

DEPARTMENT OF COMMERCE**Foreign-Trade Zones Board**

[Docket 9-99]

**Proposed Foreign-Trade Zone—
Berkeley County, West Virginia;
Application and Public Hearing**

An application has been submitted to the Foreign-Trade Zones (FTZ) Board (the Board) by the West Virginia Economic Development Authority (a West Virginia public corporation and grantee of FTZ 229 in Charleston, West Virginia), to establish a general-purpose foreign-trade zone in the Martinsburg (Berkeley County), West Virginia, area, adjacent to the Front Royal, Virginia, Customs port of entry. The application was submitted pursuant to the provisions of the FTZ Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR Part 400). It was formally filed on February 19, 1999. The applicant is authorized to make the proposal under West Virginia Code § 31-15-6.

The proposed zone would be the second general-purpose zone in the Front Royal Customs port of entry area. The existing zone is FTZ 185 at sites in Culpeper County, Virginia (Grantee: Culpeper County Chamber of Commerce, Inc., Board Order 578, 57 FR 23385, 6/3/92).

The proposed new zone would be located at the Eastern West Virginia Regional Airport complex (317 acres) near Martinsburg, Berkeley County, West Virginia. The site includes the "John D. Rockefeller, IV" Science and Technology Center business/industrial park. It is owned by the Eastern West Virginia Regional Airport Authority and will be operated by the grantee.

The application indicates a need for foreign-trade zone services in the Martinsburg area to serve the auto parts, aeronautics, medical products, inorganic chemicals, machinery and wood products industries. Several firms have indicated an interest in using zone procedures for warehousing/distribution activities. Specific manufacturing approvals are not being sought at this time. Requests would be made to the Board on a case-by-case basis.

In accordance with the Board's regulations, a member of the FTZ Staff has been designated examiner to investigate the application and report to the Board.

As part of the investigation, the Commerce examiner will hold a public hearing on March 24, 1999, 11:00 a.m., City Council Chamber, 2nd Floor, Martinsburg City Hall, 243 North Queen

Street, Martinsburg, West Virginia 25401.

Public comment on the application is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is April 27, 1999. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period (to May 12, 1999).

A copy of the application and accompanying exhibits will be available during this time for public inspection at the following locations:

Office of the Executive Director, Region IX Planning and Development Council, 121 West King Street, Martinsburg, WV 25401

DEPARTMENT OF COMMERCE**International Trade Administration****October 1998 Sunset Reviews:
Corrected Final Results and
Revocations**

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Correction to Final Results and Revocations of October 1998 Sunset Reviews: Color Television Receivers from Korea (A-580-008) and Color Television Receivers from Taiwan (A-583-009).

SUMMARY: On November 23, 1998, the Department of Commerce ("the Department") published in the **Federal Register** (63 FR 64677) the final results and revocations of October 1998 sunset reviews. Subsequent to the publication of the final results, we identified an inadvertent error in the case numbering for two of the orders listed. Therefore, we are correcting the case numbers. The correct case number for color television receivers from Korea should be A-580-008, not A-580-088. The correct case number for color television receivers from Taiwan should be A-583-009, not A-580-099.

DEPARTMENT OF COMMERCE**International Trade Administration****December 1998 Sunset Reviews: Final
Results and Revocations**

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Final Results of Sunset Reviews, Revocation of Antidumping and Countervailing Duty Orders, and Termination of Suspended Countervailing Duty Investigations: Calcium Hypochlorite from Japan (A-588-401), Raspberries from Canada (A-122-401), Castor Oil from Brazil (C-351-029), Frozen Concentrated Orange Juice from Brazil (C-351-005), Textiles and Textile Products from Colombia (C-301-401), and Certain Textile Mill Products from Thailand (C-549-401).

SUMMARY: On December 2, 1998, the Department of Commerce ("the Department") initiated sunset reviews of the antidumping duty orders on calcium hypochlorite from Japan and raspberries from Canada, of the countervailing duty order on castor oil from Brazil, and of the suspended countervailing duty investigations on frozen concentrated orange juice from Brazil, textiles and textile products from Colombia, and certain textile mill products from Thailand. Because no domestic interested party responded to the sunset review notice of initiation by the applicable deadline, the Department is revoking these orders.

EFFECTIVE DATE: January 1, 2000.

FOR FURTHER INFORMATION CONTACT: Martha V. Douthit, Scott E. Smith, or Melissa G. Skinner, Import Administration, International Trade Administration, U.S. Department of Commerce, Pennsylvania Avenue and 14th Street, NW, Washington, DC 20230; telephone: (202) 482-3207, (202) 482-6397, or (202) 482-1560 respectively.

