

are required to provide plans notices in the cases of divorce from the covered employee, a dependent child's ceasing to be a dependent under the terms of the plan, and disability. Most plans will require that elections of COBRA continuation coverage be made in writing. In cases where qualified beneficiaries are short by an insignificant amount in a payment made to the plan, the regulations require the plan to notify the qualified beneficiary if the plan does not wish to treat the tendered payment as full payment. If a health care provider contacts a plan to confirm coverage of a qualified beneficiary, the regulations require that the plan disclose the qualified beneficiary's complete rights to coverage.

*Current Actions:* There is no change to this existing regulation.

*Type of review:* Extension of OMB approval.

The U.S. Department of Labor, Veterans' Employment and Training Service, (VETS) announces a grant competition for Veterans' Workforce Investment Program (VWIP), Section 168, Program Year 2001—female veteran competitive grants. These grants will assist eligible female veterans who: have service-connected disabilities; served on active duty in the armed forces during a war, campaign or expedition for which a campaign badge was authorized; are recently separated veterans, and veterans with significant barriers to employment, by providing training, employment and supportive service assistance in areas of high demand, non-traditional occupations.

Under this solicitation, VETS anticipates that up to \$400,000 will be available for grant awards in Program Year (PY) 2001 and expects to award up to two grants. The VWIP programs are designed to be flexible in addressing the universal as well as local or regional problems barring veterans from the workforce. The program in PY 2001 will continue to strengthen the provision of comprehensive services through a case management approach, the attainment of supportive service resources for veterans entering the labor force, and strategies for employment and retention.

#### SUPPLEMENTARY INFORMATION:

#### Veterans' Workforce Investment Program, Section 168, Program Year 2001—Female Veterans Program Competitive Grants Solicitation

##### I. Purpose

The U.S. Department of Labor (DOL) VETS is requesting grant applications that will provide employment and training services for female veterans who meet the eligibility criteria set forth in the VWIP, section 168 of the Workforce Investment Act, Pub.L. 105-220 (WIA). These instructions contain general program information, requirements, and forms to apply for funds to operate a veterans employment and training program in areas of high demand occupations non-traditional for women. Accordingly, the Assistant Secretary for Veterans' Employment and

Training (ASVET) is making up to \$400,000 of the funds available to award grants for unique and innovative Employment and Training programs.

Programs should maximize the eligible female veterans' military skills, training, and experience by effectively exploring the transitional or transferable occupational opportunities of the geographical area in which the grant would be awarded.

## II. Background

Section 168 of the Veterans' Workforce Investment Program provides that the Secretary will conduct, directly or through grants or contracts, such employment and training programs as the Secretary deems appropriate to assist veterans who have service-connected disabilities, veterans who served on active duty in the armed forces during a war or in a campaign or expedition for which a campaign badge has been authorized, recently separated veterans, and those veterans with significant barriers to employment, to obtain gainful employment.

## III. Application Process

### A. Eligible Applicants

Applications for funds will be accepted from State and local workforce investment boards, local public agencies, and private nonprofit organizations, including faith-based and community organizations, which have familiarity with the area and populations to be served and can administer an effective program. Eligible applicants will fall into one of the following categories:

1. State and Local Workforce Investment Boards (WIBs), as defined in sections 111 and 117 of the Workforce Investment Act, are eligible applicants.

2. Local public agencies, meaning any public agency of a general purpose political subdivision of a State that has the power to levy taxes and spend funds, as well as general corporate and police powers. (This typically refers to cities and counties). A State agency may propose in its application to serve one or more of the potential jurisdictions located in its State. This does not preclude a city or county agency from submitting an application to serve its own jurisdiction. Applicants are encouraged to utilize, through subgrants, experienced public agencies, private nonprofit, private businesses and faith-based and community organizations that have an understanding of unemployment and the barriers to employment unique to veterans, a familiarity with the area to be served, and the capability to

effectively provide the necessary services.

3. Also eligible to apply are private nonprofit organizations that have operated an employment and training program for females and proven a capacity to manage grants and have or will provide the necessary linkages with other service providers. *Entities described in section 501(c)(4) of the Internal Revenue Codes that engage in lobbying activities are not eligible to receive funds under this announcement* as section 18 of the Lobbying Disclosure Act of 1995, Pub. L. No. 104-65, 109 Stat. 691, prohibits the award of Federal funds to these entities.

### B. Funding Levels

The total funds anticipated for this solicitation is \$400,000. It is anticipated that two awards will be made under this solicitation. Individual Awards will not exceed \$200,000. The Federal Government reserves the right to negotiate the amounts to be awarded under this competition. Applicant requests exceeding the \$200,000 will be considered non-responsive.

### C. Period of Performance

The VWIP funds for this competition are for a maximum period of one year. The period of performance will be for twelve months from the date of the award. VETS expects that successful applicants will commence program operations under this solicitation on or before April 1, 2002. Funds must be expended by March 31, 2003, not including the 6-month follow-up period referred to in the budget narrative. VETS has no plans to provide second year funding beyond this period.

