

and procedures under which DOL agrees to disclose Part C Black Lung benefit data to SSA. SSA will use the match results to determine the correct amount of Social Security disability benefits for recipients of Part C Black Lung benefits, as required by the Social Security Act (the Act).

C. Authority for Conducting the Matching Program

Section 224(h)(1) of the Act.

D. Categories of Records and Individuals Covered by the Match

DOL will provide SSA with a magnetic tape file extracted from the Office of Workers' Compensation Programs Black Lung Benefits Payments File. The extracted file will contain information about all live miners, under age 65, entitled to Part C Black Lung benefits. Each record on the DOL file will be matched with SSA's Master Beneficiary Record to identify individuals potentially subject to benefit reductions, due to their receipt of Part C Black Lung benefits, under section 224 of the Social Security Act, 42 U.S.C. 424.

E. Inclusive Dates of the Match

The matching program shall become effective upon the signing of the agreement by both parties to the agreement and approval of the agreement by the Data Integrity Boards of the respective agencies, but no sooner than 40 days after notice of the matching program is sent to Congress and the Office of Management and Budget, or 30 days after publication of this notice in the **Federal Register**, whichever is later. The matching program will continue for 18 months from the effective date and may be extended for an additional 12 months thereafter, if certain conditions are met.
