

motorized watercraft access only in that portion of the Wild and Scenic River that is the recognized "slack water" of the Owyhee Reservoir (approximately 4 miles upstream from the existing boundary). The amended closures or restrictions are the minimum necessary to protect and enhance ORVs and are consistent with the approved plan. Pursuant to 43 CFR 8351.2-1, the following acts are prohibited on all public lands within the boundaries at the Owyhee River component of the National Wild and Scenic River System administered by the Bureau of Land Management:

Violation of these prohibitions is punishable by a fine of not more than \$500 or imprisonment for not more than 6 months or both. (Title 16 U.S.C. 1281).

1. Fire.

a. Failure, on any float trip, to carry and use a firepan or similar device to contain campfires.

4. Boating.

a. Operation of any motor-driven (including electric motor-driven) watercraft upstream of T.26S., R.43E., section 29 NE $\frac{1}{4}$  SW $\frac{1}{4}$  SE $\frac{1}{4}$ .

**National Park Service**

**Public Use Statistics Program Center;  
Notice of Request for Extension of a  
Currently Approved Information  
Collection**

**AGENCY:** DOI, National Park Service.

**ACTION:** Notice and request for comments.

**SUMMARY:** In accordance with the Paperwork Reduction Act of 1995, this notice announces the National Park Service (NPS) intention to request an extension for a currently approved information collection in support of the Public Use Statistics Program.

**DATES:** Comments on this notice must be received by April 14, 1997 to be assured of consideration.

**ADDITIONAL INFORMATION OR COMMENTS:** Contact Albert A. Galipeau, Statistician or Sandra D. Valdez, Program Administrator, U.S. Department of

Interior, Park Operations and Education, National Park Service, Public Use Statistics Program Center, 12795 W. Alameda Parkway, Denver, CO, 80225-0287, (303) 987-6950.

**SUPPLEMENTARY INFORMATION:**

*Title:* Public Use Reporting.

*OMB Number:* 1024-0036.

*Expiration Date of Approval:* February 28, 1997.

*Type of Request:* Extension of a currently approved collection.

*Abstract:* The survey is used by NPS for the purpose of collecting public interview data which are used to determine conversion factors used in converting electro-mechanical visitor counts into recreation visits.

*Estimate of Burden:* Public reporting burden for this collection of information is estimated to average 3 minutes per response.

*Respondents:* Individuals visiting parks.

*Estimated Number of Respondents:* 18,000.

*Estimated Number of Responses per Respondent:* 7.

*Estimated Total Annual Burden on Respondents:* 900 hours.

Copies of this information collection can be obtained from Sandra D. Valdez, Program Administrator.

Send comments regarding the accuracy of the burden estimate, ways to minimize the burden, including through the use of automated collection techniques or other forms of information technology, or any other aspect of this collection of information to:

Sandra D. Valdez, Program Administrator, U.S. Department of Interior, National Park Service, Park Operations and Education, Public Use Statistics Program Center, 12795 W. Alameda Parkway, Denver, CO, 80225-0287, (303) 987-6950.

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

Dated: February 4, 1997.

Terry N. Tesar,

*Information Collection Clearance Officer.*

**Notice of Intent To Issue a Prospectus  
for Operation of Marina Facilities at  
Lake Roosevelt National Recreation  
Area**

**SUMMARY:** The National Park Service will be releasing a concession

prospectus authorizing continued operation of marina services, which includes seasonal moorage, rental of boats and houseboats, sale of marina supplies and general merchandise, limited grocery and camping supplies, and marina fuel and oil, for the public at Lake Roosevelt National Recreation Area for a period of ten years from May 1, 1997 through April 30, 2007.

**SUPPLEMENTARY INFORMATION:** The existing concessioner, Lake Roosevelt Vacations, Inc., has performed its obligations to the satisfaction of the Secretary under an existing permit which expires by limitation of time on December 31, 1997, and therefore pursuant to the provisions of Section 5 of the Act of October 9, 1965 (79 Stat. 969 U.S.C. 20), is entitled to be given preference in the renewal and execution of a new contract providing that the existing concessioner submits a responsive offer (a timely offer which meets the terms and conditions of the Prospectus). This means that the contract will be awarded to the party submitting the best offer, provided that if the best offer was not submitted by the existing concessioner, then the existing concessioner will be afforded the opportunity to match the best offer. If the existing concessioner agrees to match the best offer, then the contract will be awarded to the existing concessioner.

If the existing concessioner does not submit a responsive offer, the right of preference in renewal shall be considered to have been waived, and the contract will then be awarded to the party that has submitted the best responsive offer.

The Secretary will consider and evaluate all proposals received as a result of this notice.

