DEPARTMENT OF JUSTICE

Office of Community Oriented Policing Services

FY 1998 Community Policing Discretionary Grants

AGENCY: Office of Community Oriented Policing Services, Department of Justice.

ACTION: Notice of availability.

SUMMARY: The Department of Justice, Office of Community Oriented Policing Services ("COPS") announces a new grant program, School-Based Partnerships, designed to keep children safe by reducing school-related crime. This program, which complements the COPS Office's efforts to add 100,000 officers to our nation's streets and support innovative community policing, will help make schools safer for all children. The School-Based Partnerships grant program will provide policing agencies with a unique opportunity to work with schools and community-based organizations to address persistent school-related crime problems. Applicants must focus on one primary school-related crime or disorder problem, occurring in or around an elementary or secondary school, such as: Drug dealing or use on school grounds, problems experienced by students on the way to and from school, assault/sexual assault, alcohol use or alcohol-related problems/DWI, threat/intimidation, vandalism/graffiti, loitering and disorderly conduct directly related to crime or student safety, disputes that pose a threat to student safety, or larceny.

All local, Indian tribal, school police departments (consisting of officers with sworn authority) and other public law enforcement agencies committed to community policing are eligible to apply. Law enforcement agencies must partner with either a specific school, school district, or a nonprofit organization. A partnership between a policing agency and a specific school is encouraged, but if such a partnership is not practical, a policing agency may partner with a nonprofit community group. A collaboration agreement outlining the conditions and benefits each participant will contribute to the project must be included in the application.

DATES: School-Based Partnerships Application Kits will be available in late April, 1998. The deadline for applications is June 15, 1998. Applications must be postmarked by June 15, 1998, to be eligible.
