Title of Proposal: Survey of Housing Conditions of Migrant and Seasonal Farmworkers

OMB Control Number: Description of the need for the information and proposed use: The Survey of Housing Conditions of Migrant and Seasonal Farmworkers collects data on the housing conditions of farmworkers along the east coast migrant stream including types of structures occupied, proportion of households crowded, proportion households cost burdened, proportion lacking full appliances and

sanitary facilities, proportion residing in grower-provided housing, and other characteristics. Very little is known about the housing conditions of migrant and seasonal farmworkers. Only a few national studies have addressed the needs of the farmworkers, and most have not collected information pertaining to housing conditions. The only major study focusing on farmworker housing conditions was the national Farmworker Housing Study prepared in 1980; this study was never published. Housing developers and others who provide housing to this population are hampered in serving them by this lack of information.

Agency Form Numbers:

Members of affected public: Migrant farmworkers, rural housing developers, and government agencies

Estimation of the total number of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: Number of respondents: 3,000; Estimate Responses per Respondent: 18; Time per respondent: 15 minutes; Total hours to respond: 750.

Respondents's Obligation: Voluntary.

SUPPLEMENTARY INFORMATION: The HSI-WSP is administered by the Office of University Partnerships under the Assistant Secretary for Policy Development and Research. The Office of University Partnerships administers HUD's ongoing grant programs to institutions of higher education and creates initiatives through which colleges and universities can bring their traditional missions of teaching, research, service, and outreach to bear on the pressing local problems in their communities.

The HSI-WSP was created through an earmark of funds appropriated for the Community Development Work Study Program in the Conference Report, H. Rep. 104-384, dated December 6, 1995, which accompanied "The Departments of Veterans Affairs and Housing and Urban Development and Independent Agencies Appropriations Act, 1996" (Pub. L. 104-134). Eligible applicants are private and public non-profit Hispanic-serving community colleges having qualifying academic degrees. Each participating institution of higher education can be funded for a minimum of three and a maximum of ten students. The HSI-WSP provides each participating student up to \$12,200 per year for a work stipend (for internship-type work in community building) and tuition and additional support (for books and other expenses related to the academic program). Additionally, the HSI-WSP provides the participating institution of higher education with an administrative allowance of \$1,000 per student per year. On October 2, 1996 (61 FR 51566), HUD published a Notice of Funding Availability (NOFA) announcing the availability of \$3 million in FY 1996 funds for the Hispanic-serving Institutions Work Study Program. The Department reviewed, evaluated and scored the

applications received based on the criteria in the NOFA. As a result, HUD has funded the applications announced below, and in accordance with section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989 (103 Stat. 1987, 42 U.S.C. 3545), the Department is publishing details concerning the recipients of funding awards, as follows:

Office of the Secretary

Exxon Valdez Oil Spill Public Advisory Group Charter

AGENCY: Office of the Secretary, Interior.

ACTION: Notice of Renewal of the Public Advisory Group Charter—Exxon Valdez Oil Spill.

SUMMARY: This notice is published in accordance with 41 CFR Part 101-6, section 101-6.1015(a), Committee establishment, reestablishment, or renewal.

Following the recommendation and approval of the Exxon Valdez Oil Spill Trustee Council, the Secretary of the Interior hereby renews the Exxon

Valdez Oil Spill Public Advisory Group Charter to continue for two years, to October 22, 1998.

FOR FURTHER INFORMATION CONTACT:

Douglas Mutter, Department of the Interior, Office of Environmental Policy and Compliance, 1689 "C" Street, Suite 119, Anchorage, Alaska, (907) 271-5011.

SUPPLEMENTARY INFORMATION: On March 24, 1989, the T/V Exxon Valdez ran aground on Bligh Reef in Prince William Sound in Alaska spilling approximately 11 million gallons of North Slope crude oil. Oil moved into the Gulf of Alaska, along the Kenai coast to Kodiak Island and the Alaska Peninsula—some 600 miles from Bligh Reef. Massive clean-up and containment efforts were initiated and continue to 1992. On October 8, 1991, an agreement was approved by the United States District Court for the District of Alaska that settled claims of the United States and the State of Alaska against the Exxon Corporation and the Exxon Shipping Company for various criminal and civil violations. Under the civil settlement, Exxon companies agreed to pay to the governments \$900 million over a period of 10 years.

The Exxon Valdez Oil Spill Trustee Council was established to manage the funds obtained from the civil settlement of the Exxon Valdez Oil Spill. The Trustee Council is composed of three State of Alaska trustees (Attorney General; Commissioner, Department of Environmental Conservation; and Commissioner, Department of Fish and Game) and three Federal representatives appointed by the Federal Trustees (Secretary, U.S. Department of Agriculture; the Administrator of the National Oceanic and Atmospheric Administration; and the Secretary, U.S. Department of the Interior).

The Public Advisory Group was created by Paragraph V.A.4 of the Memorandum of Agreement and Consent Decree entered into by the United States of America and the State of Alaska on August 27, 1991 and approved by the United States District Court for the District of Alaska in settlement of *United States of America v. State of Alaska*, Civil Action No. A91-081 CV. The Public Advisory Group was chartered by the Secretary of the Interior on October 23, 1992 and functions solely as an advisory body, and in compliance with the provisions of the Federal Advisory Committee Act (5 U.S.C. App. (1988)).

The Public Advisory Group was established to advise the Trustee Council, and began functioning in October 1992. The Public Advisory
