[AAG/A Order No. 147-98]

### Privacy Act of 1974; Removal of a System of Records

Pursuant to the provisions of the Privacy Act of 1974 (5 U.S.C. 552a), the Immigration and Naturalization Service (INS), Department of Justice, is removing Subsystem K., entitled "Microfilmed Manifest Records," from its "Immigration and Naturalization Service Index System, Justice/INS-001." (Justice/INS-001 was most recently published on October 5, 1993 (58 FR 51847).

The removal of Subsystem K. is part of a long-term review initiative of the INS-001 system of records—which includes a number of subsystems—in an effort to improve the reporting accuracy

thereof. During this ongoing review, INS found that the information identified in Subsystem K. was misidentified initially as Privacy Act records, and thus was erroneously reported as part of the INS-001 system. Information in the Subsystem is not retrieved by personal identifier; rather, the information consists of a manifest from which information is retrieved by date of entry, port of entry, ships name, and/or aircraft identification code.

In addition, not all of these records remain in the custody of INS. Records dated up through December 1982 have been accepted by the National Archives and Records Administration (NARA) for permanent retention; only those records dated January 1983 to the present have been retained by INS.

Accordingly, requests for access to these records should be made under the Freedom of Information Act (FOIA) and addressed as follows:

For records dated up through December 1982, address any access requests to the NARA, Attention FOIA Officer, Seventh Street and Pennsylvania Avenue, NW., Washington, DC 20408. For records dated January 1983 to the present, address any access requests to the FOIA/Privacy Act Officer at the INS Nebraska Service Center, 850 S. Street, Lincoln, NE 68508.

Dated: January 5, 1998.