### D. Requirements of Submission

A cover letter, an original proposal, and three (3) copies of the proposal must be submitted to the U.S. Department of Labor, Procurement Services Center, Room N-5416, 200 Constitution Avenue, NW., Washington, DC 20210. The proposal must consist of two (2) separate and distinct parts: (1) One completed, blue ink-signed original SF 424 grant application; three (3) copies of the Technical Proposal; and three (3) copies of the Cost Proposal.

### E. Acceptable Methods of Submission

The grant application package must be received at the designated place by the date and time specified or it will not be considered. Any application received at the Office of Procurement Services after 4:45 p.m. EST, March 8, 2002, will not be considered unless it is received before the award is made and:

1. It was sent by registered or certified mail no later than the fifth calendar day before March 8, 2002;

2. It is determined by the Government that the late receipt was due solely to mishandling by the Government after receipt at the U.S. Department of Labor at the address indicated; or

3. It was sent by U.S. Postal Service Express Mail Next Day Service-Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two (2) working days, excluding weekends and Federal holidays, prior to March 8, 2002.

The only acceptable evidence to establish the date of mailing of a late application sent by registered or certified mail is the U.S. Postal Service postmark on the envelope or wrapper and on the original receipt from the U.S. Postal Service. If the postmark is not legible, an application received after the above closing time and date will be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (not a postage meter machine impression) that is readily identifiable without further action as having been applied and affixed by an employee of the U.S. Postal Service on the date of mailing. Therefore, applicants should request that the postal clerk place a legible hand cancellation "bull's-eye" postmark on both the receipt and the envelope or wrapper.

The only acceptable evidence to establish the time of receipt at the U.S. Department of Labor is the date/time stamp of the Procurement Services Center on the application wrapper or other documentary evidence or receipt maintained by that office.

Applications sent by other delivery services, such as Federal Express, UPS, etc., will also be accepted; however, the applicant bears the responsibility of timely submission.

All applicants are advised that U.S. mail delivery in the Washington, DC area has been erratic due to the recent concerns involving anthrax contamination. All applicants must take this into consideration when preparing to meet the application deadline. Therefore, it is recommended that you confirm receipt of your application by contacting Cassandra Willis, U.S. Department of Labor, Procurement Services Center, telephone (202) 693-4570 (this is not a toll-free number), prior to the closing deadline.

### F. Proposal Content

The proposal will consist of two (2) separate and distinct parts:

*Part I*—The *Technical Proposal* will consist of a narrative proposal that demonstrates the applicant's knowledge

of the need for this particular grant program; an understanding of the services and activities proposed to obtain successful outcomes for the veterans served; and the capability to accomplish the expected outcomes of the proposed project design. The technical proposal will consist of a narrative not to exceed fifteen (15) pages double-spaced—font size no less than 11pt., and typewritten on one side of the paper only. The applicant must complete the forms i.e., quarterly goals chart provided or referred to in the SGA. Charts and exhibits are not counted toward the page limit.

#### G. Required Features

There are four program activities that all applications must contain to be found technically acceptable under this SGA. These activities are:

- Pre-Enrollment Assessments;
- Employment Development Plans for all clients;
- Core Training for eighty percent (80%) or more of the clients; (training does not have to be received from an eligible provider under WIA. This requirement is only for formula grants covered under WIA.)
- Job Placement and 90 and 180 day follow-up Services for all clients.

The following format is strongly recommended:

1. *Need for the project:* The applicant must identify the geographical area to be served and provide an estimate of the number of veterans and their needs, poverty and unemployment rates in the area, the gaps in the local community infrastructure that contribute to employment and other employment barriers faced by the targeted veterans and how the project would respond to these needs. Also, include the outlook for job opportunities in the service area.

2. *Approach or strategy to provide training, employment and job retention:* The applicant must be responsive to the Rating Criteria contained in Section VIII, and address all of the rating factors as thoroughly as possible in the narrative. The applicant must: (1) Provide the type(s) of training to be offered, the length of the training, the training curriculum and describe how the training will enhance the eligible veterans' employment opportunities within that geographical area; (2) describe the specific supportive services and employment and training services to be provided under this grant and the sequence or flow of such services—flow charts may be provided; (3) provide a plan for follow up to address retention after 90 and 180 days with participants who entered employment. (See

discussion on results in Section X. D., 2.); and (4) include the required chart of proposed performance goals and planned expenditures listed in Appendix D.

