

Greyfab's margin changed from 0.70 percent to 0.02 percent.

#### Amended Final Results of Review

As a result of our correction of this ministerial error, we have determined that the following percentage weighted-average margin exists for the period March 1, 1994 through February 28, 1995:

Manufacturer/exporter	Margin percent
Greyfab (BD) Limited .....	0.02

The Department shall determine, and the Customs Service shall assess, antidumping duties on all appropriate entries. Individual differences between the export price and normal value may vary from the percentage stated above. The Department will issue appraisal instructions on the exporter directly to the Customs Service.

Furthermore, a cash deposit of zero percent will be required for all shipments by Greyfab of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of these amended final results of administrative review, as provided by section 751(a)(1) of the Tariff Act of 1930.

This deposit requirement shall remain in effect until publication of the final results of the next administrative review.

This notice also serves as a final reminder to the importer of its responsibility under 19 CFR 353.26 to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 353.34(d)(1). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is in accordance with 19 CFR 353.28.

Dated: January 23, 1997.

Robert S. LaRussa,

*Acting Assistant Secretary for Import Administration.*
