

The applications listed below, as well as other related filings required by the Board, are available for immediate inspection at the Federal Reserve Bank indicated. Once the application has been accepted for processing, it will also be available for inspection at the offices of the Board of Governors. Interested persons may express their views in writing on the standards enumerated in the BHC Act (12 U.S.C. 1842(c)). If the proposal also involves the acquisition of a nonbanking company, the review also includes whether the acquisition of the nonbanking company complies with the standards in section 4 of the BHC Act, including whether the acquisition of the nonbanking company can "reasonably be expected to produce benefits to the public, such as greater convenience, increased competition, or gains in efficiency, that outweigh possible adverse effects, such as undue concentration of resources, decreased or unfair competition, conflicts of interests, or unsound banking practices" (12 U.S.C. 1843). Any request for a hearing must be accompanied by a statement of the reasons a written presentation would not suffice in lieu of a hearing, identifying specifically any questions of fact that are in dispute, summarizing the evidence that would be presented at a hearing, and indicating how the party commenting would be aggrieved by approval of the proposal. Unless otherwise noted, nonbanking activities will be conducted throughout the United States.

Unless otherwise noted, comments regarding each of these applications must be received at the Reserve Bank indicated or the offices of the Board of Governors not later than February 10, 1997.

Section 7A of the Clayton Act, 15 U.S.C. 18a, as added by Title II of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, requires persons contemplating certain mergers or acquisitions to give the Federal Trade Commission and the Assistant Attorney General advance notice and to wait designated periods before consummation of such plans. Jeanette L. Douglass; Analysis to Aid Public Comment

AGENCY: Federal Trade Commission.

ACTION: Proposed consent agreement.

SUMMARY: In settlement of alleged violations of federal law prohibiting unfair or deceptive acts or practices and unfair methods of competition, this consent agreement, accepted subject to final Commission approval, would prohibit, among other things, Douglass, an officer of Computer Business Services, Inc. (CBSI), from misrepresenting the earnings or success rate of CBSI investors, the existence of a market for CBSI's products or services, and the amount of time it would take investors to recoup their investments. The order also bars Douglass from making any representation about the performance, benefits, efficacy, or success rate of any product or service unless she possesses reliable evidence to substantiate the claims. The agreement settles allegations that potential earnings and profit claims made by CBSI were false and misleading.

DATES: Comments must be received on or before March 18, 1997.

ADDRESSES: Comments should be directed to: FTC/Office of the Secretary, Room 159, 6th St. and Pa. Ave., N.W., Washington, D.C. 20580.

55 East Monroe Street, Suite 1860, Chicago, IL 60603. (312) 353-5576.

SUPPLEMENTARY INFORMATION: Pursuant to section 6(f) of the Federal Trade Commission Act, 38 Stat. 721, 15 U.S.C. 46, and § 2.34 of the Commission's rules of practice (16 CFR 2.34), notice is hereby given that the above-captioned consent agreement containing a consent order to cease and desist, having been filed with and accepted, subject to final approval, by the Commission, has been placed on the public record for a period of sixty (60) days. The following Analysis to Aid Public Comment describes the terms of the consent agreement, and the allegations in the accompanying complaint. An electronic copy of the full text of the consent agreement package can be obtained from the Commission Actions section of the FTC Home Page (for December 12, 1996), on the World Wide Web, at "http://www.ftc.gov/os/actions/htm." A paper copy can be obtained from the FTC Public Reference Room, Room H-130, Sixth Street and Pennsylvania Avenue, N.W., Washington, D.C. 20580, either in person or by calling (202) 326-3627. Public comment is invited. Such comments or views will be considered by the Commission and will be available for inspection and copying at its principal office in accordance with § 4.9(b)(6)(ii) of the Commission's rules of practice (16 CFR 4.9(b)(6)(ii)).

Analysis of Proposed Consent Order to Aid Public Comment

The Federal Trade Commission has accepted an agreement, subject to final approval, to a proposed consent order from respondent Jeanette L. Douglass.

The proposed consent order has been placed on the public record for sixty (60) days for reception of comments by interested persons. Comments received during this period will become part of the public record. After sixty (60) days, the Commission will again review the agreement and the comments received and will decide whether it should withdraw from the agreement and take other appropriate action or make final the agreement's proposed order.

This matter concerns earnings and success claims made regarding business ventures promoted by respondent. The Commission's complaint charges that respondent, in concert with Computer

Business Services, Inc. ("CBSI"), made false and unsubstantiated claims that consumers who purchase or use CBSI's business ventures ordinarily succeed and earn substantial income. In fact, the complaint alleges, the vast majority of consumers never even recoup their initial investment. The complaint also alleges that respondent falsely represented that endorsements appearing in CBSI's advertisements reflect the actual experiences of its customers and that those endorsements reflect the typical or ordinary experience of purchasers of CBSI's business ventures. Further, the complaint alleges that respondent represented that consumers can successfully utilize automatic telephone dialing systems to market their businesses but failed to disclose that federal law prohibits the use of such systems in the unattended mode to initiate a call to any residential telephone line in certain circumstances.

The proposed consent order contains provisions designed to remedy the violations charged and to prevent the respondent from engaging in similar acts and practices in the future. The proposed order extends to all business ventures and to all products or services that are part of any business venture.

Part I of the proposed consent order prohibits the respondent from misrepresenting the earnings or success of its purchasers, the existence of a market for the products or services promoted by respondent, or the amount of time within which a prospective purchaser can reasonably expect to recoup his or her investment. Part II of the proposed order prohibits the respondent from misrepresenting the performance, benefits, efficacy or success rate of any product or service that is a part of such business venture, unless at the time such representation is made the respondent possesses and relies upon competent and reliable evidence that substantiates the representation. Part III of the proposed order prohibits the respondent from misrepresenting that a user testimonial or endorsement is typical or ordinary and from using, publishing or referring to any user testimonial or endorsement unless respondent has good reason to believe that at the time of such use, publication or reference, the person or
