AGENCY: Office of Management and Budget (OMB), Office of Federal Procurement Policy (OFPP), Cost Accounting Standards Board (Board).

ACTION: Final rule.

SUMMARY: The Office of Federal Procurement Policy (OFPP), Cost Accounting Standards (CAS) Board, is publishing a final rule to eliminate the exemption from regulations regarding Cost Accounting Standards for contracts executed and performed entirely outside the United States, its territories, and possessions.

DATES: *Effective Date:* October 11, 2011.

FOR FURTHER INFORMATION CONTACT: Raymond J. M. Wong, Director, Cost Accounting Standards Board (*telephone:* 202–395–6805; *e-mail:* Raymond_wong@omb.eop.gov).

SUPPLEMENTARY INFORMATION:

A. Regulatory Process—Changes to 48 CFR Part 9903

The CAS Board's regulations and Standards are codified at 48 CFR chapter 99. This notice concerns the amendment of a CAS Board regulation other than a Standard, and as such is not subject to the statutorily prescribed rulemaking process for the promulgation of a Standard at 41 U.S.C. 1502(c) [formerly, 41 U.S.C. 422(g)]. The document being published today is a Final Rule.

B. Background and Summary

The Office of Federal Procurement Policy (OFPP), Cost Accounting Standards (CAS) Board, is publishing a final rule to eliminate the exemption at 48 CFR 9903.201–1(b)(14) from the Cost Accounting Standards for contracts executed and performed entirely outside the United States, its territories, and possessions (hereafter referred to as the “(b)(14) overseas exemption”).

The CAS Board is publishing a final rule which eliminates the (b)(14) overseas exemption from CAS for contracts and subcontracts executed and performed entirely outside the United States, its territories, and possessions.

Statutory Requirement

Section 823(a) of the Duncan Hunter National Defense Authorization Act for Fiscal Year 2009 (NDAA FY 2009) required the CAS Board to: “(1) Review the inapplicability of the cost accounting standards, in accordance with existing exemptions, to any contract and subcontract that is executed and performed outside the United States when such a contract or subcontract is performed by a contractor that, but for the fact that the contract or subcontract is being executed and performed entirely outside the United States, would be required to comply with such standards; and (2) determine whether the application of the standards to such a contract and subcontract (or any category of such contracts and subcontracts) would benefit the Government.” Section 823 further required the CAS Board to publish a request for information and to submit to the appropriate committees of Congress a report containing: (1) Any proposed revision to the CAS regulations as a result of the review and a copy of any proposed rulemaking implementing the revision or (2) if no revision and rulemaking are proposed, a detailed justification for such decision.

History of the (b)(14) Overseas Exemption

The (b)(14) overseas exemption was first promulgated in 1973 at Section 3–

1204 of the Armed Services Procurement Regulation (ASPR). See Defense Procurement Circular No. 115 (dated September 24, 1973). The reason given for promulgation of the (b)(14) overseas exemption was that the underlying authority for CAS, Section 2168 of the Defense Production Act (DPA), was applicable to the United States, its Territories and possessions, and the District of Columbia (Section 2163 of the DPA). The (b)(14) overseas exemption was intended to eliminate confusion that had existed at that time over the applicability of CAS outside the United States.

In 1980, the CAS Board ceased to exist under the DPA. Congress reestablished the CAS Board in 1988 under Section 22 of the OFPP Act, 41 U.S.C. 1501 [formerly, 41 U.S.C. 422]. Unlike the DPA, under the OFPP Act, CAS is not limited in applicability to the United States. However, in 1991, the CAS Board, after reviewing the rules and regulations applicable to the administration of CAS, opted to retain the (b)(14) overseas exemption.

The CAS Board later sought to reevaluate the (b)(14) overseas exemption. On September 13, 2005, the CAS Board published a notice seeking comment on the Staff Discussion Paper (SDP) discussing the appropriateness of continuing the exemption (70 FR 53977). Only three public comments were received, all of which supported retaining the exemption. The CAS Board took no further action at that time and published a notice discontinuing the review on February 13, 2008 (73 FR 8259).

In response to Section 823(a) of NDAA FY 2009, the CAS Board published on April 23, 2009, another notice requesting information on six general questions regarding the (b)(14) overseas exemption (74 FR 18491). In addition to this notice, the CAS Board requested assessments directly from three Federal agencies with significant volume of contracts performed outside of the United States—the Department of Defense (DOD), the Department of State (DOS) and the United States Agency for International Development (USAID). After reviewing the comments received from the notice and the assessments of the three Federal agencies, the CAS Board published a Notice of Proposed Rule (NPR) on October 20, 2010, proposing to eliminate the (b)(14) overseas exemption (75 FR 64684). A copy of the proposed rule was provided to the appropriate committees of Congress in accordance with Section 823.
