##### Open Access Same-Time Information System and Standards of Conduct; Notice of Filing of Revised OASIS Standards and Protocols Document and Request for Comments

August 29, 1997.

On August 12, 1997, the OASIS How Working Group (How Group) filed a revised OASIS Standards and Protocols Document (S&P Document). Before taking any action on the revised S&P Document or on accompanying requests for clarification, we will invite written comments from interested persons.

The How Group states that the revised S&P Document implements

clarifications and revisions to Commission policy that were announced by the Commission in Order Nos. 888-A and 889-A. The How Group also states that the S&P Document includes additional improvements made at the suggestion of transmission users and providers. The How Group proposes a four month schedule for implementing changes to the revised S&P Document after approval by the Commission, with an additional two months provided before those changes are incorporated into commercial operations.

#### Instructions for Filing Written Comments

Written comments (an original and 14 paper copies and one copy on a computer diskette in Wordperfect 6.1 format or in ASCII format) must be received by the Commission on or before September 29, 1997. Comments must be filed with the Office of the Secretary and must contain a caption that references Docket No. RM95-9-003. All written comments will be placed in the Commission's public files and will be available for inspection or copying in the Commission's Public Reference Room during normal business hours. All comments received on diskette will be made available to the public on the Commission's electronic bulletin board (EBB).