SUPPLEMENTARY INFORMATION:

Background

The Department issued an antidumping duty order on calcium hypochlorite from Japan (50 FR 15470, April 18, 1985) and on raspberries from Canada (50 FR 26019, June 24, 1985). The Treasury Department issued a countervailing duty order on castor oil from Brazil (41 FR 8634, March 16, 1976). In addition, the Department suspended the countervailing duty investigations on frozen concentrated orange juice from Brazil (48 FR 8839, March 2, 1983), textiles and textile products from Colombia (50 FR 9863, March 12, 1985), and certain textile mill products from Thailand (50 FR 9832, March 12, 1985). Pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act"), the Department initiated sunset reviews of these orders and suspended investigations by publishing notice of the initiation in the **Federal Register** (63 FR 66527, December 2, 1998). In addition, as a courtesy to interested parties, the Department sent letters, via certified and registered mail, to each party listed on the Department's most current service list for these proceedings to inform them of the automatic initiation of a sunset review on these orders and suspended investigations.

No domestic interested parties responded to the notice of initiation by the December 17, 1998, deadline in the sunset reviews of the antidumping duty orders on calcium hypochlorite from Japan and raspberries from Canada, and the sunset review of the countervailing duty order on castor oil from Brazil (see § 351.218(d)(1)(i) of *Procedures for Conducting Five-year ("Sunset") Reviews of Antidumping and Countervailing Duty Orders*, 63 FR 13520 (March 20, 1998) ("*Sunset Regulations*"). In the sunset reviews of the suspended countervailing duty investigations on frozen concentrated orange juice from Brazil, textiles and textile products from Colombia, and certain textile mill products from Thailand, we received notices of intent to participate by the December 17, 1998, deadline; however, these parties did not file a substantive response to the notice of initiation by the January 4, 1999, deadline (see section 351.218(d)(3)(i) of the *Sunset Regulations*).

Determination to Revoke

Pursuant to section 751(c)(3)(A) of the Act and §§ 351.218(d)(1)(iii)(B)(3) and 351.218(e)(1)(i)(C)(3) of the *Sunset Regulations*, if no interested party responds to the notice of initiation, the Department shall issue a final

determination, within 90 days after the initiation of the review, revoking the finding or order or terminating the suspended investigation. Because no domestic interested party responded to the notice of initiation by the applicable deadlines, December 17, 1998, and January 4, 1999, either by filing a Notice of Intent to Participate or by filing a substantive response after filing a Notice of Intent to Participate (see §§ 351.218(d)(1)(i) and 351.218(d)(3)(i) of the *Sunset Regulations*), we are revoking these antidumping and countervailing duty orders and terminating the suspended countervailing duty investigations.

Effective Date of Revocation and Termination

Pursuant to section 751(c)(6)(A)(iv) of the Act, the Department will instruct the United States Customs Service to terminate the suspension of liquidation of the merchandise subject to these orders entered, or withdrawn from warehouse, on or after January 1, 2000. Entries of subject merchandise prior to the effective date of revocation will continue to be subject to suspension of liquidation and duty deposit requirements. The suspension agreements on frozen concentrated orange juice from Brazil, textiles and textile products from Colombia, and certain textile mill products from Thailand will remain in effect until January 1, 2000. The Department will complete any pending administrative reviews of these orders and suspension agreements and will conduct administrative reviews of all subject merchandise entered prior to the effective date of revocation in response to appropriately filed requests for review.

Dated: February 22, 1999.

Richard W. Moreland,

Acting Assistant Secretary for Import Administration.

The Applicable Statute

Unless otherwise indicated, all citations to the Tariff Act of 1930 (the Act), as amended, are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act (URAA). In addition, all citations to the Department's regulations are to the regulations at 19 CFR Part 351 (1998).

Postponement of Final Determinations and Extension of Provisional Measures

Pursuant to Section 735(a)(2) of the Act, on February 2, 1999, Companhia Siderurgica Nacional (CSN), Usinas Siderurgicas de Minas Gerais, S.A., (USIMINAS), and Companhia Siderurgica Paulista (COSIPA) requested that, in the event of affirmative preliminary determination, the Department postpone the final determination in this case the full sixty days permitted by statute (19 U.S.C. 1673d(a)(2)). On February 4, 1999, CSN, USIMINAS, and COSIPA also requested an extension of the provisional measures (i.e., suspension of liquidation) period from four to six months in accordance with the Department's regulations (19 CFR 351.201(e)(2)). On February 12, 1999, the affirmative preliminary determination was signed. Therefore, in accordance with 19 CFR 351.210(e)(2)(ii), because our preliminary determination is affirmative, and respondents requesting a postponement represent a significant proportion of exports of the subject merchandise from Brazil, we are postponing this final determination. However, because we have determined that an additional 30 days should be sufficient to resolve the issues in this case, we are extending the deadline for the final determination until no later
