**SUPPLEMENTARY INFORMATION:** This Notice informs the public that the Department of Housing and Urban Development (HUD) has submitted to OMB an information collection package with respect to a Notice of Funding Availability (NOFA) for the HUD Rural Housing and Economic Development program (RHED).

The Department of Veterans Affairs and Independent Agencies Appropriation Act, 2000 (Pub. L. 106-74, approved October 20, 1999) (FY 2000 HUD Appropriations Act) authorized and appropriated \$25,000,000 to develop capacity at the state and local level for developing rural housing and economic development and to support innovative housing and economic development activities in rural areas.

The funds will be available as follows: HUD will award up to \$2.75 million to build capacity at the state, tribal, and local level for rural housing and economic development. This amount will go directly to local rural non-profits, community development corporations (CDCs), and Indian tribes.

HUD will award up to \$19 million to Indian tribes, State Housing Finance Agencies (HFAs), state community and/or economic development agencies, local rural non-profits, and CDCs to support innovative housing and economic development activities in rural areas.

HUD will award up to \$3 million in seed support for Indian tribes, local rural non-profits, and CDCs that are located in areas that have limited capacity for the development of innovative rural housing and economic development activities.

In addition to these funds which will be awarded in response to the NOFA, the remaining \$0.25 million

appropriated by the FY 2000 HUD Appropriations Act will be used to maintain a clearinghouse of ideas for innovative strategies for rural housing and economic development and revitalization.

This Notice is soliciting comments from members of the public and affecting agencies concerning the proposed collection of information to: (1) Evaluate whether proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information; (3) enhance the quality, utility, and clarity of the information to be collected; and (4) minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

## DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-4557-N-07]

### Federal Property Suitable as Facilities to Assist the Homeless

**AGENCY:** Office of the Assistant Secretary for Community Planning and Development, HUD.

**ACTION:** Notice.

**SUMMARY:** This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

**FOR FURTHER INFORMATION CONTACT:** Clifford Taffet, room 7266, Department of Housing and Urban Development, 451 Seventh Street SW, Washington, DC 20410; telephone (202) 708-1234; TTY number for the hearing-and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 1-800-927-7588.

**SUPPLEMENTARY INFORMATION:** In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding

its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Brian Rooney, Division of Property Management, Program Support Center, HHS, room 5B-41, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number). HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should

call the toll free information line at 1-800-927-7855 for detailed instructions or write a letter to Clifford Taffet at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: ARMY: Mr. Jeff Holste, Military Programs, U.S. Army Corps of Engineers, Installation Support Center, Planning & Real Property Branch, ATTN: CEMP-IP, 7701 Telegraph Road, Alexandria, VA 22315-3862; (703) 428-6318; (These are not toll-free numbers).

Dated: February 10, 2000.

**SUPPLEMENTARY INFORMATION:** The U.S. Fish and Wildlife Service (Service) will submit a request to OMB to renew its approval of the collection of information for the “Declaration For Importation or Exportation of Fish or Wildlife.” The current OMB control number is 1018–0012. As part of this process, we invite comments on (1) whether the collection of information is necessary as it relates to the function of the Service, including whether the information will have practical utility; (2) the accuracy of our estimate of the burden on the public to complete the form; and (3) ways to enhance the quality and clarity of the information collection for those who are to respond, including use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology. This form will be made available in an electronic format. We are requesting a 3-year term of approval for this information collection activity.

Federal agencies may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The Endangered Species Act (16 U.S.C. 1538(e)) makes it unlawful to import or export fish, wildlife or plants without filing any declaration or report deemed necessary for enforcing the Act or upholding the Convention on International Trade in Endangered Species (CITES). The U.S. Fish and

Wildlife Service Form 3–177, “Declaration for Importation or Exportation of Fish or Wildlife,” is the documentation required of any individual importing or exporting a fish or wildlife product into or out of the United States. The information collected is unique to each wildlife shipment and enables the Service to accurately inspect the contents of the shipment, maintain records and enforce government regulations. Additionally, much of the collected information is compiled in an annual report and is forwarded to the CITES Secretariat in Geneva, Switzerland. Submission of an annual report on the number and types of imports and exports of fish and wildlife is a treaty obligation under CITES.

Service personnel use the information obtained from a 3–177 form as an enforcement tool and management aid in monitoring the international wildlife market and detecting trends and changes in the commercial trade of wildlife and plants. The Agency’s Office of Scientific Authority and the Office of Management Authority use this data to assess the needs for additional protection for indigenous species.

In addition, non-government organizations, as well as the commercial wildlife community request information that has been obtained from the 3–177 declaration form.

The 3–177 form must be filed with the Service at the time of import or export, at a port where clearance is requested. In certain instances, this form may be filed with the U.S. Customs Service.

The standard information collection includes the name of the importer/exporter and broker, the scientific and common name of the wildlife, permit numbers (if a permit is required), a description of the commodity, quantity and value, and country of origin of the wildlife. In addition, information such as the airway bill or bill of lading number, the location of the goods for inspection, and number of cartons containing wildlife assists the inspectors if a physical examination is required, and expedites the inspection and eventual clearance of the shipment.

**Title:** Declaration for Importation or Exportation of Fish or Wildlife.

**Approval Number:** 1018–0012.

**Service Form Number:** 3–177.

**Frequency of Collection:** Hourly.

**Description of Respondents:**

Businesses or individuals that import/export wildlife, scientific institutions, government agencies.

**Total Annual Burden Hours:** The reporting burden is estimated to average 14 minutes per respondent. The total annual burden hours is 19,780 hours.
