The DOE also will present updates on geochemistry and on other scientific studies, including chlorine-36 investigations. In addition, the Board will hear from representatives of Nye County, Nevada, on recent scientific activities. The DOE

is evaluating the Yucca Mountain site, about 100 miles northwest of Las Vegas, to determine its suitability as the location of a repository for the permanent disposal of spent nuclear fuel and high-level radioactive waste.

The meeting will be held at the Bob Ruud Community Center, 150 North Highway 160, Pahump, Nevada 89048. The pay-phone number for the community center is (775) 727-9991. The meeting will begin at 8:30 am.

The general overview will be followed by more-extensive presentations on the subsurface and engineered barrier system designs currently being considered by the DOE for a potential Yucca Mountain repository. Later in the day, the DOE will update the Board on the status of geochemical studies being conducted in connection with the characterization of the Yucca Mountain site.

Representatives of Nye County, Nevada, also have been invited to comment and update the Board on their recent scientific activities, including the drilling program being conducted at the site under the auspices of the county.

The meeting will be open to the public. Time for public comment will be set aside before the lunch break and at the end of the session. Those wanting to speak are encouraged to sign the "Public Comment Register" at the check-in table. Depending on the number of requests, a time limit may be set on oral statements; written comments may be submitted for inclusion in the record of the meeting. SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available
 From: Securities and Exchange
 Commission, Office of Filings and
 Information Services, Washington, DC
 20549.

Extension:
 Form N–4, SEC File No. 270–282, OMB
 Control No. 3235–0318

Notice is hereby given that, pursuant
 to the Paperwork Reduction Act of 1995 (44
 U.S.C. 3501 *et seq.*), the Securities and
 Exchange Commission (“Commission”) has
 submitted to the Office of Management and
 Budget a request for extension of the
 previously approved collection of information
 discussed below.

Description of Form N–4, Its Purpose and the Industry Entities Affected

There are two separate statutes which
 require investment companies to file
 registration statements with the
 Commission if they are offering their
 securities to the public. Each must
 register as an investment company
 under the Investment Company Act of
 1940 (“1940 Act”), and must register the
 securities it will offer under the
 Securities Act of 1933 (“1933 Act”).
 Form N–4 is part of the integrated
 registration and reporting system by
 which registrants satisfy the registration
 requirements of both the 1940 Act and
 the 1933 Act by filing a single
 registration statement. Form N–4 is the
 required form that insurance company
 separate accounts organized as unit
 investment trust (“IC UIT separate
 accounts”) must if they offer variable
 annuity contracts.

The Form N–4's purpose is to provide
 investors with material information
 concerning securities offered for public
 sale. The first part includes a simplified
 prospectus that satisfies the prospectus
 delivery requirements of the 1933 Act.

The second part is a Statement of
 Additional Information available free of
 charge to prospective investors upon
 request. A third part of the registration
 statement includes all of the other
 mandatory information that is not
 specifically required to be in the
 prospectus or the Statement of
 Additional Information.

As a regulatory matter, the Form N–
 4 satisfies the disclosure requirements
 of the 1933 Act. Form N–4 also satisfies
 the 1940 requirement that investment
 companies file a registration statement
 with the Commission pursuant to
 Section 8(b).

It is estimated that, currently, there
 are 615 IC UIT separate accounts
 required to file initial and post effective
 registration statements on an annual and
 as required basis using Form N–4. The
 burden from Form N–4 requires
 approximately 219.8 hours per post
 effective amendment and 298 hours for
 each initial registration. The total
 burden hours for Form N–4 is estimated
 at 284,379.20 in the aggregate. The
 estimates of average burden hours are
 made solely for the purposes of the
 Paperwork Reduction Act and are not
 derived from a comprehensive or even
 representative survey or study of the
 costs of Commission rules and forms.

The collection of information based
 on registration using the Form N–4 is
 mandatory. The information provided
 by Form N–4 is not keep confidential.
 The Commission may not conduct or
 sponsor, and a person is not required to
 respond to a collection of information
 unless it displays a currently valid OMB
 control number.

General comments regarding the
 above information should be directed to
 the following persons; (i) Desk Officer
 for the Securities and Exchange
 Commission, Office of Information and
 Regulatory Affairs, Office of
 Management and Budget, Room 3208,
 New Executive Office Building
 Washington, DC 20503; and (ii) Michael
 E. Bartell, Associate Executive Director,
 Office of Information Technology,
 Securities and Exchange Commission,
 450 Fifth Street, NW, Washington, DC
 20549. Comments must be submitted to
 OMB within 30 days of this notice.

Dated: March 13, 2000.

Margaret H. McFarland,
Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available

 Form N–54A, SEC File No. 270–182, OMB
 Control No. 3235–0237
 Form N–54C, SEC File No. 270–184, OMB
 Control No. 3235–0236
 Form N–6F, SEC File No. 270–185, OMB
 Control No. 3235–0238

Notice is hereby given that, pursuant
 to the Paperwork Reduction Act of 1995
 [44 U.S.C. 3501 *et seq.*] (the “Act”), the
 Securities and Exchange Commission
 (“Commission”) has submitted to the
 Office of Management and Budget
 (“OMB”) a request for extension of the
 previously approved collections of
 information discussed below.

Form N–54A Under the Investment Company Act of 1940; Notification of Election to be Subject to Sections 55 Through 65 of the Investment Company Act of 1940 Filed Pursuant to Section 54(a) of the Act

Form N–54A [17 CFR § 274.53] is the
 notification of election to the
 Commission to be regulated as a
 business development company. A
 company making such an election only
 has to file a Form N–54A once.

It is estimated that approximately 3
 respondents per year file with the
 Commission a Form N–54A. Form N–
 54A requires approximately 0.5 burden
 hours per response resulting from
 creating and filing the information
 required by the form. The total burden
 hours for Form N–54A would be 1.5
 hours per year in the aggregate. The
 estimated annual burden of 1.5 hours
 represents a decrease of 0.5 hours over
 the prior estimate of 2 hours. The
 decrease in burden hours is attributable
 to a decrease in the number of
 respondents from 4 to 3.

Form N–54C Under the Investment Company Act of 1940, Notification of Withdrawal of Election to be Subject to Sections 55 through 65 of the Investment Company Act of 1940 Filed Pursuant to Section 54(c) of the Investment Company Act of 1940

Form N–54C [17 CFR § 274.54] is a
 notification to the Commission that a
 company withdraws its election to be
 regulated as a business development
 company. Such a company only has to
 file a Form N–54C once.
