

deposit rate will be 8.10 percent, the “all-others” rate established in the LTFV investigation. These deposit requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) of the Department’s regulations to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This administrative review and this notice are in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

[I.D. 020102B]

Proposed Information Collection; Comment Request; Scientific Research, Exempted Fishing, and Exempted Activity Submissions

AGENCY: National Oceanic and Atmospheric Administration (NOAA).

ACTION: Notice.

SUMMARY: The Department of Commerce, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995, Pub. L. 104–13 (44 U.S.C. 3506 (c)(2)(A)).

DATES: Written comments must be submitted on or before April 8, 2002.

ADDRESSES: Direct all written comments to Madeleine Clayton, Departmental Paperwork Clearance Officer, Department of Commerce, Room 6086, 14th and Constitution Avenue NW, Washington DC 20230 (or via Internet at MClayton@doc.gov).

FOR FURTHER INFORMATION CONTACT: Requests for additional information or

copies of the information collection instrument(s) and instructions should be directed to William D. Chappell, Fisheries Management Specialist, at 301–713–2341 or William.Chappell@noaa.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract

Fishery regulations do not generally affect scientific research activities conducted by a scientific research vessel. Persons planning to conduct such research are encouraged to submit a research plan to ensure that the activities are considered research and not fishing. NOAA may also grant exemptions from fishery regulations for educational or other activities (e.g. testing of fishing gear). Applications for these exemptions must be submitted, and reports on activities submitted. Somewhat different requirements apply to the Atlantic Highly Migratory Species fishery, including certain arrival and offloading reports.

II. Method of Collection

Most information is submitted on forms or other written format. Some information may be phoned to NOAA.

III. Data

OMB Number: 0648–0309.

Form Number: None.

Type of Review: Regular submission.

Affected Public: Business and other for-profit; individuals or households; not-for-profit institutions; State, Local, or Tribal government.

Estimated Number of Respondents: 359.

Estimated Time Per Response: 1 hour for a scientific research plan, an exempted fishing permit request, or an exempted fishing permit report; 10 minutes for an application for an exempted fishing permit/letter of authorization for commercial fishing for Highly Migratory Species; 30 minutes for an application for an exempted fishing permit/letter of authorization for non-commercial fishing for Highly Migratory Species; 30 minutes for an annual summary of activities under an exempted fishing permit/letter of authorization for sharks; 5 minutes for an arrival report for a vessel with a swordfish exempted fishing permit/letter of authorization; 5 minutes for a report on non-commercial activities under an exempted fishing permit/letter of authorization for Highly Migratory Species; and 5 minutes for an off-loading notification for swordfish for a vessel with an exempted fishing permit/letter of authorization.

Estimated Total Annual Burden Hours: 435.

Estimated Total Annual Cost to Public: \$500.

IV. Request for Comments

Comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency’s estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Dated: January 31, 2002.

Invitational Priorities

While applicants may propose any project within the scope of 20 U.S.C. 1138(a), under 34 CFR 75.105(c)(1) the Secretary is particularly interested in applications that meet one or more of the following invitational priorities. However, an application that meets one or more of these invitational priorities does not receive competitive or absolute preference over other applications.

Invitational Priority 1

Projects to improve the quality of K-12 teaching through new models of teacher preparation and through new kinds of partnerships between schools and colleges and universities that enhance students' preparation for, access to, and success in college.

Invitational Priority 2

Projects to promote innovative reforms in the curriculum and instruction at the college preparation, undergraduate, and graduate/professional levels, especially through student-centered or technology-mediated strategies.

Invitational Priority 3

Projects designing more cost-effective ways of improving postsecondary instruction and operations, i.e., to promote more student learning relative to institutional resources expended.

Invitational Priority 4

Projects to support new ways of ensuring equal access to postsecondary education, and to improve rates of retention and program completion, especially for underrepresented students whose retention and completion rates continue to lag behind those of other groups.
