#### Black Marlin Pipeline Company; Notice of Compliance Filing

January 12, 1999.

Take notice that on January 6, 1999, Black Marlin Pipeline Company (Black Marlin) tendered for filing as part of its FERC Gas Tariff, First Revised Volume No. 1 the following tariff sheets, with an effective date on November 2, 1998:

Second Substitute Fourth Revised Sheet No. 201A

Substitute Original Sheet No. 211D

Original Sheet No. 211E

Black Marlin states that on October 1, 1998, in Docket No. RP99-15-000 tariff changes were filed (October 1 Filing) to implement the provisions of Order Nos. 587-G and 587-H regarding the intraday nomination and scheduling procedures and timeline promulgated by the Gas Industry Standards Board (GISB), including the regulations adopted by the Commission regarding the bumping of scheduled interruptible service by firm shippers. On October 30, 1998 the Commission issued a Letter Order (October 30 Order) accepting the tariff sheets subject to Black Marlin filing, within 15 days of the date of the order, revisions consistent with certain conditions discussed in the October 30 Order. On November 12, 1998 Black Marlin filed revised tariff sheets (November 12 Filing) to comply with the October 30 Order.

Black Marlin further states that parts (i) through (iii) of GISB Standard 1.3.22 were included verbatim on Sheet No. 211D and part (iv) incorporated by reference on Sheet 201A in the October 1 Filing. The October 30 Order stated that Black Marlin must either include the entire standard verbatim or incorporate the entire standard by reference. Black Marlin filed a revision to include the entire standard by reference on Sheet No. 201A in the November 12 Filing but did not remove the verbatim language from Sheet No. 211D. On December 22, 1998 the Commission issued a Letter Order (December 22 Order) accepting the revised tariff sheet submitted with the

November 12 Filing, but reiterated that the October 30 Order required Black Marlin to either include the entire GISB Standard 1.3.22 verbatim or by reference, but not both. The December 22 Order directed Black Marlin to make another compliance filing within 15 days.

Black Marlin states that it has elected in the instant filing to include the entire standard verbatim on Sheet Nos. 211D and 211E and to eliminate the incorporation by reference on Sheet No. 201A consistent with the October 30 Order.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
