#### Notice of Public Hearing for the Draft Programmatic Environmental Impact Statement for Facilities Development Necessary to Support Potential Aircraft Carrier Homeporting at Naval Station Mayport, Florida

**SUMMARY:** Pursuant to Section 102(2)(c) of the National Environmental Policy Act (NEPA) of 1969 as implemented by the Council on Environmental Quality regulations (40 CFR Parts 1500-1508), the Department of the Navy has prepared and filed with the U.S. Environmental Protection Agency a Draft Programmatic Environmental Impact Statement (DPEIS) for the evaluation of Facilities Development Necessary to Support Potential Aircraft Carrier Homeporting at Naval Station (NAVSTA) Mayport, Florida. The DPEIS has been distributed to various federal, state and local agencies, elected officers, special interest groups, and the public. It also is on file and available for review at the Jacksonville Public Library, Main Branch; Beaches Library in Neptune Beach; and Regency Square Library in Jacksonville.

The National Defense Authorization Act for Fiscal Year 1993 (Public Law 102-484, Section 1011) requires that the Navy prepare a plan for developing NAVSTA Mayport as a Nimitz-class aircraft carrier (CVN) homeport. The DPEIS documents issues concerning the feasibility of and the impacts associated with the possible future homeporting of a CVN at NAVSTA Mayport. Studies have indicated that homeporting a CVN at NAVSTA Mayport will require carrier-wharf improvements, utilities and maintenance facilities upgrade, and dredging of the turning basin and entrance channel to — 50 feet below mean lower low water.

If, in the future, the Navy proposes to homeport a CVN at NAVSTA Mayport, additional NEPA documentation will be prepared to tier from this DPEIS. That documentation will identify issues specific to the proposed action and analyze their impacts within the appropriate time-frame.

**ADDRESSES:** The Navy will conduct a public hearing on Wednesday, April 24, 1996, beginning at 7:00 p.m. at the Fletcher Senior High School Auditorium, 700 Seagate Avenue, Neptune Beach, Florida, to inform the public of the DPEIS findings and to solicit comments. Federal, state and local agencies, and interested parties are invited to be present or represented at the hearing. Oral comments will be heard and transcribed by a stenographer.