3. *Linkages with other providers of employment and training services to veterans:* The applicant must: describe the linkages this program will have with other providers of services to veterans outside of the grant; include a description of the relationship with other employment and training programs such as Disabled Veterans' Outreach Program (DVOP), the Local Veterans' Employment Representative (LVER) program, and programs operated under the Workforce Investment Act; and list the types of services provided by each. Note the type of agreement in place, if applicable. Linkages with the workforce development system [including State Employment Security Agencies (State Workforce Agencies'')] must be delineated. Describe any linkages with any other resources and/or other programs for veterans. Indicate how the program will be coordinated with any efforts for veterans that are conducted by agencies in the community.

4. *Proposed supportive service strategy for veterans:* Describe how supportive or ancillary service resources for veterans will be obtained and used. If resources are provided by other sources or linkages, such as Federal, State, local, or faith-based and community programs, the applicant must fully explain the use of these resources and why they are necessary.

5. *Organization's capability to provide required program activities:* The applicant's relevant current or prior experience in operating employment and training programs should be clearly described. The applicant must provide information showing outcomes of all past programs in terms of enrollments and placements. An applicant which has operated a Veterans program, JTPA IV—C program, or VWIP program, must include final or most recent technical performance reports. Because prior grant experience is not a requirement for this grant, some applicants may not have any technical reports to submit. The applicant must also provide evidence of key staff capability. Nonprofit organizations must submit evidence of satisfactory financial management capability, which must include recent financial and/or audit statements.

(This information is subject to verification by the government. Veterans' Employment and Training Service reserve the right to have a

representative within each State provide programmatic and fiscal information about applicants and forward those findings to the VETS National Office during the review of the applications.)

**Note:** Resumes, charts, and standard forms, transmittal letters, letters of support are not included in the page count. [If provided, include these documents as attachments to the technical proposal.]

*Part II—The Cost Proposal* must contain: (1) The Standard Form (SF) 424, "Application for Federal Assistance"; (2) the Standard Form (SF) 424A "Budget Information Sheet" in Appendix B; and (3) a detailed cost break out of each line item on the Budget Information Sheet. Please label this page or pages the "Budget Narrative" and ensure that costs reported on the SF424A correspond accurately with the Budget Narrative.

In addition to the cost proposal, the applicant must include the Assurance and Certification signature page, Appendix C, and copies of all required forms with instructions for completion provided as appendices to this SGA.

*The Catalog of Federal Domestic Assistance* number for this program is 17.802. It must be entered on the SF 424, Block 10.

#### IV. Budget Narrative Information

As an attachment to the Budget Information Sheet (SF 424A), the applicant must provide, at a minimum, and on a separate sheet(s), the following information:

(a) A breakout of all personnel costs by position, title, salary rates, and percent of time of each position to be devoted to the proposed project (including sub-grantees);

(b) An explanation and breakout of extraordinary fringe benefit rates and associated charges (i.e., rates exceeding 35% of salaries and wages);

(c) An explanation of the purpose and composition of, and method used to derive the costs of each of the following: travel, equipment, supplies, sub-grants/contracts, and any other costs. The applicant must include costs of any required travel described in this Solicitation. Mileage charges must not exceed 34.5 cents per mile;

(d) In order that the Department of Labor meet legislative requirements, the applicant must submit a plan for, along with all costs associated with, retaining participant information pertinent to a longitudinal follow-up survey for at least six months after the ninety-day closeout period;

(e) Description/specification of and justification for equipment purchases, if any. Tangible, non-expendable, and personal property having a useful life of

more than one year and a unit acquisition cost of \$5,000 or more per unit must be specifically identified; and

(f) Identification of all sources of leveraged or matching funds and an explanation of the derivation of the value of matching/in-kind services. If resources/matching funds and/or the value of in-kind contributions are made available please show in Section B of the Budget Information Sheet.

## V. Participant Eligibility

Female veterans who have service-connected disabilities, female veterans who are recently separated, or female veterans with significant barriers to employment are eligible for participation under this program.

A. The term "veteran" means a person who served in the active military, naval, or air service, and who was discharged or released therefrom under conditions other than dishonorable. [Reference 38 U.S.C. 4101(2)]

B. The term "Campaign veteran"—refers to any veteran who served on active duty in the United States armed forces during a war or in a campaign or expedition for which a campaign badge has been authorized. A list of the Wars, Campaigns and Expeditions can be found at the Office of Personnel Management Web site at <http://www.opm.gov/veterans/html/vgmedal2.htm>.

C. The term "service-connected disabled"—refers to (1) a veteran who is entitled to compensation under laws administered by the Department of Veterans' Affairs (DVA), or (2) an individual who was discharged or released from active duty because of a service-connected disability. (29 U.S.C. 1503(27)(B)).

D. The term "recently-separated veteran"—refers to any veteran who applies for participation in a VWIP funded activity within 48 months after separation from military service. (29 U.S.C. 2801 (49))

## VI. Project Summary

### A. Program Concept and Emphasis

The grants awarded under this SGA are intended to address two objectives: (1) To provide services to assist in reintegrating female veterans into meaningful employment within the labor force; and (2) to stimulate the development of effective service delivery systems that will address the complex problems facing female veterans trying to transition into non-traditional employment.

