATION**Federal Motor Carrier Safety Administration****49 CFR Part 390****[Docket No. FMCSA-2005-23315]****RIN 2126-AB37****Requirements for Intermodal Equipment Providers and for Motor Carriers and Drivers Operating Intermodal Equipment****AGENCY:** Federal Motor Carrier Safety Administration (FMCSA), DOT.**ACTION:** Final rule; partial extension of compliance date.

SUMMARY: The FMCSA extends until June 30, 2012, the compliance date of the requirement for drivers and motor carriers to prepare a driver-vehicle inspection report (DVIR) on an item of intermodal equipment (IME) when no damage, defects, or deficiencies are discovered by, or reported to, the driver (hereafter “no-defect DVIR”). The previous compliance date was June 30, 2011, as a result of the Agency’s August 20, 2010, amended final rule which extended the compliance date of the same provision of the December 17, 2008, final rule concerning maintenance responsibilities for IME. As a result of this action, drivers and carriers are not required to prepare no-defect DVIRs until June 30, 2012. This action is being taken to provide the Agency with sufficient time to address, through a notice-and-comment rulemaking proceeding, a petition to rescind the requirement for no-defect DVIRs. The Agency emphasizes that all requirements concerning drivers’ preparation of DVIRs to report damage, defects, or deficiencies to intermodal equipment providers (IEPs) remain in effect, as well as the requirements for IEPs to take appropriate action in addressing the safety issues identified by such reports.

DATES: *Compliance date:* As of May 20, 2011, the compliance date for the requirement in § 390.42(b) for drivers and motor carriers to prepare a DVIR on an item of IME if no damage, defects, or deficiencies are discovered by, or reported to, the driver, is extended until June 30, 2012.

ADDRESSES:

Public Access to the Docket: You may view, print, and download this final rule and all related documents and background material on-line at <http://www.regulations.gov>, using the Docket ID Number FMCSA-2005-23315. These documents can also be examined and copied for a fee at the U.S. Department of Transportation, Docket Operations, West Building-Ground Floor, Room W12-140, 1200 New Jersey Avenue, SE., Washington, DC, between 9 a.m. and 5 p.m., e.t., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: Ms. Deborah M. Freund, Vehicle and Roadside Operations Division, Office of Bus and Truck Standards and Operations (MC-PSV), Federal Motor Carrier Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590; telephone (202) 366-4325.

SUPPLEMENTARY INFORMATION:**Legal Basis**

The legal basis of this and all previous notices dealing with the implementation of section 4118 of SAFETEA-LU was set forth in the final rule of December 17, 2008.

Background

On December 17, 2008, FMCSA published a final rule (73 FR 76794) adopting regulations to implement section 4118 of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU) (Pub. L. 109-59, 119 Stat. 1144, 1729, August 10, 2005). The regulations require intermodal equipment providers (IEPs) to register and file with FMCSA an Intermodal Equipment Provider Identification Report (Form MCS-150C); establish a systematic inspection, repair, and maintenance program to ensure the safe operating condition of each intermodal chassis; maintain documentation of their maintenance program; and provide a means to effectively respond to driver and motor carrier reports about intermodal chassis mechanical defects and deficiencies. These regulations for the first time made IEPs subject to the Federal Motor Carrier Safety Regulations (FMCSRs), and called for shared safety responsibility among IEPs, motor carriers, and drivers. The December 2008 final rule required IEPs to comply with (1) the requirements for establishing systematic inspection, repair, and maintenance programs, recordkeeping systems, and for submitting Form MCS-150C by

December 17, 2009, and (2) the requirement to mark their intermodal chassis with a USDOT identification number by December 17, 2010.

On December 29, 2009, FMCSA amended the December 2008 final rule to: (1) Create an additional marking option for identifying the IEP responsible for the inspection, repair, and maintenance of items of IME; (2) clarify regulatory text and correct an inadvertent error; and (3) extend the deadline for IEPs, motor carriers, and drivers operating IME to comply with certain provisions pertaining to driver-vehicle inspections (74 FR 68703).

Petition for Rulemaking

On March 31, 2010, the Ocean Carrier Equipment Management Association and the Institute of International Container Lessors submitted a joint petition to FMCSA requesting the rescission of the provision in § 390.42(b) of the FMCSRs that requires drivers or motor carriers to prepare and transmit a no-defect DVIR to the IEP at the time the IME is returned to the IEP. The petitioners contend that the preparation and transmittal of these no-defect DVIRs impose an undue burden on drivers, motor carriers, IEPs, and intermodal facilities nationwide.

The Administrator granted the petition on July 30, 2010, based on the Agency’s preliminary determination that the petition has merit and that a notice-and-comment rulemaking proceeding should be initiated to provide all interested parties the opportunity to comment on the matter. The Agency then extended the compliance date for no-defect DVIRs to June 30, 2011 (75 FR 51419, August 20, 2010). A copy of the petition and the Administrator’s decision has been placed in the docket.

FMCSA plans to issue a notice of proposed rulemaking to eliminate the portion of § 390.42(b) that requires drivers or motor carriers to prepare and transmit no-defect DVIRs. At that time, all interested parties would have the opportunity to submit comments concerning the issue. The Agency would then consider the public comments prior to any decision whether to rescind the no-defect DVIR requirement.

While the Agency is conducting this rulemaking, FMCSA extends until June 30, 2012, the compliance date for the requirement in § 390.42(b) for drivers and motor carriers to prepare a DVIR on an item of IME when no damage,
