## DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-4189-N-02]

### Announcement of Funding Awards for Fiscal Year 1997 Community Development Work Study Program

**AGENCY:** Office of the Assistant Secretary for Policy Development and Research, HUD.

**ACTION:** Announcement of funding awards.

**SUMMARY:** In accordance with section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989, this document notifies the public of funding awards for the Fiscal Year 1997 Community Development Work Study Program (CDWSP). The purpose of this document is to announce the names and addresses of the award winners and the amount of the awards to be used to attract economically disadvantaged and minority students to careers in community and economic development, community planning and community management, and to provide a cadre of well-qualified professionals to plan, implement, and administer local community development programs.

**SOURCES OF FURTHER INFORMATION:** Prospective students interested in participating in the CDWSP should contact directly the grantees listed below representing the colleges or universities that they would be interested in attending; HUD does not directly accept student applications or accept students into the program. Universities, Colleges, States and areawide planning organizations interested in receiving a grant application kit (which contains detailed information about the CDWSP) or a brief written program summary should contact HUD USER, P.O. Box 6091, Rockville, MD 20849, (800)-245-2691, and should specifically reference the Community Development Work Study Program. Persons having technical questions about the program should contact John M. Hartung, Office of

University Partnerships, U.S. Department of Housing and Urban Development, Room 8130, 451 Seventh Street, SW., Washington, DC 20410, telephone (202) 708-3061, extension 261. To provide service for persons who are hearing- or speech-impaired, this number may be reached via TTY by dialing the Federal Information Relay Service on (800) 877-8399, or 202-708-9300. (Telephone numbers, other than the two "800" numbers, are not toll free.)

**SUPPLEMENTARY INFORMATION:** The CDWSP is administered by the Office of University Partnerships under the Assistant Secretary for Policy Development and Research. The Office of University Partnerships administers HUD's ongoing grant programs to institutions of higher education and creates initiatives through which colleges and universities can bring their traditional missions of teaching, research, service, and outreach to bear on the pressing local problems in their communities.

The CDWSP was enacted in the Housing and Community Development Act of 1988. (Earlier versions of the program were funded by the Community Development Block Grant Technical Assistance Program from 1982 through 1987 and the Comprehensive Planning Assistance Program from 1969 through 1981.) Eligible applicants include institutions of higher education having qualifying academic degrees, and States and areawide planning organizations who apply on behalf of such institutions. The CDWSP funds graduate programs only. Each participating institution of higher education is funded for a minimum of three students and a maximum of five students under the CDWSP. The CDWSP provides each participating student up to \$9,000 per year for a work stipend (for internship-type work in community building) and \$5,000 per year for tuition and additional support (for books and travel related to the academic program). Additionally, the CDWSP provides the participating institution of higher education with an administrative allowance of \$1,000 per student per year.

The Catalog of Federal Domestic Assistance number for this program is 14.512.

On March 4, 1997 (62 FR 9897) HUD published a Notice of Funding Availability (NOFA) announcing the availability of \$3 million in FY 1997 funds for the CDWSP. The Department reviewed, evaluated and scored the applications received based on the criteria in the NOFA. As a result, HUD

has funded the applications announced below, and in accordance with Section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989 (103 Stat. 1987, U.S.C. 3545), the Department is publishing details concerning the recipients of funding awards, as set forth below.

#### SUPPLEMENTARY INFORMATION:

##### Background

Restoring endangered or threatened animals or plants to the point where they are again secure, self-sustaining members of their ecosystems is a primary goal of the Service's endangered species program. To help guide the recovery effort, the Service is working to prepare recovery plans for most of the listed species native to the United States. Recovery plans describe actions considered necessary for conservation of the species, establish criteria for recognizing the recovery levels for downlisting or delisting them, and estimate time and costs for implementing the recovery measures needed.

The Endangered Species Act of 1973, as amended (16 U.S.C. 1531 *et seq.*) (Act), requires the development of recovery plans for listed species unless such a plan would not promote the conservation of a particular species. Section 4(f) of the Act, as amended in 1988, requires that a public notice and an opportunity for public review and comment be provided during recovery plan development. The Service will consider all information presented during a public comment period prior to approval of each new or revised recovery plan. The Service and other Federal agencies will also take these comments into account in the course of implementing approved recovery plans.