In addition to the mandatory activities, proposed programs should include, if applicable, optional program

activities, such as ancillary and/or support services, to assure that participants are placed in unsubsidized employment that meets their "minimum economic need." Both categories of program activities are more fully described below.

### 1. Mandatory Program Activities

#### a. Pre-Enrollment Assessments.

The utilization of Disabled Veterans' Outreach Program (DVOP) and Local Veterans' Employment Representatives (LVER) staff for pre-enrollment assessments is strongly encouraged.

A definition of pre-enrollment assessment can be found in the Glossary of Terms. Costs are allowed for pre-enrollment assessments that enable grantees to determine the employability needs of applicants by conducting meaningful evaluations of applicant skills and barriers. Grantees are then able to refer those applicants who may not be appropriate for the services of the proposed program to other service providers. The assessment of applicants prior to enrollment is an allowable cost to VWIP provided it has been determined that the assessed applicants meet the legislative criteria for VWIP eligibility. In the Program Design, the grant applicant must identify the means of pre-enrollment assessment that it intends to use and the purpose for the information to be derived from those assessments.

b. The Employment Development Plan (EDP). The utilization of Disabled Veterans' Outreach Program (DVOP) and Local Veterans' Employment Representatives (LVER) staff in the EDP process is strongly encouraged. A definition of Employment Development Plan (EDP) can be found in the Glossary of Terms.

The implementation of an EDP is required for all female veterans enrolled in programs supported by VWIP resources. A copy of an EDP is maintained in each participant's file. The EDP must document a summary of the assessments conducted to ascertain the abilities, barriers and needs of the participant. At a minimum, the EDP must substantiate the participant's minimum income needs, identify barriers and skill deficiencies, and describe the services needed and the competencies to be achieved by the participant as a result of program participation. The applicant must also include a description of their proposed EDP process in their application.

c. Core Training Activities. A definition of Core Training Activities can be found in the Glossary of Terms. It refers to any training program that leads to the development of job skills for

the participant. At least 80% of all participants who are enrolled in VWIP must receive some form of core training. The Program Design narrative must identify the core training components to be employed in the applicant's program, and these components must agree in scope with the definitions found in the Glossary of Terms. Core training components proposed by the applicant that do not fit the glossary terms or definitions must be adequately described and justified in the Program Design narrative. Core training activities described in this section must include, but are not limited to, the following:

- i. Classroom training;
- ii. On-the-job training;
- iii. Remedial education;
- iv. Literacy and bilingual training;
- v. Institutional skills training;
- vi. Occupational skills training;
- vii. On-site industry-specific training;
- viii. Customized training;
- ix. Apprenticeship training; and
- x. Upgrading and retraining.

Definitions of these core training activities are found in the Glossary of Terms.

#### d. Job Placement and Follow-up Services.

The utilization of Disabled Veterans' Outreach Program (DVOP) and Local Veterans' Employment Representatives (LVER) staff for job placement and follow-up services is strongly encouraged.

A definition of job placement and follow-up services can also be found in the Glossary of Terms. The ultimate objective of VWIP services is to place each eligible veteran into meaningful, gainful employment that allows the participant to become economically self-sufficient. The applicants must describe in the Program Design how job placements will occur after core training activities and/or after job development or referral efforts are initiated. Applicants are required to include follow-up in their proposed program to track a participant's progress and status after initial placement. Applicants must describe in the Program Design the follow-up activities that participants will be provided. The description must include the nature of those services. Please note that follow-up is required 90 and 180 days after entering employment.

### C. Scope of Program Design

The project design must provide or arrange for the following:

1. Projects must show linkages with other programs and services which provide support to veterans, such as faith based and community based organizations. Coordination with the

Disabled Veterans' Outreach Program (DVOP) Specialists and Local Veterans' Employment Representative (LVER) is strongly encouraged.

2. Projects must be "employment-focused." The services provided will be directed toward increasing the employability of veterans by providing training that will increase employment opportunities for the participants.

Outreach should, to the degree practical, be provided at Veterans' Job Fairs, Transition Assistance Centers, or Family Service Centers at military installations, and other programs or events frequented by female veterans. Coordination is encouraged with veterans' services programs and organizations such as:

- State Workforce Agencies, the newly instituted workforce development system's One-Stop Centers, or other VWIP Veterans' Employment Programs;
- Department of Veterans' Affairs (DVA) services, including its Education programs; and
- Veterans' service organizations, such as The American Legion, Disabled American Veterans (DAV), Veterans of Foreign Wars (VFW), Vietnam Veterans of America (VVA), and American Veterans (AMVETS).

#### *D. Results-Oriented Model*

No model is mandatory, but the applicant must design a program that is responsive to local needs, and will carry out the objectives of the program to successfully reintegrate veterans into the workforce.

