

in a non-entitlement area does not know which agency to contact in the state government regarding the status of the extension request, they may obtain the information from the Lead Paint Compliance Assistance Center toll-free at 1-866-HUD-1012. The PHA may also obtain the name and telephone number of the state employee and office that served as the contact for the extension.

A submission will not be processed if it lacks any of the signatures and Transition Implementation Plan elements required above. The March 5, 2001 notice advised the jurisdictions that their updated Transition Implementation Plan must be postmarked no later than April 10, 2001 and must be sent to: Ms. Gail N. Ward, U.S. Department of Housing and Urban Development, Office of Healthy Homes and Lead Hazard Control, 451 Seventh St. SW., P-3206, Washington, DC 20410.

The March 5, 2001 notice advised that unless HUD received an updated Transition Implementation Plan with a postmark dated no later than April 10, 2001, HUD will conclude that the jurisdiction now has capacity to protect children in federally-assisted housing and that all programs will comply with the regulation. Additionally, the March 5, 2001 notice provided that if the updated Transition Implementation Plan includes all the elements listed in the March 5, 2001 notice the Department will conclude, after review, that compliance is not feasible for the applicable programs and/or disciplines for the time period designated in the plan, which should not extend beyond August 10, 2001. During this period, program participants must continue to comply with HUD's lead-based paint regulations that were effective before September 15, 2000.

Dated: March 20, 2001.

[Docket No. FR-4434-N-07]

### Quality Housing and Work Responsibility Act of 1998; Notice of Status of Implementation

**AGENCY:** Office of the Assistant Secretary for Public and Indian Housing, HUD.

**ACTION:** Notice.

**SUMMARY:** On October 21, 1998, the Quality Housing and Work

Responsibility Act of 1998 (the "Act") was signed into law. This notice updates the public on HUD's overall implementation of the Act and identifies where existing implementation guidance may be found with respect to the provisions regarding public housing and tenant-based assistance.

#### SUPPLEMENTARY INFORMATION:

##### I. Introduction

The Quality Housing and Work Responsibility Act of 1998 (Title V of Pub.L. 105-276, 112 Stat. 2518, approved October 21, 1998) (the "Act"), was part of the Fiscal Year 1999 HUD Appropriations Act. The Act makes extensive amendments to the United States Housing Act of 1937 (the "1937 Act"), which generally governs HUD's public housing and tenant-based Section 8 housing assistance programs. Certain provisions of the Act became effective immediately on enactment (October 21, 1998). Most provisions of the Act, however, became effective on October 1, 1999, although some provisions become effective on October 21, 1999 (one year from enactment) or on other dates specified in the Act.

On February 18, 1999 (64 FR 8192), HUD published a Notice of Initial Guidance on the Act to advise the public of those provisions that were effective immediately and of action that may or should be taken at that point. The February 18, 1999 Notice also provided guidance on certain other provisions in the Fiscal Year 1999 HUD Appropriations Act that affect the public housing and Section 8 programs. Since publication of the February 18, 1999 notice, HUD has published numerous other notices and proposed, interim, and final rules to implement the Act. On December 22, 1999 (64 FR 71799), HUD published comprehensive guidance on the status of implementation of the Act.

Since that time, HUD has published additional notices and rules to

implement the Act. This notice, published in today's **Federal Register**, updates the public on HUD's overall implementation of the Act and identifies where existing implementation guidance may be found, with respect to the provisions regarding public housing and tenant-based assistance.

#### II. Summary of Rulemakings

##### Undertaken Under the Quality Housing and Work Responsibility Act

In addition to the Notice of Initial Guidance, published on February 18, 1999, and the update to that Notice, published on April 30, 1999 (64 FR 23344), and the Status of Implementation Notice of December 22, 1999, the following rulemaking has occurred under the Act (**Federal Register** references are included in the following chart):

**Abstract:** The Outer Continental Shelf (OCS) Lands Act (43 U.S.C. 1331 *et seq.*), as amended, requires the Secretary of the Interior (Secretary) to preserve, protect, and develop sulphur resources on the OCS; make such resources available to meet the Nation's energy needs as rapidly as possible; balance orderly energy resources development with protection of the human, marine, and coastal environments; ensure the public a fair and equitable return on the resources offshore; preserve and maintain free-enterprise competition; and ensure that the extent of oil and natural gas resources of the OCS is assessed at the earliest practicable time. Section 5(a) of the OCS Lands Act requires the Secretary to prescribe rules and regulations "to provide for the prevention of waste, and conservation of the natural resources of the Outer Continental Shelf, and the protection of correlative rights therein" and to include provisions "for the prompt and efficient exploration and development of a lease area."

To carry out these responsibilities, MMS has issued regulations to ensure that operations in the OCS will meet statutory requirements; provide for safety and protect the environment; and result in diligent exploration, development, and production of OCS leases. Various sections of 30 CFR part 250, subpart K, require respondents to submit forms MMS-126 and MMS-127.

For several years, the MMS Gulf of Mexico Region (GOMR) has issued instructions to lessees and operators that when they submit these forms, they do not need to request a maximum production rate (MPR) or a maximum efficient rate (MER), nor complete data elements 110 through 114 on cumulative well production during
