DEPARTMENT OF THE INTERIOR**National Park Service**

Proposed World War II Memorial; Notice to the Public of the Secretary of the Interior's Response to Advisory Council on Historic Preservation Comments, and Notice of the Availability of the Record

AGENCY: National Capital Region, National Park Service, Interior.

ACTION: Notice to the public of the Secretary of the Interior's response to Advisory Council on Historic Preservation comments, and notice of the availability of the record.

SUMMARY: Pursuant to 36 CFR 800.7(c)(4)(iii) (1999), the public is notified that on September 13, 2000, the Secretary of the Interior (the Secretary) responded to the September 5, 2000, comments of the Advisory Council on Historic Preservation (Advisory Council), about the proposed World War II Memorial. The Secretary advised the Advisory Council, in accordance with 36 CFR 800.7(c)(4)(i) (1999), that its

comments have been taken into account pursuant to Section 106 of the National Historic Preservation Act and attached the detailed response of the National Park Service.

The Advisory Council is concerned primarily with two issues. First, it is concerned with the approach taken by the Department of the Interior/National Park Service (the NPS), to Section 106 and what it sees as the limited nature of public involvement in the site and design selection process. Second, the Advisory Council believes the current design does not achieve the strict standard of compatibility with the historic setting of the National Mall.

The Secretary and the NPS believe the requirements of Section 106 have been met. In February 1996, the NPS contacted the Advisory Council and the District of Columbia Historic Preservation Officer (DCHPO) about the proposed Memorial. In 1997 the NPS submitted the original design concept to the Advisory Council and DCHPO and invited the Advisory Council to consult. In 1998, the NPS began consultation with the Advisory Council on the revised design. This process continued until July 2000 and resulted in a Memorandum of Agreement between the NPS, the DCHPO, and the American Battle Monuments Commission (ABMC). The Advisory Council, however, did not sign this agreement, choosing instead to provide comments pursuant to Section 800.7 of the Advisory Council regulations (36 CFR 800.7 (1999)).

The Secretary and the NPS believe that the publication of notices about actions taken on this Memorial (and invitations for public comments) in the **Federal Register**, and numerous meetings about the Memorial to which the public was invited, provided extensive opportunities for public participation in the site and design selection process. The NPS is, however, seriously evaluating the Advisory Council's suggestion to further expand the public discussion on national memorials and expects to engage in discussions with the Advisory Council in this regard.

In its September 5, 2000, comments, the Advisory Council expressed concern with three aspects of the current design: (1) Its scale and impact on vistas, (2) the lighting plan, and (3) the proposed sculptural element.

Following initial consideration of the Advisory Council's September 5, 2000, comments and its corresponding response to the Advisory Council, the Secretary and the NPS have continued to consider the Advisory Council's comments on those occasions this Fall