With the advent of the Government Performance and Results Act (GPRA), Congress and the public are looking for program results rather than just program processes. Although entering employment is a viable outcome, it will be necessary to measure results over a longer term to determine the success of the program. The following program discussion must be considered in a program model. The first phase of activity must consist of the level of outreach that is necessary to reach eligible veterans. Such outreach will also include establishing contact with other agencies that encounter veterans. Once the eligible participants have been identified, an assessment must be made of their abilities, interests and needs. In some cases, these participants may require referrals to services such as drug or alcohol treatment or a temporary shelter before they can be enrolled into core training. When the individual is stabilized, the assessment should focus on the employability of the individual and their enrollment into the program. A determination must be made as to

whether the participant would benefit from pre-employment preparation such as resume writing, job search workshops, related counseling and case management, and initial entry into the job market through temporary jobs, job development, or entry into classroom or on-the-job training. Such services must also be noted in an Employability Development Plan so successful completion of the plan can be monitored by the staff. Entry into full-time employment or a specific job training program must follow, in keeping with the objective of the program, which is to bring the participant closer to self-sufficiency. Supportive Services may assist the participant at this stage or even earlier. Job development is a crucial part of the employability process. Wherever possible, DVOP and LVER staff need to be utilized for job development and placement activities for veterans who are ready to enter employment or who are in need of intensive case management services. Many of these staff members have received training in case management at the National Veterans' Training Institute and have a priority of focus in assisting those most disadvantaged in the labor market. VETS urges working hand-in-hand with DVOP/LVER staff to achieve economies of resources. If the DVOP and LVER staff are not being utilized, the applicant must submit a written explanation of the reasons why they are not.

The following program discussion emphasizes that follow-up is an integral program component. Follow-up to determine whether the veteran is in the same or similar job at the 90-day and 180-day period after entering employment is required. It is important that the applicant maintain contact with the veterans after placement to assure that employment related problems are addressed. The 90-day and 180-day follow up is fundamental to assessing the results of the program success. Grantees must be careful to budget for this activity so that follow-up will occur for those placed at or near the end of the grant period. Such results will be reported in the final technical performance report.

Retention of records will be referred to in the Special Grant Provisions provided at the time of award.

#### **VII. Related Program Development Activities**

##### *1. Community Awareness Activities*

In order to promote linkages between the program and local service providers (and thereby eliminate gaps or duplication in services and enhance

provision of assistance to participants), the grantee must provide project orientation and/or service awareness activities that it determines are the most feasible for the types of providers listed below. Project orientation workshops conducted by the grantees have been an effective means of sharing information and revealing the availability of other services. They are encouraged but are not mandatory. Rather, the grantee will have the flexibility to attend service provider meetings, seminars, conferences, outstation staff, develop individual service contracts, and involve other agencies in program planning. This list is not exhaustive. The grantee will be responsible for providing appropriate awareness, information sharing, and orientation activities to the following:

a. Providers of hands-on services to veterans to make veterans more fully aware of the services offered, job-ready and placed in jobs.

b. Federal, State and local services such as the Department of Veterans' Affairs (DVA), State Workforce Agencies and their local Job Service Offices and One-Stop Centers (which integrate WIA, labor exchange, and other employment and social services) to familiarize them with the nature and needs of veterans.

c. Civic and private sector groups, and especially veterans' service organizations, to describe veterans and their needs.

#### **VIII. Rating Criteria for Award**

Applications will be reviewed by a DOL panel using the point scoring system specified below. Applications will be ranked based on the score assigned by the panel after careful evaluation by each panel member. The ranking will be the primary basis to identify applicants as potential grantees. Although DOL reserves the right to award on the basis of the initial proposal submissions, DOL may establish a competitive range based upon the proposal evaluation for the purpose of selecting qualified applicants. The panel's conclusions are advisory in nature and not binding on the Grant Officer. DOL reserves the right to ask for clarification or hold discussions, but is not obligated to do so. DOL further reserves the right to select applicants out of rank order if such a selection would, in its opinion, result in the most effective and appropriate combination of funding, administrative costs, program costs e.g., cost per enrollment and placement, demonstration models, and geographical service areas. The Grant Officer's determination for award under SGA 02-02 is the final agency action. The

submission of the same proposal from any prior year competition does not guarantee an award under this Solicitation.

#### *Panel Review Criteria*

##### 1. Need for the Project: 15 Points

The applicant must document the extent of need for this project, as demonstrated by: (1) The potential number or concentration of veterans in the proposed project area relative to other similar areas of jurisdiction; (2) the high rates of poverty and/or unemployment in the proposed project area as determined by the census or other surveys; and (3) the extent of gaps in the local infrastructure to effectively address the employment barriers which characterize the target population.

