#### Notice of Determination Regarding Eligibility to Apply for Worker Adjustment Assistance and NAFTA Transitional Adjustment Assistance

In accordance with section 223 of the  
Trade Act of 1974, as amended, the  
Department of Labor herein presents  
summaries of determinations regarding  
eligibility to apply for trade adjustment  
assistance for workers (TA-W) issued  
during the period of January and

In order for an affirmative  
determination to be made and a  
certification of eligibility to apply for  
worker adjustment assistance to be  
issued, each of the group eligibility  
requirements of section 222 of the Act  
must be met.

(1) That a significant number or  
proportion of the workers in the  
workers' firm, or an appropriate  
subdivision thereof, have become totally

(2) That sales or production, or both,  
of the firm or subdivision have  
decreased absolutely, and

contributed importantly to the  
separations, or threat thereof, and to the  
absolute decline in sales or production.
