SUPPLEMENTARY INFORMATION:

I. Abstract

NOAA's Sea Grant Program exists to increase the understanding, assessment, development, utilization, and conservation of the Nation's ocean, coastal, and Great Lakes resources. It does this by promoting a strong educational base, responsive research, and training. Grant monies are available for related activities. Applications must include the NOAA Form 90-4, Sea Grant Budget, which details the Sea Grant and grantee funding expected for the project, broken down by a number of cost categories. The information is used by both NOAA and the grantee to determine costs and whether proposed matching costs are allowable. The information is also used in negotiating

costs and in the administrative control of expenditures.

II. Method of Collection

NOAA Form 90-4 is submitted as part of grant applications.

III. Data

OMB Number: 0648-0034.
