

Paiute asserts that the purpose of this filing is to comply with the Commission's order issued January 22, 1996 in Docket Nos. RP93-49-000 and RP-49-003, by which the Commission approved a joint offer of settlement filed by Paiute and the intervenors in this proceeding.

Paiute states that the settlement offer resolves the allocation among Paiute's customers of the direct-billed take-or-pay buyout and buydown costs charged to Paiute by its upstream supplier, Northwest Pipeline Corporation. Paiute further states that the settlement offer requires Paiute to file revised tariff sheets to reflect the terms and conditions of the settlement. Paiute requests that the proposed tariff sheets be permitted to become effective consistent with the effective date prescribed in the settlement.