##### 2. Overall Strategy To Increase Employment and Retention: 40 Points

The application must include a description of the proposed approach to providing comprehensive employment services and training, including job development, employer commitments to hire, placement, and post-placement follow-up services. The applicant must address its intent to target occupations in expanding industries, rather than on declining industries. The supportive services to be provided as part of the strategy of promoting job readiness and job retention must be indicated. The applicant must identify the local human resources and sources of training to be used for participants. A description of the relationship, if any, with other employment and training program such as State Workforce Agencies (DVOP and LVER Programs), VWIP, other WIA programs, and Workforce Investment or Development Boards or entities where in place, must be presented. Applicants must indicate how the activities will be tailored or responsive to the needs of veterans. A participant flow chart may be used to show the sequence and mix of services. Note: The applicant must complete the chart of proposed program outcomes to include participants served, and job retention. (See Appendix D)

##### 3. Quality and Extent of Linkages With Other Providers of Services to the Veterans: 10 Points

The application must provide information on the quality and extent of the linkages this program will have with other providers of services to benefit the veterans in the local community and/or on the reservation and outside of the grant. For each service, the applicant must specify who the provider is, the source of funding (if known), and the type of linkages/referral system

established or proposed. [Describe, to the extent possible, how the project would respond to the needs of the veterans and any linkages to DVA programs or resources to benefit the proposed program.]

##### 4. Demonstrated Capability in Providing Required Program Services: 20 Points

The applicant must describe its relevant prior experience in operating employment and training programs and providing services to participants similar to those proposed under this solicitation. Specific outcomes achieved by the applicant must be described in terms of clients placed in jobs, etc. The applicant should delineate its staff capability and ability to manage the operational aspects of a grant program, including a recent (within the last 12 months) financial statement or audit if available. Final or most recent technical reports for other relevant programs must be submitted if applicable. Because prior grant experience is not a requirement for this grant, some applicants may not have any technical reports to submit. The applicant must also address its capacity for timely startup of the program.

##### 5. Quality of Overall Employment and Training Strategy: 15 Points

The application must demonstrate how the applicant proposes to meet the employment and training, and supportive services needs of veterans in the program who will be entering the labor force. This discussion must specify the provisions made to access transportation, child care, temporary, transitional, and permanent housing for participants through community resources, HUD, lease, WIA, or other means. Grant funds cannot be used to purchase housing or vehicles. Applicants can expect that the cost proposal will be reviewed for allowability, allocability, and reasonableness of the placement and enrollment costs.

#### **IX. Post Award Conference**

A post-award conference will be held for those awarded PY 2001 VWIP funds from the competition. It is expected to be held in May or June 2002. Up to two grantee representatives must be present; a fiscal and a programmatic representative is recommended. The site of the Post-Award conference will be at a location convenient for the grantee and Grant Officer Technical Representative (GOTR). The conference will focus on providing information and assistance on reporting, record keeping, and grant requirements, and also

include best practices from past projects.

#### **X. Reporting Requirements**

The grantee will submit the reports and documents listed below:

##### *A. Financial Reports*

The grantee will report outlays, program income, and other financial information on a quarterly basis using SF 269A, Financial Status Report, Short Form. This form will cite the assigned grant number and be submitted to the appropriate State Director for Veterans' Employment and Training (DVET), whose address will be provided, no later than 30 days after the ending date of each Federal fiscal quarter (i.e., October 30, January 30, April 30, and July 30) during the grant period.

##### *B. Program Reports*

Grantees will submit a Quarterly Technical Performance Report 30 days after the end of each Federal fiscal quarter to the DVET which contains the following:

1. A comparison of actual accomplishments to established goals for the reporting period and any findings related to monitoring efforts; and
2. An explanation for variances of plus or minus 15% of planned program and/or expenditure goals, to include: (i) identification of corrective action which will be taken to meet the planned goals, and (ii) a timetable for accomplishment of the corrective action.

##### *C. Final Report Packages*

The grantee will submit, no later than 90 days after the grant expiration date, a final report containing the following:

1. Final Financial Status Report (SF-269A) (copy to be provided following grant awards)
2. Final Technical Performance Report—(Program Goals)
3. Final Narrative Report identifying—(a) major successes of the program; (b) obstacles encountered and actions taken (if any) to overcome such obstacles; (c) the total combined number of veterans placed in employment during the entire grant period; (d) the number of veterans still employed at the end of the grant period; (e) an explanation regarding why those veterans placed during the grant period, but not employed at the end of the grant period, are not so employed; and (f) any recommendations to improve the program.

##### *D. Six (6) Month Close Out*

No later than six months after the 90-day closeout period, the grantee will

submit a follow-up report containing the following:

1. Final Financial Status Report (SF-269A)

2. Final Narrative Report identifying—(a) the total combined (directed/assisted) numbers of veterans placed during the entire grant period; (b) the number of veterans still employed during follow-up; (c) are the veterans still employed at the same or similar job, if not what is the reason(s); (d) was the training received applicable to jobs held; (e) wages at placement and during follow-up period; (f) an explanation of why those veterans placed during the grant period, but not employed at the end of the follow-up period, are not so employed; and (g) any recommendations to improving the program.

