SUPPLEMENTARY INFORMATION:

Background

An interim final rule was published in the **Federal Register** on March 2, 1998, that placed a prohibition on certain vessels landing lobster in excess of specified limits (63 FR 10154). That

document contained two typographical errors.

Need for Correction

As published, an incorrect section heading was listed twice on page 10155 of the March 2, 1998, edition of the **Federal Register**. In the third column under the heading “§ 697.6 Definitions,” instruction number 3. should read “In § 697.7, paragraph (c) is added to read as follows.” Immediately following instruction number 3, the section heading should read “§ 697.7 Prohibitions.” NMFS is correcting this error and is making no substantive change to the document in this action.

Dated: March 18, 1998.

David L. Evans,

*Acting Assistant Administrator for Fisheries,
National Marine Fisheries Service.*
