Yadkin, Inc., Notice of Availability of Draft Environmental Assessment

February 1, 2000.

A draft environmental assessment (DEA) is available for public review. The DEA analyzes the environmental impacts of a Shoreline Management

Plan (SMP) filed for the Yadkin Hydroelectric Project located on the Yadkin-Pee Dee River in Montgomery, Stanly, Davidson and Rowan Counties, North Carolina. The Yadkin Project contains the following reservoirs: High Rock, Tuckertown, Narrows (Badin) and Falls.

The DEA was written by staff in the Office of Hydropower Licensing, Federal Energy Regulatory Commission. Commission staff believe the SMP would not constitute a major federal action significantly affecting the quality of the human environment. Copies of the DEA can be viewed on the web at www.ferc.fed.us/online/rims.htm. Call (202) 208-222 for assistance. Copies are also available for inspection and reproduction at the Commission's Public Reference Room located at 888 First Street, NE, Room 2A, Washington, DC 20426, or by calling (202) 208-1371.

Anyone may file comments on the DEA. The public, federal and state resource agencies are encouraged to provide comments. All written comments must be filed within 60 days of the issuance date of this notice shown above. Send an original and eight copies of all comments marked with the project number P-2197-035 to: The Secretary, Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426. Oral comments on the DEA will be taken by Commission staff at a public meeting to be scheduled in the vicinity of the Yadkin Project. The exact date, time and location of the public meeting have not yet been determined. Commission staff will issue a separate notice when the exact date, time and location of the public meeting are finalized. February 1, 2000.

This constitutes notice, in accordance with 18 CFR 385.2201(h), of the receipt of exempt and prohibited off-the-record communications.

Order No. 607 (64 FR 51222, September 22, 1999) requires Commission decisional employees, who make or receive an exempt or a prohibited off-the-record communication relevant to the merits of a contested on-the-record proceeding, to deliver a copy of the communication, if written, or a summary of the substance

of any oral communication, to the Secretary.

Prohibited communications will be included in a public, non-decisional file associated with, but not part of, the decisional record of the proceeding. Unless the Commission determines that the prohibited communication and any responses thereto should become part of the decisional record, the prohibited off-the-record communication will not be considered by the Commission in reaching its decision. Parties to a proceeding may seek the opportunity to respond to any facts or contentions made in a prohibited off-the-record communication, and may request that the Commission place the prohibited communication and responses thereto in the decisional record. The Commission will grant such requests only when it determines that fairness so requires.

Exempt off-the-record communications will be included in the decisional record of the proceeding, unless the communication was with a cooperating agency as described by 40 CFR 1501.6, made under 18 CFR 385.2201(e)(1)(v).

The following is a list of exempt and prohibited off-the-record communications received in the Office of the Secretary within the preceding 14 days. The documents may be viewed on the Internet at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance).