## **XI. Administration Provisions**

### *A. Limitation on Administrative and Indirect Costs*

1. Direct Costs for administration, and any indirect charges claimed, may not exceed 10 percent of the total amount of the grant.

2. Indirect costs claimed by the applicant must be based on a federally approved rate. A copy of the negotiated, approved, and signed indirect cost negotiation agreement must be submitted with the application.

3. If the applicant does not presently have an approved indirect cost rate, a proposed rate with justification may be submitted. Successful applicants will be required to negotiate an acceptable and allowable rate with the appropriate DOL Regional Office of Cost Determination within 90 days of grant award.

4. Rates traceable and trackable through the State Workforce Agency's Cost Accounting System represent an acceptable means of allocating costs to DOL and, therefore, can be approved for use in grants to State Workforce Agencies.

### *B. Allowable Costs*

Determinations of allowable costs will be made in accordance with the following applicable Federal cost principles:

1. State and local government—OMB Circular A-87
2. Educational institutions—OMB Circular A-21
3. Nonprofit organizations—OMB Circular A-122

### *C. Administrative Standards and Provisions*

Accept as specifically provided, DOL acceptance of a proposal and an award of federal funds to sponsor any program(s) does not provide a waiver of any grant requirements and/or procedures. For example, the OMB circulars require and an entity's procurement procedures must require that all procurement transactions will be conducted, as practical, to provide open and free competition. If a proposal identifies a specific entity to provide the services, the DOL award does not provide the justification or basis to sole-source the procurement, i.e., avoid competition. All grants will be subject to the following administrative standards and provisions:

1. 29 CFR part 93—Lobbying.
2. 29 CFR part 95—Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and other Non-Profit Organizations, and with Commercial Organizations, etc.
3. 29 CFR part 96—Federal Standards for Audit of Federally-funded Grants, Contracts and Agreements. This rule implements, for State and local governments and Indian tribes that receive Federal Assistance from the DOL, Office of Management and Budget (OMB) Circular A-128 "Audits of State and Local Governments" which was issued pursuant to the Single Audit Act of 1984, 31 U.S.C. Sec. 7501-7507. It also consolidates the audit requirements currently contained throughout the DOL regulations.

4. 29 CFR part 97—Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments.

5. 29 CFR part 98—Government-wide Debarment and Suspension (Nonprocurement) and Government-wide Requirements for Drug-Free Workplace (Grants)

6. 29 CFR part 99—Audit of States, Local Governments, and Nonprofit Organization.

7. Section 168(b) of WIA—Administration of Programs. Please note that sections 181-195 also applies.

8. 29 CFR parts 30, 31, 32, 33 and 34—Equal Employment Opportunity in Apprenticeship and Training, nondiscrimination in Federally Assisted Programs of the Department of Labor, effectuation of Title VI of the Civil Rights Act of 1964, and Nondiscrimination on the Basis of Disability in Programs and Activities Receiving or Benefitting from Federal Financial Assistance (Incorporated by Reference). These rules implement, for recipients of federal assistance, provisions of nondiscrimination on the basis of race, color, national origin, and disabled condition, respectively.

9. Appeals from non-designation will be handled under 20 CFR part 667.

Signed at Washington, DC, this 30th day of January, 2002.

**INSTRUCTIONS FOR THE SF-424A**

Public reporting burden for this collection of information is estimated to average 180 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0044), Washington, DC 20503.

**PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.**

**General Instructions**

This form is designed so that application can be made for funds from one or more grant programs. In preparing the budget, adhere to any existing Federal grantor agency guidelines which prescribe how and whether budgeted amounts should be separately shown for different functions or activities within the program. For some programs, grantor agencies may require budgets to be separately shown by function or activity. For other programs, grantor agencies may require a breakdown by function or activity. Sections A, B, C, and D should include budget estimates for the whole project except when applying for assistance which requires Federal authorization in annual or other funding period increments. In the latter case, Sections A, B, C, and D should provide the budget for the first budget period (usually a year) and Section E should present the need for Federal assistance in the subsequent budget periods. All applications should contain a breakdown by the object class categories shown in Lines a-k of Section B.

**Section A. Budget Summary Lines 1-4 Columns (a) and (b)**

For applications pertaining to a *single* Federal grant program (Federal Domestic Assistance Catalog number) and *not requiring* a functional or activity breakdown, enter on Line 1 under Column (a) the Catalog program title and the Catalog number in Column (b).

For applications pertaining to a *single* program *requiring* budget amounts by multiple functions or activities, enter the name of each activity or function on each line in Column (a), and enter the Catalog number in Column (b). For applications pertaining to multiple programs where none of the programs require a breakdown by function or activity, enter the Catalog program title on each line in Column (a) and the respective Catalog number on each line in Column (b).

