

(ii) *Experimental fishing permits.* The Regional Director may issue an EFP under the provisions of § 648.12, if consistent with the provisions of paragraph (a)(4)(iv) of this section, to any vessel participating in the sea scallop aquaculture research project to fish within and transit the Sea Scallop Experimental Area. Such an EFP may exempt such vessel from specific Federal fishing regulations which may inhibit or prevent that vessel from performing any activity necessary for project operations such as regulations prohibiting the use of non-conforming fishing gear or the possession of scallops when not fishing under a DAS allocation. Vessels issued an EFP shall be exempted from DAS requirements as specified in the FMP for any trip in which the vessel engages exclusively in project activities such as bottom surveying, biological sampling, or use of non-regulated hand gear outside the Sea Scallop Experimental Area. The EFP also may allocate and authorize the use of up to 2 additional DAS for project activities relating to scallop seeding. Vessels issued an EFP must comply with all conditions and restrictions specified in the permit.

(iii) A vessel with an AGP or EFP must carry the permit on board the vessel while fishing in the Sea Scallop Experimental Area or participating in the scallop aquaculture project.

(iv) The Regional Director may not issue an AGP or EFP unless he determines that issuance is consistent with the objectives of the FMP, the provisions of the Magnuson-Stevens Act, and other applicable law and will not:

(A) Have a detrimental effect on the sea scallop resource and fishery;

(B) Create significant enforcement problems; or

(C) Have a detrimental effect on the scallop project.

(5) *Application.* An application for an AGP or EFP must be in writing to the Regional Director and be submitted at least 30 days before the desired effective date of the permit. The application must include, but is not limited to, the following information:

(i) The date of application.

(ii) The applicant's name, current address, telephone number and fax number if applicable.

(iii) The current vessel name, owner address, and telephone number.

(viii) The signature of the applicant.
