#### Determination

As a result of the determinations by the Department and the Commission that revocation of these antidumping duty and countervailing duty orders would likely lead to continuation or recurrence of dumping and a countervailable subsidy and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, the Department hereby orders the continuation of the antidumping duty order and countervailing duty order on new steel rail from Canada. The Department will instruct the U.S. Customs Service to continue to collect deposits at the rate in effect at the time of entry for all imports of subject merchandise.

Pursuant to section 751(c)(6)(A) of the Act, the Department intends to initiate the next five-year review of these orders not later than January 2005.