The cost for purchasing a prospectus is \$30.00. Parties interested in obtaining a copy should send a check payable to "National Park Service" to the following address: National Park Service, Office of Concession Program Management, Pacific Great Basin Support Office, 600 Harrison St., Suite 600, San Francisco, California 94107-1372. The front of the envelope should be marked "Attention: Office of Concession Program Management—Mail Room Do Not Open". Please include a mailing address indicating where to send the prospectus. Inquiries may be directed to Ms. Teresa Jackson, Secretary, Office of Concession Program Management at (415) 744-3981.

Dated: January 21, 1997.

Patricia L. Neubacher,  
Acting Field Director, Pacific West Area.

**Final General Management Plans/  
Environmental Impact Statements,  
Manhattan Sites, New York; Notice of  
Availability of Final Plans and  
Environmental Impact Statements**

Pursuant to Council on Environmental Quality regulations and National Park Service policy, the National Park Service (NPS) announces the release of the Final General Management Plans/Environmental Impact Statements, Manhattan Sites, New York. The National Park Service, Manhattan Sites, New York, has prepared the Final General Management Plans/Environmental Impact Statements for the park unit. These plans provide the analysis necessary to determine the alternatives for future management and use of each of the sites including Castle Clinton National Monument, Federal Hall and General Grant National Memorials, and Saint Paul's Church and Theodore Roosevelt Birthplace National Historic Sites, New York and Westchester Counties, New York. In accordance with section 102(2)(C) of the National Environmental Policy Act of 1969, the National Park Service is required to prepare an environmental impact statement to assess the impacts of the proposed action(s). The National Park Service is the responsible federal agency.

The 45-day no-action period following the Environmental Protection Agency notice of availability of the final Environmental Impact Statement will end March 31, 1997. At that time, a Record of Decision will be prepared, and released soon thereafter.

**FOR FURTHER INFORMATION CONTACT:**  
Superintendent, Joseph T. Avery,  
Manhattan Sites, National Park Service,  
26 Wall Street, New York, NY 10005  
(212-825-6990).

**SUPPLEMENTARY INFORMATION:**  
Alternatives for future management and use of each of the sites listed (Castle Clinton National Monument, Federal Hall and General Grant National Memorials, and Saint Paul's Church and Theodore Roosevelt Birthplace National Historic Sites, New York and Westchester Counties, New York) are presented and analyzed in the final document. Under each site there is a "no-action" alternative that presents a continuation of existing trends and management, meets the minimum requirements, and provides a basis to

evaluate the other alternatives. Three alternatives are proposed for Castle Clinton National Monument which range from continuing existing conditions, provisions for a new Statue of Liberty/Ellis Island ticketing sales structure outside of the fort, and one alternative analyzing preservation of the old fort walls while providing for an auditorium and seating for the performing arts at the site. At Federal Hall, three alternatives are proposed which range from continuing existing management, to preserving and restoring the structure and installing a visitor information center, to converting the use of Federal Hall exclusively to the public and for collection storage, with a state-of-the-art visitor information center and the relocation of offices to another facility. The proposals for General Grant National Memorial include three alternatives which ranged from providing for the rehabilitation, security, and maintenance of the structure and site, to restoring the structure and site to the original design intent of the architect and continuing interpretation through handbooks and occasional living history programs, to preserving the tomb and site as they are and building a visitor center in the pavilion across Riverside Drive. At Saint Paul's Church National Historic Site, two alternatives are proposed which range from continuing the interpretive programs and existing site management through the cooperators, to changing park management to the National Park Service with assistance from the cooperating association and renting a facility for curatorial storage and preservation. Three alternatives are proposed for Theodore Roosevelt Birthplace National Historic Site which include the continuation of interpretive and site/resource preservation, to installing a central air-conditioning system and a closet elevator from the third to fourth floor.

For copies of the Final General Management Plans/Final Environmental Impact Statements for the Manhattan Sites, New York, please contact the Superintendent at the above address.

Dated: February 4, 1997.  
Joseph T. Avery,  
Superintendent, Manhattan Sites.

**Availability of a Plan of Operations and  
Environmental Assessment for a Plan  
of Operations; Williams Field Services  
Company, North Padre Island Lateral  
Natural Gas Pipeline, Padre Island  
National Seashore, Kenedy County,  
Texas**

The National Park Service has received from Williams Field Services Company, a Plan of Operations for the existing North Padre Island Lateral Natural Gas Pipeline at Padre Island National Seashore, Kenedy County, Texas.

Pursuant to § 9.52(b) of Title 36 of the Code of Federal Regulations, Part 9, Subpart B (36 CFR 9B); the Plan of Operations and Environmental Assessment are available for public review and comment for a period of 30 days from the publication date of this notice in the Office of the Superintendent, Padre Island National Seashore, 9405 South Padre Island Drive, Corpus Christi, Texas. Copies of the documents are available from the Superintendent, Padre Island National Seashore, 9405 South Padre Island Drive, Corpus Christi, Texas 78418, and will be sent upon request.

Dated: February 3, 1997.  
Patrick C. McCrary,  
Superintendent, Padre Island National  
Seashore.
