Title: Claim for Repurchase of Loan, VA Form 26-8084.

OMB Control Number: 2900-0377.

Type of Review: Extension of a currently approved collection.

Abstract: Under 38 CFR 36.4600(d), the holder of a delinquent vendee account is legally entitled to repurchase of the loan by VA when the loan has been continuously in default for 3 months and the amount of the delinquency equals or exceeds the sum of 2 monthly installments. When requesting repurchase of a loan, the holder uses VA Form 26-8084. Upon receipt of a holder's VA Form 26-8084, the supporting documents are examined to see that all of the documents required have been submitted and that they are sufficient to complete the repurchase. VA Form 26-8084 is compared with the settlement sheet prepared when the loan was sold and examined closely to establish that there are no errors in the holder's methods of computation. Following repurchase by VA, the obligor(s) are notified in writing that VA has repurchased the loan, and the vendee account is serviced and maintained by VA thereafter.

Title: Equal Opportunity Compliance Review Report, VA Form 20-8734, and Supplement to Equal Opportunity Compliance Review Report, VA Form 20-8734a.

OMB Control Number: 2900-0455.

Type of Review: Reinstatement, without change, of a previously approved collection for which approval has expired.

Abstract: Executive Order 12250, Leadership and Coordination of Nondiscrimination Laws, delegated authority to the Attorney General to coordinate the implementation and enforcement by Executive agencies of various equal opportunity laws. Government-wide guidelines issued by the U.S. Department of Justice (DOJ) in 28 CFR 42.406 instructs funding agencies to "provide for the collection of data and information from applicants for and recipients of Federal assistance sufficient to permit effective enforcement of Title VI." Executive Order 12250 extended the delegation to cover Title IX of the Education Amendments of 1972, and Section 504 of the Rehabilitation Act of 1973, as amended.

VA's requirements to effectuate our external civil rights requirements are contained on 38 CFR, Part 18. These regulations, in part, provide that the responsible agency official or designee shall from time to time review the practices of recipients to determine whether they are complying with the equal opportunity provisions. VA Form 20-8734 is used to gather information from post-secondary proprietary schools below college level. The information is used to assure that VA Federally-funded programs are in compliance with equal

opportunity laws. VA Form 20-8734a, is used to gather information from students and instructors at post-secondary proprietary schools below college level. The information is used to assure equal access and equal treatment to participants in VA Federally-funded programs.

Education Compliance Survey Specialists in VA field stations use VA Forms 20-8734 and 20-8734a during regular scheduled educational compliance survey visits, as well as during investigations of equal opportunity complaints, to identify areas which may indicate whether there is disparate treatment of members of protected groups. The information obtained on these forms is analyzed and maintained on file at the regional office. If this information were not collected, VA would be unable to carry out its civil rights enforcement responsibilities established in the DOJ's instructions.

Affected Public: Individual, or households and Business or other for-profit.

Estimated Annual Burden and Average Burden Per Respondent: Based on past experience, VBA estimates that 76 interviews will be conducted with recipients using VA Form 20-8734 at an average of 1 hour and 45 minutes per interview (133 hours). This includes one hour for an interview with the principal facility official, plus 45 minutes for reviewing records and reports and touring the facility. It is also estimated that 76 interviews will be conducted with students using VA Form 20-8734a at an average of 30 minutes per interview (38 hours) and with instructors at an average of 30 minutes per interview (38 hours) with a total of 76 hours. Interviews are also conducted with 76 students without instructors at an average time of 30 minutes.

VBA estimates that it will take 1 hour to conduct an interview with the recipients (76 hours) and 30 minutes with the instructors (38 hours). The total number of hours for interviewing recipients and instructors are estimated at 114.

Frequency of Response: On occasion.
Estimated Number of Respondents: 228.

Dated: June 27, 1997.

By direction of the Secretary.