For applications pertaining to *multiple* programs where one or more programs *require* a breakdown by function or activity, prepare a separate sheet for each program requiring the breakdown. Additional sheets should be used when one form does not provide adequate space for all breakdown of data required. However, when more than one sheet is used, the first page should provide the summary totals by programs.

**Lines 1-4, Columns (c) through (g)**

*For new applications*, leave Column (c) and (d) blank. For each line entry in Columns (a) and (b), enter in Columns (e), (f), and (g) the appropriate amounts of funds needed to support the project for the first funding period (usually a year).

*For continuing grant program applications*, submit these forms before the end of each funding period as required by the grantor agency. Enter in Columns (c) and (d) the estimated amounts of funds which will remain unobligated at the end of the grant funding period only if the Federal grantor agency instructions provide for this. Otherwise, leave these columns blank. Enter in columns (e) and (f) the amounts of funds needed for the upcoming period. The amount(s) in Column (g) should be the sum of amounts in Columns (e) and (f).

*For supplemental grants and changes* to existing grants, do not use Columns (c) and (d). Enter in Column (e) the amount of the increase or decrease of Federal funds and enter in Column (f) the amount of the increase or decrease of non-Federal funds. In Column (g) enter the new total budgeted amount (Federal and non-Federal) which includes the total previous authorized budgeted amounts plus or minus, as appropriate, the amounts shown in Columns (e) and (f). The amount(s) in Column (g) should not equal the sum of amounts in Columns (e) and (f).

**Line 5** - Show the totals for all columns used.

**Section B Budget Categories**

In the column headings (1) through (4), enter the titles of the same programs, functions, and activities shown on Lines 1-4, Column (a), Section A. When additional sheets are prepared for Section A, provide similar column headings on each sheet. For each program, function or activity, fill in the total requirements for funds (both Federal and non-Federal) by object class categories.

**Line 6a-i** - Show the totals of Lines 6a to 6h in each column.

**Line 6j** - Show the amount of indirect cost.

**Line 6k** - Enter the total of amounts on Lines 6i and 6j. For all applications for new grants and continuation grants the total amount in column (5), Line 6k, should be the same as the total amount shown in Section A, Column (g), Line 5. For supplemental grants and changes to grants, the total amount of the increase or decrease as shown in Columns (1)-(4), Line 6k should be the same as the sum of the amounts in Section A, Columns (e) and (f) on Line 5.

**Line 7** - Enter the estimated amount of income, if any, expected to be generated from this project. Do not add or subtract this amount from the total project amount. Show under the program

**INSTRUCTIONS FOR THE SF-424A (continued)**

narrative statement the nature and source of income. The estimated amount of program income may be considered by the Federal grantor agency in determining the total amount of the grant.

**Section C. Non-Federal Resources**

**Lines 8-11** Enter amounts of non-Federal resources that will be used on the grant. If in-kind contributions are included, provide a brief explanation on a separate sheet.

**Column (a)** - Enter the program titles identical to Column (a), Section A. A breakdown by function or activity is not necessary.

**Column (b)** - Enter the contribution to be made by the applicant.

**Column (c)** - Enter the amount of the State's cash and in-kind contribution if the applicant is not a State or State agency. Applicants which are a State or State agencies should leave this column blank.

**Column (e)** - Enter totals of Columns (b), (c), and (d).

**Line 12** - Enter the total for each of Columns (b)-(e). The amount in Column (e) should be equal to the amount on Line 5, Column (f), Section A.

**Section D. Forecasted Cash Needs**

**Line 13** - Enter the amount of cash needed by quarter from the grantor agency during the first year.

**Line 14** - Enter the amount of cash from all other sources needed by quarter during the first year.

**Line 15** - Enter the totals of amounts on Lines 13 and 14.

**Section E. Budget Estimates of Federal Funds Needed for Balance of the Project**

**Lines 16-19** - Enter in Column (a) the same grant program titles shown in Column (a), Section A. A breakdown by function or activity is not necessary. For new applications and continuation grant applications, enter in the proper columns amounts of Federal funds which will be needed to complete the program or project over the succeeding funding periods (usually in years). This section need not be completed for revisions (amendments, changes, or supplements) to funds for the current year of existing grants.

If more than four lines are needed to list the program titles, submit additional schedules as necessary.

**Line 20** - Enter the total for each of the Columns (b)-(e). When additional schedules are prepared for this Section, annotate accordingly and show the overall totals on this line.

**Section F. Other Budget Information**

**Line 21** - Use this space to explain amounts for individual direct object class cost categories that may appear to be out of the ordinary or to explain the details as required by the Federal grantor agency.

**Line 22** - Enter the type of indirect rate (provisional, predetermined, final or fixed) that will be in effect during the funding period, the estimated amount of the base to which the rate is applied, and the total indirect expense.

**Line 23** - Provide any other explanations or comments deemed necessary.
