

procedures until such time as the obligation is paid in full.

*C. Authority for Conducting the Match:* The legal authority for conducting the matching program is contained in the Debt Collection Act of 1982 (Public Law 97-365), as amended by the Debt Collection Improvement Act of 1996 (Public Law 104-134, section 31001); 31 U.S.C. chapter 37, subchapter I (General) and subchapter II (Claims of the United States Government); 31 U.S.C. 3711, Collection and Compromise; 31 U.S.C. 3716, Administrative Offset; 5 U.S.C. 5514, Installment Deduction for Indebtedness (Salary Offset); 10 U.S.C. 135, Under Secretary of Defense (Comptroller); Section 101(l) of Executive Order 12731; 31 CFR chapter IX, Federal Claims Collection Standards; 5 CFR 550.1101—550.1108, Collection by Offset from Indebted Government Employees (OPM); 34 CFR part 31, Salary Offset Standards for Federal Employees Indebted to the United States under Programs Administered by the Secretary of Education.

*D. Records to be Matched:* The systems of records maintained by the respective agencies under the Privacy Act of 1974, as amended, 5 U.S.C. 552a, from which records will be disclosed for the purpose of this computer match are as follows:

1. ED will use personal data from the record system identified as 18-11-07, entitled "Student Financial Assistance Collection Files," published in the **Federal Register**, at 64 FR 30166, June 4, 1999, as amended by 64 FR 72407, December 27, 1999.

2. DoD will use personal data from the record system identified as S322.11 DMDC, entitled "Federal Creditor Agency Debt Collection Data Base," last published in the **Federal Register** at 64 FR 42101, August 3, 1999.

*E. Description of Computer Matching Program:* ED, as the source agency, will provide DMDC with an electronic file which contains the names of delinquent debtors in programs ED administers. Upon receipt of the electronic file of debtor accounts, DMDC will perform a computer match using all nine digit digits of the SSN of the ED file against a DMDC computer database. The DMDC database, established under an interagency agreement between DOD, OPM, OMB, and the Department of the Treasury, consists of personnel records of non-postal Federal civilian employees and military members, both active and retired.

The "hits" or matches will be furnished to ED. ED is responsible for verifying and determining that the data on the DMDC electronic reply file are

consistent with ED's source file and for resolving any discrepancies or inconsistencies on an individual basis. ED will also be responsible for making final determinations as to positive identification, amount of indebtedness, and recovery efforts as a result of the match.

The electronic file provided by ED will contain data elements of the debtor's name, SSN, internal account numbers and the total amount owed for each debtor on approximately 2,000,000 delinquent debtors.

The DMDC computer database file contains approximately 4.53 million records of active duty and retired military members, including the Reserve and Guard, and approximately 3.45 million records of active and retired non-postal Federal civilian employees.

DMDC will match the SSN on the ED file by computer against the DMDC database. Matching records, "hits" based on SSNs, will produce data elements of the individual's name, SSN, military service or employing agency, and current work or home address.

*F. Inclusive Dates of the matching Program:* The effective date of the matching agreement and date when matching may actually begin shall be at the expiration of the 40-day review period for OMB and Congress, or 30 days after publication of the matching notice in the **Federal Register**, whichever date is later. The parties to this agreement may assume OMB and Congressional concurrence if no comments are received within 40 days of the date of the transmittal letter. The 40-day OMB and Congressional review period and the mandatory 30-day public comment period for the **Federal Register** publication of the notice will run concurrently. By agreement between ED and DoD, the matching program will be in effect for 18 months with an option to renew for 12 additional months unless one of the parties to the agreement advises the other by written request to terminate or modify the agreement.

*G. Address for Receipt of Public Comments or Inquiries:* Director, Defense Privacy Office, 1941 Jefferson Davis Highway, Suite 920, Arlington, VA 22202-4502. Telephone (703) 607-2943.
