AGENCY: Assassination Records Review Board.

ACTION: Notice of Formal Determinations and Corrections.

SUMMARY: The Assassination Records Review Board (Review Board) met in a closed meeting on January 30-31, 1996, and made formal determinations on the release of records under the President John F. Kennedy Assassination Records Collection Act of 1992 (JFK Act). By issuing this notice, the Review Board complies with the section of the JFK Act that requires the Review Board to publish the results of its decisions on a document-by-document basis in the Federal Register within 14 days of the date of the decision.

FOR FURTHER INFORMATION CONTACT: T. Jeremy Gunn, General Counsel and Associate Director for Research and Analysis, Assassination Records Review Board, Second Floor, 600 E Street, NW., Washington, DC 20530, (202) 724-0088, fax (202) 724-0457.

SUPPLEMENTARY INFORMATION: This notice complies with the requirements of the President John F. Kennedy Assassination Records Collection Act of 1992, 44 U.S.C. 2107.9(c)(4)(A) (1992). On January 30-31, 1996, the Review Board made formal determinations on records it reviewed under the JFK Act. These determinations are listed below. The assassination records are identified by the record identification number assigned in the President John F. Kennedy Assassination Records Collection database maintained by the National Archives. For each document, the number of releases of previously redacted information immediately follows the record identification number, followed in turn by the number of postponements sustained, the status of the document, and, where appropriate, the date the document is scheduled to be released or re-reviewed.
