DEPARTMENT OF LABOR

Employment Standards Administration

Proposed Collection; Comment Request

ACTION: Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c)(2)(A)]. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection

requirements on respondents can be properly assessed. Currently, the Employment Standards Administration is soliciting comments concerning the proposed extension collection of the following information collections: (1) Regulations 29 CFR Part 4, Labor Standards for Federal Service Contracts; (2) Employer's First Report of Injury or Occupational Disease (LS-202), Physician's Report on Impairment of Vision (LS-205), Employer's Supplementary Report of Accident or Occupational Illness (LS-210); and (3) Notice of Law Enforcement Officer's Injury or Occupational Disease (CA-721) and Notice of Law Enforcement Officer's Death (CA-722).

DATES: Written comments must be submitted to the office listed in the **ADDRESSES** section below on or before June 18, 2001.

ADDRESSES: Ms. Patricia A. Forkel, U. S. Department of Labor, 200 Constitution Ave., NW., Room S-3201, Washington, DC 20210, telephone (202) 693-0339 (this is not a toll-free number), fax (202) 693-1451.

SUPPLEMENTARY INFORMATION:

Regulations 29 CFR Part 4—Labor Standards for Federal Service Contracts

I. Background

The Service Contract Act (SCA) and Regulations 29 CFR Part 4 impose certain recordkeeping and incidental reporting requirements applicable to employers with employees performing on service contracts within the Federal government. The basic payroll recordkeeping requirements contained in this regulation (sections 4.6(g)(i) through (iv)) have been previously approved under OMB number 1215-0017, which constitutes the basic recordkeeping regulations for all laws administered by the Wage and Hour Division. This information collection request contains three requirements not cleared under the above information collection. They are: a vacation benefit seniority list, which is used by the contractor to determine vacation fringe benefit entitlements earned and accrued by service contract employees who were employed by predecessor contractors; a conformance record report, which is used by Wage and Hour to determine the appropriateness of the conformance and compliance with the SCA and its regulations; and a collective bargaining agreement, submitted by the contracting agency to Wage and Hour to be used in the issuance of wage determinations for successor contracts subject to section 2(a) and 4(c) of the SCA.

II. Review Focus

The Department of Labor is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- Enhance the quality, utility and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

Notice to Employees

Under Federal law, employees cannot be required to join a union or maintain membership in a union in order to retain their jobs. Under certain conditions, the law permits a union and an employer to enter into a union-security agreement requiring employees to pay uniform periodic dues and initiation fees. However, employees who are not union members can object to the use of their payments for certain purposes and can only be required to pay their share of union costs relating to collecting bargaining, contract administration, or grievance adjustment.
