**Dana Corporation, Spicer Trailer
Products, Berwick, Pennsylvania;
Notice of Revised Determination on
Reconsideration**

On October 10, 1997, the Department issued an Affirmative Determination Regarding Application on Reconsideration applicable to workers and former workers of the subject firm. The notice was published in the **Federal Register** on October 24, 1997 (62 FR 55424).

The initial investigation resulted in a negative determination issued on September 4, 1997, because criteria (3) and (4) of paragraph (a)(1) of Section 250 of the Trade Act of 1974, as amended, were not met. There was no shift of production from the Berwick, Pennsylvania plant to Canada or Mexico, nor did Dana Corporation, or its major declining customers, increase import purchases of leaf springs.

On reconsideration, the Department conducted further survey analysis of major customers of Dana Corporation, Spicer Trailer Products. The survey revealed that a former major customer reduced purchases of leaf springs from the Berwick plant and increased purchases from a firm which increased its imports from Mexico and Canada of leaf springs similar to the articles produced at the Berwick plant.

Conclusion

After careful review of the additional facts obtained on reconsideration, I conclude that increased imports of articles from Mexico and Canada like or directly competitive with leaf springs, contributed importantly to the declines in sales or production and to the total or partial separation of workers of Dana Corporation, Spicer Trailer Products. In accordance with the provisions of the Act, I make the following certification:

All workers of Dana Corporation, Spicer Trailer Products, Berwick, Pennsylvania who became totally or partially separated from employment on or after August 7, 1996 are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974.

Signed in Washington, DC, this 11th day of February 1998.

**Amended Certification Regarding
Eligibility To Apply for NAFTA-
Transitional Adjustment Assistance**

In accordance with Section 250(A), Subchapter D, Chapter 2, Title II, of the Trade Act of 1974 (19 U.S.C. 2273), the Department of Labor issued a Certification for NAFTA Transitional Adjustment Assistance on April 17, 1996, applicable to all workers of Hasbro Manufacturing Services, El Paso, Texas. The notice was published in the **Federal Register** on May 16, 1996 (61 24815).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. New information provided by the State shows that some workers separated from employment at Hasbro Manufacturing Services had their wages reported under a separate unemployment insurance (UI) tax account at Kelly Services. Workers from Kelly Services, Incorporated

produced toys at the El Paso, Texas location of Hasbro Manufacturing.

Based on these findings, the Department is amending the certification to include workers from Kelly Services, Incorporated, El Paso, Texas who were engaged in the production of toys at Hasbro Manufacturing Services, El Paso, Texas.

The intent of the Department's certification is to include all workers of Hasbro Manufacturing Services adversely affected by imports.

The amended notice applicable to TA-W-31,969 is hereby issued as follows:

All workers of Hasbro Manufacturing Services, El Paso, Texas and workers of Kelly Services, Incorporated, El Paso, Texas engaged in employment related to the production of toys for Hasbro Manufacturing Services, El Paso, Texas who became totally or partially separated from employment on or after March 16, 1996, through April 17, 1998 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington, D.C. this 11th day of February 1998.
