

Final Results of Review

As a result of this review, we find that the following margins exist for the period February 1, 1996, through January 31, 1997:

Manufacturer/ exporter	Period	Margin (percent)
Panchmahal ..	2/1/96-1/31/97	0
Factor	2/1/96-1/31/97	0

Parties to the proceeding may request disclosure within five days of the date of publication of this notice. The results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the review and for future deposits of estimated duties for the manufacturers/exporters subject to this review. We have calculated an importer-specific duty assessment rate based on the ratio of the total amount of antidumping duties calculated for the examined sales made during the period of review ("POR") to the total value of subject merchandise entered during the POR. The Department will issue appraisal instructions directly to the Customs Service.

Furthermore, the following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of these final results of this new shipper administrative review, as provided by section 751(a)(1) of the Act: (1) The cash deposit rate for the reviewed companies will be the rates established in the final results of this new shipper review; (2) for companies not covered in this review, but covered in previous reviews or the original less-than-fair-value investigation, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation, but the manufacturer is, the cash deposit rate will be the most recent rate established for the manufacturer of the merchandise; and (4) if neither the exporter nor the manufacturer is a firm covered in this or any previous review or the original investigation, the cash deposit rate will be the "all others" rate of 12.45 percent established in the final determination of sales at less than fair value (59 FR 66915, December 28, 1994).

These deposit requirements will remain in effect until publication of the final results of the next administrative review.

This notice also serves as a final reminder to importers of their

responsibility under 19 CFR 353.26 to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective orders ("APOs") of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 353.34(d)(1). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This new shipper review and notice are in accordance with sections 751(a)(1) and 777(i)(1) of the Act (19 U.S.C. 1675(a)(1)), 19 CFR 353.22.

Dated: April 13, 1998.

Joseph A. Spetrini,

Acting Assistant Secretary for Import Administration.
