

state parity law in the nation, this survey will provide SAMHSA its first opportunity to understand: (1) Employer knowledge of and satisfaction with parity; (2) estimated effects of parity on employer health care costs; (3) effects of parity on employer health insurance purchasing decisions, such as decisions to self-insure, drop coverage, change insurance carriers, shift a higher share of costs to employees, or carve-out benefits and/or shift to managed care; (4) other changes brought about by parity, such as establishment of

employee assistance plans or wellness programs; and (5) suggestions for improving the parity law in the future.

Data will be collected between May and September 2000, a period when employers typically re-evaluate their health insurance coverage decisions for the upcoming fiscal year. Upon completion of the data collection, descriptive and multivariate analyses of employer responses to and satisfaction with parity will be conducted. Responses will be analyzed by employer characteristics such as firm size,

location, and type of industry. SAMHSA will use the survey results and survey data to advise governmental bodies such as the National Advisory Mental Health Council (NAMHC), which was charged by the Senate Appropriations Committee in 1996 to provide periodic reports on parity coverage in mental health services "as more data throughout the country become available".

The table below shows the total burden for this one-year study.

Type of interview	Number of respondents	Responses/Respondent	Burden/response (hrs.)	Total burden hours
Eligible businesses (screened and interviewed) ¹	600	1	.33	200
Ineligible businesses (screened only) ²	188	1	.17	32
Total	788			232

¹ Eligible businesses consist of businesses offering insurance to their employees at the time of the survey and newly uninsured businesses that stopped offering insurance to their employees after January 1, 1998 when the parity law went into effect.

² Ineligible businesses consist of businesses that have not offered insurance at any time since January 1, 1998.

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-4557-N-02]

Federal Property Suitable as Facilities to Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

FOR FURTHER INFORMATION CONTACT: Clifford Taffet, room 7266, Department of Housing and Urban Development, 451 Seventh Street SW, Washington, DC 20410; telephone (202) 708-1234; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 1-800-927-7588.

SUPPLEMENTARY INFORMATION:

In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1998 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) Its intention to declare the property excess to the agency's needs, or (3) A statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Homeless assistance providers interested in any

such property should send a written expression of interest to HHS, addressed to Brian Rooney, Division of Property Management, Program Support Center, HHS, room 5B-41, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-

800-927-7588 for detailed instructions or write a letter to Clifford Taffet at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: GSA: Mr. Brian K. Polly, Assistant Commissioner, General Services Administration, Office of Property Disposal, 18th and F Streets, NW, Washington, DC 20405; (202) 501-0052; NAVY: Mr. Charles C. Cocks, Department of the Navy, Director, Real Estate Policy Division, Naval Facilities Engineering Command, Washington Navy Yard, 1322 Patterson Ave., SE, Suite 1000, Washington, DC 20374-5065; (202) 685-9200; (These are not toll-free numbers).

Dated: January 7, 2000.

Emergency Exemption: Issuance

On January 6, 2000, the U.S. Fish and Wildlife Service (Service) issued a permit (PRT-021542) to the Service, Division of Law Enforcement, Arlington, Virginia to re-export a 6 month old chimpanzee (*Pan troglodytes*). The 30-day public comment period required by section 10(c) of the Endangered Species Act was waived. The Service determined that an emergency affecting the health and life of the chimpanzee existed and that no reasonable alternative was available to the applicant, for the following reasons: (1) the animal had been recently removed from the wild; (2) the possible rehabilitation of the animal would be facilitated by a speedy return to Africa; (3) the River Gambia National Park Chimpanzee Rehabilitation Project in The Gambia would be able to take this animal and has a nursing female which recently lost an offspring; (4) an individual willing to transport the young chimpanzee was available on short notice.

Dated: January 10, 2000.
