Submission for OMB Review; Comment Request

The United States Patent and Trademark Office (USPTO) has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: United States Patent and Trademark Office (USPTO).

Agency Approval Number: 0651-0040.

Type of Request: Extension of a currently approved collection.

Burden: 17,179 hours annually.

Avg. Hours Per Response: The USPTO estimates that it will take the public 45 minutes to complete a notice of opposition, 10 minutes to complete a request for an extension of time to file an opposition, and 45 minutes to complete a petition to cancel a trademark registration. This includes time to gather the necessary information, create the documents, and submit the completed requests.

Needs and Uses: Any individual or entity, believing that they are or will be damaged by the registration of a trademark or service mark, may file an opposition to the registration of a mark or a request for an extension of time to file an opposition under Section 13 of the Trademark Act, 15 U.S.C. 1063. Section 14 of the Trademark Act, 15 U.S.C. 1064, allows individuals and entities to file a petition to cancel the registration of a mark. The USPTO administers the Trademark Act

according to 37 CFR Part 2. These actions are governed by the Trademark Trial and Appeal Board (TTAB), an administrative tribunal empowered to determine the right to register and subsequently determine the validity of a trademark. If a mark is successfully opposed or canceled, registration will not take place. There are no forms associated with this collection.

Affected Public: Individuals or households; business or other for-profit; not-for-profit institutions; farms; the federal Government; and state, local or tribal Government.
