Magnetek, Main St. Plant and the Former Employees of the Main St. Plant Temporarily Employed at the Universal Drive Plant, Owosso, MI; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 USC 2273) the Department of Labor issued a Certification of Eligibility To Apply for Worker Adjustment Assistance on November 30, 1994, applicable to all workers of Magnetek, Main St. Plant, located in Owosso, Michigan. The notice was published in the Federal Register on December 16, 1994 (59 FR 65077).

At the request of the company, the Department reviewed the certification for workers of the subject firm. Magnetek has two locations in Owosso, Main St. Plant and Universal Drive. The workers of the Universal Drive location have not been certified as eligible to apply for TAA program benefits. Information provided by the company shows that when the Main Street plant closed, some of the Main St. plant workers were asked to temporarily continue their employment at the Universal Drive location until the phase out of the main St. operations was completed. Upon completion of the Main St. phase out, the former Main St. workers were separated from employment at the Universal Drive location. Based on these new findings, the Department is amending the certification to cover the workers at Magnetek's Main St. plant that were temporarily employed at the Universal Drive plant.

The intent of the Department's certification is to include all workers of Magnetek who were adversely affected by increased imports.

The amended notice applicable to TA–W–30,322 is hereby issued as follows:

All workers of Magnetek, Main St. Plant, and the former workers of the Main St. Plant that were temporarily employed at the Universal Drive Plant who became totally or partially separated from employment on or after August 26, 1993, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington, D.C. this 9th day of February 1996.

Russell T. Kile,

Acting Program Manager, Policy and Reemployment Services, Office of Trade Adjustment Assistance.
