

cable operator respondents and 10 hours per local franchising authority respondents; 2,100 cable operator and 525 local franchising authority respondents.

Description: Section 76.922(h) enables cable operators in some circumstances to increase rates when undertaking significant network upgrades. This form allows cable operators to justify rate increase related to capital expenditures used to improve services to regulated cable subscribers. Operators wishing to establish a network upgrade rate increase should file the form 1235 following the end of the month in which upgraded cable services become available and are providing benefits to the customers. In addition this form can be filed for pre-approval any time prior to the upgraded services becoming available to the subscribers using projected upgrade costs. If the preapproval option is exercised the operator must file the form again following the end of the month in which upgraded cable services become available and are providing benefits to the customers.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

The National Institute for Occupational Safety and Health (NIOSH) of the Centers for Disease Control and Prevention (CDC) Announces the Following Meeting

NAME: Setting a National Occupational Research Agenda: Review of the Draft National Occupational Research Agenda.

TIME AND DATE: 9 a.m.-5 p.m., March 1, 1996.

PLACE: The Watergate Hotel, Chesapeake Room, 2650 Virginia Avenue, NW, Washington, DC 20037.

STATUS: Open to the public, limited only by the space available.

PURPOSE: NIOSH will sponsor a public meeting to review the draft National

Occupational Research Agenda (NORA) and to develop recommendations for implementation of the agenda. Invited participants will form review panels and review the draft NORA in sessions open to the public. A limited amount of time will be reserved to provide members of the public attending the meeting the opportunity to comment on the research priorities and recommendations on implementation. The tentative agenda of the meeting begins with a discussion of the development of the list of research priorities included in the draft NORA. Participants will break into smaller groups to review the draft and make recommendations on implementation of the NORA. In the afternoon session, each Work Group will present a summary of their comments. A limited amount of time will be reserved following the Work Group presentations for public comment and discussion. Three to five minute presentations on the draft NORA may be made during the public session. The exact time limit of the presentations will depend upon the number of people wishing to present. The draft NORA will be available for distribution on February 23, 1996. NIOSH encourages the public to provide comments on research priorities through March 6, 1996. The final NORA will be released on April 29, 1996. To attend this meeting, receive a copy of the draft NORA, or receive additional information on NORA, please contact Mr. Chris Olenec as indicated below. On-site registration will be available; however, to assist in planning for the meeting, advance registration is requested.

CONTACT PERSON FOR ADDITIONAL INFORMATION: Mr. Chris Olenec, NIOSH, CDC, 200 Independence Avenue, Room 317B, Washington, DC 20201, telephone 202/205-2640, FAX 202/260-1898. When possible, please FAX requests for copies of the draft research agenda.

WRITTEN COMMENTS TO: Ms. Diane Manning, NIOSH, CDC, Robert A. Taft Laboratories, M/S C34, 4676 Columbia Parkway, Cincinnati, Ohio 45226.

Dated: February 20, 1996.

Carolyn J. Russell,

Director, Management Analysis and Services Office, Centers for Disease Control and Prevention (CDC).
