International Wire, Incorporated, Wire Division, Bourbon, Indiana; Notice of Termination of Investigation

Pursuant to Title V of the North American Free Trade Agreement Implementation Act (P.L. 103-182) concerning transitional adjustment assistance, hereinafter called (NAFTA-TAA), and in accordance with Section 250(a), Subchapter D, Chapter 2, Title II, of the Trade Act of 1974, as amended (19 U.S.C. 2273), an investigation was initiated on December 1, 1997 in response to a petition filed on behalf of workers at International Wire Group, Incorporated, Bourbon, Indiana.

This case is being terminated because the workers were separated from the subject firm more than one year prior to the date of the petition. The NAFTA Implementation Act specifies that no certification may apply to any worker whose last separation occurred more than one year before the date of the petition. Consequently, further investigation in this case would serve no purpose, and the investigation has been terminated.

Signed at Washington, D.C., this 9th day of January, 1998.

In accordance with Section 250(A), Subchapter D, Chapter 2, Title II, of the Trade Act of 1974 (19 USC 2273), the Department of Labor issued a Certification for NAFTA Transitional Adjustment Assistance on October 23, 1997, applicable to all workers of Onan Corporation, Huntsville, Alabama. The notice was published in the **Federal Register** on November 7, 1997 (62 FR 60280).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. New information provided by the State shows that some employees of Onan Corporation were leased from ACT Personnel and Services, Incorporated, Snelling Temporary Services, Olsten Staffing Services, Team Source Personnel, and Interim Health Care to produce gasoline engines at the Huntsville, Alabama facility. Worker separations occurred at these companies as a result of the permanent closing of Onan Corporation, Huntsville, Alabama.

Based on these findings, the Department is amending the certification to include workers of ACT Personnel and Services, Incorporated, Snelling Temporary Services, Olsen Staffing Services, Team Source Personnel, and Interim Health Care, Huntsville, Alabama leased to Onan Corporation, Huntsville, Alabama.

The intent of the Department's certification is to include all workers of Onan Corporation adversely affected by imports from Canada.

The amended notice applicable to NAFTA-01857 is hereby issued as follows:

All workers of Onan Corporation, Huntsville, Alabama and leased workers of ACT Personnel and Services, Incorporated, Snelling Temporary Services, Olsten Staffing Services, Team Source Personnel, and Interim Health Care, Huntsville, Alabama engaged in employment related to the production of gasoline engines for Onan Corporation, Huntsville, Alabama who became totally or partially separated from employment on or after July 28, 1996 are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974.

[NAFTA-01530, Stride Rite Corporation, Hamilton, Missouri; NAFTA-01530A, Tipton, Missouri; and NAFTA-01530B, Lexington, Massachusetts]

Amended Certification Regarding Eligibility To Apply for NAFTA-Transitional Adjustment Assistance

In accordance with Section 250(a), Subchapter D, Chapter 2, Title II, of the Trade Act of 1974 as amended (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for NAFTA Transitional Adjustment Assistance on March 27, 1997, applicable to all workers at Stride Rite Corporation located in Hamilton and Tipton, Missouri. The notice was published in the **Federal Register** on April 15, 1997 (62 FR 18362).

At the request of the petitioners, the Department reviewed the certification for workers of the subject firm. The workers are engaged in the production of children's shoes. New information received by the company shows that worker separations have occurred at the Lexington, Massachusetts location of Stride Rite Corporation. The Lexington, Massachusetts facility is the corporate headquarters office and provides production planning services for

children's shoes at Stride Rite Corporation.

The intent of the Department's certification is to include all workers of Stride Rite Corporation who were adversely affected by increased imports of children's shoes from Mexico. Accordingly, the Department is amending the certification to cover the workers of Stride Rite Corporation, Lexington, Massachusetts.

The amended notice applicable to NAFTA-01530 is hereby issued as follows:

"All workers of Stride Rite Corporation, Hamilton, Missouri (NAFTA-01530), Tipton, Missouri (NAFTA-01530A), and Lexington, Massachusetts (NAFTA-01530B) who became totally or partially separated from employment on or after February 24, 1996, are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974."

University Technical Services, Incorporated, University Energy, Canton, New York; Amended Negative Determination Regarding Eligibility To Apply for NAFTA-Transitional Adjustment Assistance

In accordance with Section 250(A), Subchapter D, Chapter 2, Title II, of the Trade Act of 1974 (19 U.S.C. 2273), the Department of Labor issued a Certification for NAFTA Transitional Adjustment Assistance on November 28, 1997, applicable to all workers of University Technical Services, Incorporated, San Diego, California. The notice was published in the **Federal Register** on June 13, 1997 (62 FR 32376).

At the request of the State agency, the Department reviewed the negative determination for workers of the subject firm. New findings show that the Department incorrectly identified the subject firm location. The investigation conducted for the subject firm was conducted on behalf of workers engaged in providing operations and maintenance services for electricity generation located in Canton, New York. San Diego, California is the Administrative Services office of the subject firm and is not the subject of the

investigation. The Department is amending the negative determination to correctly identify the city and state to read Canton, New York.

Conclusion

After careful review, I determine that all workers at University Technical Services, Incorporated, Canton, New York are denied eligibility to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974.
