

**ACTION:** Notice of deletion of two systems of records.

**SUMMARY:** Pursuant to the provisions of the Privacy Act of 1974, as amended (5 U.S.C. 552a), notice is hereby given that the Department of the Interior is deleting two systems of records managed by the Office of Surface Mining (OSM). The system of records entitled "Net Worth Determination File—Interior/OSMRE-10" and the system of records entitled "Collection Management Information System (CMIS)—Interior/OSMRE-11" both have been re-examined and determined not to be subject to the Privacy Act.

**DATES:** These actions will be effective April 7, 1999.

**FOR FURTHER INFORMATION CONTACT:**

Mark H. White, Team Leader, Fee Accounting and Collections Team, Office of Surface Mining, at (303) 236-0330 X242.

**SUPPLEMENTARY INFORMATION:** Earlier Privacy Act Compilations list the system of records with the prefix of "OSMRE" (e.g., OSMRE-10 and OSMRE-11) when originally published in the **Federal Register**. The prefix was later changed to "OSM" in subsequent records systems for convenience; the content of the systems of records was the same. The two system of records notices being deleted and the reasons for deletion are listed below.

1. Interior, OSM-10, "Net Worth Determination File," previously published in the **Federal Register** on February 14, 1991 (56 FR 6032). A Privacy Act review of OSM-10 has recently been completed by OSM. An opinion issued on August 30, 1988 by the General Counsel, Office of Management and Budget (OMB) affirmed OMB's 1975 guidelines, which interpreted the statutory term "individual" to exclude natural persons acting in an entrepreneurial capacity from coverage of the Privacy Act. A review of the Net Worth Determination File indicated that the records solely contain information about persons acting in an entrepreneurial capacity. Therefore, the system is not subject to the Privacy Act and the notice is being deleted from the Department's compilation of Privacy Act systems of records notices.

2. Interior, OSM-11, "Collection Management Information System (CMIS)," previously published in the **Federal Register** on July 11, 1989 (54 FR 29108). A Privacy Act review of OSM-11 has also been completed by OSM. An opinion issued on August 30, 1988 by the General Counsel, Office of Management and Budget (OMB)

affirmed OMB's 1975 guidelines, which interpreted the statutory term "individual" to exclude natural persons acting in an entrepreneurial capacity from coverage of the Privacy Act. A review of CMIS indicated that the records solely contain information about persons acting in an entrepreneurial capacity. Therefore, the system is not subject to the Privacy Act and the notice is being deleted from the Department's compilation of Privacy Act systems of records notices.

## INTERNATIONAL TRADE COMMISSION

### Investigation No. 731-TA-130 (Review)

#### Chloropicrin from China

##### Determination

On the basis of the record<sup>1</sup> developed in the subject five-year review, the United States International Trade Commission determines, pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. 1675(c)) (the Act), that revocation of the antidumping duty order on chloropicrin from China would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.

##### Background

The Commission instituted this review on November 2, 1998 (63 F.R. 58761), and determined on February 4, 1999, that it would conduct an expedited review (64 F.R. 9173, Feb. 24, 1999).

The Commission is scheduled to transmit its determination in this investigation to the Secretary of Commerce on April 1, 1999. The views of the Commission will be contained in USITC Publication 3175 (April 1999), entitled Chloropicrin from China: Investigation No. 731-TA-130 (Review).

Issued: March 26, 1999.

By order of the Commission.

## INTERNATIONAL TRADE COMMISSION

### [Investigation No. 731-TA-814 (Preliminary)]

#### Creatine Monohydrate From the People's Republic of China

##### Determination

On the basis of the record<sup>1</sup> developed in the subject investigation, the United States International Trade Commission determines, pursuant to section 733(a) of the Tariff Act of 1930 (19 U.S.C. § 1673b(a)), that there is a reasonable indication that an industry in the United States is materially injured by reason of imports from the People's Republic of China of creatine monohydrate, provided for in subheading 2925.20.90 of the Harmonized Tariff Schedule of the United States, that are alleged to be sold in the United States at less than fair value (LTFV).

##### Commencement of Final Phase of Investigation

Pursuant to section 207.18 of the Commission's rules, the Commission also gives notice of the commencement of the final phase of its investigation. The Commission will issue a final phase notice of scheduling which will be published in the **Federal Register** as provided in section 207.21 of the Commission's rules upon notice from the Department of Commerce (Commerce) of an affirmative preliminary determination in the investigation under section 733(b) of the Act, or, if the preliminary determination is negative, upon notice of an affirmative final determination in that investigation under section 735(a) of the Act. Parties that filed entries of appearance in the preliminary phase of the investigation need not enter a separate appearance for the final phase of the investigation. Industrial users, and, if the merchandise under investigation is sold at the retail level, representative consumer organizations have the right to appear as parties in Commission antidumping and countervailing duty investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigation.

##### Background

On February 12, 1999, a petition was filed with the Commission and the Department of Commerce by Pfanstiehl Laboratories, Inc., Waukegan, IL,

<sup>1</sup>The record is defined in sec. 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR § 207.2(f)).

alleging that an industry in the United States is materially injured and is threatened with material injury by reason of LTFV imports of creatine monohydrate from the People's Republic of China. Accordingly, effective February 12, 1999, the Commission instituted antidumping investigation No. 731-TA-814 (Preliminary).

Notice of the institution of the Commission's investigation and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of February 22, 1999 (64 FR 8629). The conference was held in Washington, DC, on March 8, 1999, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determination in this investigation to the Secretary of Commerce on April 5, 1999. The views of the Commission will be contained in USITC Publication 3177 (April 1999), entitled *Creatine Monohydrate from the People's Republic of China: Investigation No. 731-TA-814 (Preliminary)*.

Issued: March 30, 1999.

By order of the Commission.
