33 CFR Part 1

[CGD 96-010]

RIN 2115-AF30

Removal of Appendix to 33 CFR Subpart 1.07, List of Penalty Provisions Coast Guard Is Authorized To Enforce

AGENCY: Coast Guard, DOT.

ACTION: Final rule.

SUMMARY: As part of the President's Regulatory Reinvention Initiative, the Coast Guard is removing obsolete regulations. The Appendix to 33 CFR Subpart 1.07 is outdated. To avoid misleading the public with outdated materials, the Coast Guard is removing the Appendix.

EFFECTIVE DATE: April 25, 1996.

ADDRESSES: Unless otherwise indicated, documents referred to in this preamble are available for inspection or copying at the office of the Executive Secretary, Marine Safety Council (G-LRA/3406), U.S. Coast Guard Headquarters, 2100 Second Street SW., room 3406, Washington D.C. 20593-0001 between 8 a.m. and 3 p.m., Monday through Friday, except Federal holidays. The telephone number is (202) 267-1477.

FOR FURTHER INFORMATION CONTACT: LT Michele Bouziane, Staff Attorney, Maritime and International Law Division, Office of Chief Counsel, U.S. Coast Guard Headquarters, (202) 267-0014.

SUPPLEMENTARY INFORMATION:**Background and Purpose**

The Appendix to 33 CFR Subpart 1.07 lists penalty provisions of statutes the Coast Guard is authorized to enforce. This includes penalty provisions of laws that the Coast Guard enforces and administers under this part. It also includes penalty provisions of laws that another agency administers, but the Coast Guard enforces when violations occur on the high seas and waters over which the United States has jurisdiction. The Appendix also lists the penalty procedure (civil or criminal) used by the Coast Guard to address violations of each statute.

The Appendix was last updated in 1982. The Appendix, in its outdated condition, is of little use and could be misleading. The Coast Guard does not plan to update the index because the information it contains is available elsewhere in statutes and regulations. To avoid misleading the public with outdated materials, the Coast Guard is removing the Appendix.

Regulatory Information

This rule is being published as a final rule without a prior notice of proposed rulemaking. This rulemaking merely removes the Appendix to 33 CFR Subpart 1.07 and will not impose any substantive requirements on the public. Therefore, the Coast Guard for good cause finds, under 5 U.S.C. 553 (b)(3)(B) and (d)(3), that notice and public comment procedure are unnecessary,

and that this rule may be made effective upon publication.

Regulatory Evaluation

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(3) of that order. It has not been reviewed by the Office of Management and Budget under that order. It is not significant under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040; February 26, 1979). The Coast Guard expects the economic impact of this rule to be so minimal that a full Regulatory Evaluation under paragraph 10e of the regulatory policies and procedures of DOT is unnecessary.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*), the Coast Guard must consider whether this rule will have a significant economic impact on a substantial number of small entities. "Small entities" may include (1) small businesses and not-for-profit organizations that are independently owned and operated and are not dominant in their fields and (2) governmental jurisdictions with populations of less than 50,000. The Coast Guard has evaluated this rule under the Regulatory Flexibility Act. This rule involves removing the Appendix to 33 CFR Subpart 1.07 and will not have a substantive impact on the public. Therefore, the Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

Collection of Information

This proposal contains no collection-of-information requirements under the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*).

Federalism

The Coast Guard has analyzed this rule under the principles and criteria contained in Executive Order 12612 and has determined that this rule does not have sufficient federalism implications to warrant the preparation of a Federalism Assessment.

Environment

The Coast Guard considered the environmental impact of this rule and concluded that, under paragraph 2.B.2 of Commandant Instruction M16475.1B (as revised by 59 FR 38654, July 29, 1994), this rule is categorically excluded from further environmental documentation. A "Categorical

Exclusion Determination" is available in the docket for inspection or copying where indicated under **ADDRESSES**.
