RAILROAD RETIREMENT BOARD

Proposed Collection; Comment Request

SUMMARY: In accordance with the requirement of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 which provides opportunity for public comment on new or revised data collections, the Railroad Retirement Board (RRB) will publish periodic summaries of proposed data collections.

Comments are invited on: (a) Whether the proposed information collection is necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the RRB's estimate of the burden of the collection of the information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden related to the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

Title and purpose of information collection: Supplement to Claim of Person Outside the United States; OMB 3220-0155.

Under the Social Security Amendments of 1983 (Public Law 98-21), which amends Section 202(t) of the Social Security Act, the Tier I or the O/M (overall minimum) portion of an annuity and Medicare benefits payable under the Railroad Retirement Act to certain beneficiaries living outside the U.S., may be withheld effective January 1, 1985. The benefit withholding provision of Pub. L. 98-21 applies to divorced spouses, spouses, minor or disabled children, students, and survivors of railroad employees who (1) initially became eligible for Tier I amounts, O/M shares, and Medicare benefits after December 31, 1984; (2) are not U.S. citizens or U.S. nationals; and (3) have resided outside the U.S. for more than six consecutive months starting with the annuity beginning date. The benefit withholding provision does not apply, however to a beneficiary who is exempt under either a treaty obligation of the U.S., in effect on August 1, 1956, or a totalization agreement between the U.S. and the country in which the beneficiary resides, or to an individual who is exempt under other criteria specified in Pub. L. 98-21.

RRB Form G-45, Supplement to Claim of Person Outside the United States, is currently used by RRB to determine applicability of the withholding provision of Pub. L. 98-21. Completion of the form is required to

obtain or retain a benefit. One response is requested of each respondent. The RRB proposes non-burden impacting minor editorial changes to Form G-45. The RRB estimates that 100 Form G-45's are completed annually. The completion time for Form G-45 is estimated at 10 minutes per response.

Additional Information or Comments: To request more information or to obtain a copy of the information collection justification, forms, and/or supporting material, please call the RRB Clearance Officer at (312) 751-3363. Comments regarding the information collection should be addressed to Ronald J. Hodapp, Railroad Retirement Board, 844 N. Rush Street, Chicago, Illinois 60611-2092. Written comments should be received by May 11, 2001.

Chuck Mierzwa,
Clearance Officer.
