

DEPARTMENT OF JUSTICE**Immigration and Naturalization Service****Agency Information Collection
Activities: Comment Request**

ACTION: Notice of information collection under review; report of complaint.

The Department of Justice, Immigration and Naturalization Service has submitted the following information collection request for review and clearance in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from public and affected agencies. Comments are encouraged and will be accepted for "sixty days" until May 16, 2000.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agencies estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information collection:

(1) *Type of Information Collection:* Extension of a currently approved collection.

(2) *Title of the Form/Collection:* Report of Complaint.

(3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* Form I-847. Border Patrol Division, Immigration and Naturalization.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: Individuals or Households. This form is used to establish a record of complaint and to initiate an investigation of misconduct by an officer of the INS.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* 250 responses at 15 minutes (.25 hours) per response.

(6) *An estimate of the total public burden (in hours) associated with the collection:* 63 annual burden hours.

If you have additional comments, suggestions, or need a copy of the proposed information collection instrument with instructions, or additional information, please contact Richard A. Sloan 202-514-3291, Director, Policy Directives and Instructions Branch, Immigration and Naturalization Service, U.S. Department of Justice, Room 5307, 425 I Street, NW., Washington, DC 20536. Additionally, comments and/or suggestions regarding the item(s) contained in this notice, especially regarding the estimated public burden and associated response time may also be directed to Mr. Richard A. Sloan.

If additional information is required contact: Mr. Robert B. Briggs, Clearance Officer, United States Department of Justice, Information Management and Security Staff, Justice Management Division, Suite 850, Washington Center, 1001 G Street, NW., Washington, DC 20530.

Dated: March 13, 2000.

Richard A. Sloan,

Department Clearance Officer, United States Department of Justice, Immigration and Naturalization Service.

DEPARTMENT OF LABOR**Employment and Training
Administration****Notice of Determinations Regarding
Eligibility To Apply for Worker
Adjustment Assistance and NAFTA
Transitional Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974, as amended, the Department of Labor herein presents summaries of determinations regarding eligibility to apply for trade adjustment assistance for workers (TA-W) issued during the period of February and March, 2000.

In order for an affirmative determination to be made and a certification of eligibility to apply for worker adjustment assistance to be issued, each of the group eligibility requirements of Section 222 of the Act must be met.

(1) That a significant number of proportion of the workers in the workers' firm, or an appropriate subdivision thereof, have become totally or partially separated,

(2) That sales or production, or both, of the firm or subdivision have decreased absolutely, and

(3) That increases of imports of articles like or directly competitive with articles produced by the firm or appropriate subdivision have contributed importantly to the separations, or threat thereof, and to the absolute decline in sales or production.

**Negative Determinations for Worker
Adjustment Assistance**

In each of the following cases the investigation revealed that criterion (3) has not been met. A survey of customers indicated that increased imports did not contribute importantly to worker separations at the firm.

Increased imports did not contribute importantly to worker separations at the firm.

TA-W-37,291; IMC Kalium, Carlsbad, NM
 TA-W- Kemmer Prazision, Janesville, WI

The investigation revealed that criteria (2) and criteria (3) have not been met. Sales or production did not decline during the relevant period as required for certification. Increases of imports of articles like or directly competitive with articles produced by the firm or an appropriate subdivision have not contributed importantly to the separations or threat thereof, and the absolute decline in sales or production.

Also, pursuant to Title V of the North American Free Trade Agreement Implementation Act (Pub. L. 103-182) concerning transitional adjustment assistance hereinafter called (NAFTA-TAA) and in accordance with Section 250(a), Subchapter D, Chapter 2, Title II, of the Trade Act as amended, the Department of Labor presents summaries of determinations regarding eligibility to apply for NAFTA-TAA

issued during the month of February and March, 2000.

In order for an affirmative determination to be made and a certification of eligibility to apply for NAFTA-TAA the following group eligibility requirements of Section 250 of the Trade Act must be met:

(1) That a significant number or proportion of the workers in the workers' firm, or an appropriate subdivision thereof, (including workers in any agricultural firm or appropriate subdivision thereof) have become totally or partially separated from employment and either—

(2) That sales or production, or both, of such firm or subdivision have decreased absolutely,

(3) That imports from Mexico or Canada of articles like or directly competitive with articles produced by such firm or subdivision have increased, and that the increases in imports contributed importantly to such workers' separations or threat of separation and to the decline in sales or production of such firm or subdivision; or

(4) That there has been a shift in production by such workers' firm or subdivision to Mexico or Canada of articles like or directly competitive with articles which are produced by the firm or subdivision.

Negative Determinations NAFTA-TAA

In each of the following cases the investigation revealed that criteria (3) and (4) were not met. Imports from Canada or Mexico did not contribute importantly to workers' separations. There was no shift in production from the subject firm to Canada or Mexico during the relevant period.

DEPARTMENT OF LABOR

Employment and Training Administration

Proposed Collection; Comment Request

ACTION: Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden conducts a pre-clearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995

(PRA95) (44 U.S.C. 3506(c)(2)(A)). This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the Employment and Training Administration (ETA) is soliciting comments concerning the proposed two year extension of the Employment Service Complaint Referral Record, ETA-8429 and the Services to Migrant and Seasonal Farm Workers Report, ETA-5148 from the current end date of September 30, 2000 to a new end date of September 30, 2002.

A copy of the previously approved information collection request (ICR) can be obtained by contacting the office listed below in the **ADDRESSES** section of this notice.

DATES: Written comments must be submitted to the office listed in the **ADDRESSES** section below on or before May 16, 2000.

ADDRESSES: Eric Johnson, Office of Workforce Security, Office of Career Transition Assistance, 200 Constitution Avenue NW., Room S-4321, Washington, DC 20210, (202-219-0316—not a toll free number) and internet address: ejohnson@doleta.gov and/or Fax: (202-219-8506).

SUPPLEMENTARY INFORMATION:

I. Background.

As part of the settlement in the case of NAACP v. Secretary of Labor (Civil Action No. 2010-72, U.S.D.C.), the U.S. Department of Labor (DOL) negotiated with the plaintiffs a series of regulations published June 10, 1980. Employment and Training Administration (ETA) regulations at 20 CFR 651, 653 and 658 under the Wagner-Peyser Act, as amended by the Workforce Investment Act of 1998, set forth the role and responsibilities of the United States Employment Service (USES) and the State Employment Security Agencies (SESAs) regarding compliance of said regulations.

In compliance with 20 CFR 653.109, DOL establishing record keeping requirements to allow for the efficient and effective monitoring of SESAs regulatory compliance.

The ETA Form 8429, Employment Service Complaint Referral Record, is used to collect and document all individual complaints filed under the Employment Service complaint system.

The ETA Form 5148, Services to Migrant and Seasonal Farm Workers Report, is used to collect data which are

primarily used to monitor and to measure the extent and effectiveness of Employment Service (ES) services to migrant and seasonal farm workers as a high priority target group for ES services.

II. Review Focus

The Department of Labor is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. Current Actions

This is a request for OMB approval under the Paperwork Reduction Act of 1995 (PRA95) (44 U.S.C. 3506(c)(2)(A) to extend collection of the Employment Service Complaint Referral Record, ETA-8429 and the Services to Migrant and Seasonal Farm Workers Report, ETA-5148 from a current end date of September 30, 2000 to a new end date of September 30, 2002.

Type of Review: Extension without charge.

Agency: Employment and Training Administration.

Title: Employment Service Complaint Referral Record, ETA-8429, Services to Migrant and Seasonal Farm Workers Report, ETA-5148.

OMB Number: 1205-0039.
