

by helping to ensure that issuers of such securities continue to meet minimum financial standards and maintain the ability to make interest and principal payments as they come due. Finally, the review of a convertible bond when the underlying security is delisted and the requirement that convertible debt be automatically delisted if the underlying security is delisted for violation of corporate governance rules will help to ensure that issuers will be unable to avoid the effect of a delisting of an equity security by continuing to list a bond convertible into the delisted security.

The Commission finds good cause for approving Amendment No. 1 to the proposed rule change prior to the thirtieth day after the date of publication of notice of filing thereof in the **Federal Register**. Amendment No. 1 does not change the nature of the proposal, but merely codifies a current Exchange practice of requiring that currency, currency index and stock index warrants be cash-settled in U.S. dollars. Further, the Commission notes that the original proposal was published for the full 21-day comment period and no comments were received by the Commission. Accordingly, the Commission believes it is consistent with sections 19(b)(2) and 6(b)(5) of the Act to approve Amendment No. 1 to the Exchange's proposal on an accelerated basis.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning Amendment No. 1. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying at the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the Exchange. All submissions should refer to File No. SR-Phlx-97-29 and should be submitted by October 10, 1997.

V. Conclusion

It is therefore ordered, pursuant to section 19(b)(2) of the Act,¹⁴ that the proposed rule change (SR-Phlx-97-29) is approved, as amended.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹⁵

Margaret H. McFarland,

Deputy Secretary.
