

broker terminals would require payment not only of the monthly terminal charge of \$350 per terminal, but also the other charges associated with Tools Plus, such as initial deposits, installation fees, connection and port charges, training fees, and hourly rates for customized programming. Finally, although Nasdaq does not currently foresee a demand for the use of full functionality terminals by non-members, the fee schedule for non-members also includes the prices for these terminals, in case such demand does develop.⁶

2. Statutory Basis

Nasdaq believes that the proposed rule change is consistent with the provisions of Section 15A of the Act,⁷ in general, and with Section 15A(b)(5) of the Act,⁸ in particular, in that it provides for the equitable allocation of reasonable fees, dues, and other charges among members and issuers and other persons using any facility or system which the NASD operates or controls.

B. Self-Regulatory Organization's Statement on Burden on Competition

Nasdaq believes that the proposed rule change will not result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received on the proposed rule change contained in this filing.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)

⁶ Nasdaq notes that a Tools Plus user cannot use a Tools Plus terminal to route orders to a given market center unless the user has a relationship with the market center that allows it to do so under the rules governing access to that market center. For example, a member of a regional securities exchange that was not an NASD member could not use a Tools Plus terminal to route orders to Nasdaq's SuperMontage system unless the regional exchange was itself a SuperMontage participant (in which case, the member of the exchange could route orders through the exchange, as provided in NASD Rule 4710(e)). of the Act⁹ and Rule 19b-4(f)(6)¹⁰ thereunder because the proposal: (i) Does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) does not become operative prior to 30 days after the date of filing or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest. Nasdaq gave the Commission notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change. At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of the filing will also be available for inspection and copying at the principal office of the NASD. All submissions should refer to file number SR-NASD-2003-21 and should be submitted by March 31, 2003.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NASD included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in item IV below. The NASD has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

As part of the NASD's rule modernization initiative, NASD has identified certain registration rules that are antiquated and need to be updated to reflect changes in the regulatory landscape. Many of these registration rules impose requirements that no longer serve a valid investor protection goal. The proposed changes, which primarily are technical in nature, are intended to clarify and clean-up existing rules to reduce burdens on the industry caused by outdated registration requirements.

Rules 1021 and 1031 (Principal and Representative Registration Requirements)

Rules 1021(a) and 1031(a) state that persons engaged in a member's investment banking or securities business who are functioning as principals or representatives must be registered with NASD in the appropriate registration category. These rules prohibit a member from registering a person as principal or representative where the member does not intend to employ the person in its investment banking or securities business. Rules 1021(a) and 1031(a) provide a narrow exception to this general prohibition by permitting a member to maintain the registration of a principal or representative who performs legal, compliance, internal audit, or similar responsibilities. NASD believes that principals or representatives who perform back-office operations,

including, but not limited to, cashiering, accounting, settling, and the record keeping of customers' cash or margin accounts, also should be included under this limited exception. Accordingly, NASD is proposing to add the term "back-office operations" before the terms "or similar responsibilities" in rules 1021(a) and 1031(a). Rule 1021(d)(1) states that a person who is currently a registered representative may function as a principal for 90 calendar days before he or she is required to pass the appropriate qualification examination for principal. This rule requires that a member submit an "elevation form" for a representative who has been elevated to principal. NASD no longer uses an "elevation form." Rather, NASD now requires members to submit an amended "Uniform Application for Securities Industry Registration or Transfer" (Form U-4). NASD is proposing to amend the rule to reflect this change.

Rule 1021(d)(3) suggests that an applicant who does not take the examination within 90 days or fails the examination can submit a new form and continue to function as a principal until qualified. This is inconsistent with rule 1021(d)(1), which states that in no event may a person function as a principal beyond the initial 90-day period. Therefore, NASD is proposing to delete rule 1021(d)(3).

Rule 1021(e) requires applicants for NASD membership to have at least two principals with respect to each aspect of the applicant's investment banking and securities business. NASD has interpreted rule 1021(e) to generally require all members, including new applicants, to have at least two principals with respect to each aspect of the member's investment banking and securities business. Therefore, NASD is proposing to amend rule 1021(e) to clarify that this requirement applies to existing members as well as new applicants.

Rules 1022 and 1032 (Principal and Representative Registration Categories)

Rule 1022(a)(3) states that a person who was registered with NASD as a principal or financial principal is not required to pass a qualification examination for general securities principal to be qualified as a principal. The term "financial principal" refers to an examination that is no longer administered and thus should be deleted from rule 1022(a)(3).

Rules 1022(a)(4), (5), and (6) provide that a person registered solely as a general securities principal is not automatically qualified to function in certain limited principal capacities.

NASD is proposing to combine these rules to eliminate certain redundancies in the language. Further, NASD is proposing to clarify that a person registered solely as a general securities principal is not automatically qualified to function as a municipal securities principal or municipal fund securities limited principal.

Rule 1022(b)(3) provides an exception from the limited principal—financial and operations examination for those persons who were performing these functions before September 1, 1972, and those persons who were registered as a financial principal. NASD is proposing to delete rule 1022(b)(3) because the grandfather clause and the reference to "financial principal" relate to changes made in the 1970s.

For consistency with the other headings under rule 1022, NASD is proposing to amend the headings for rule 1022(f) and IM-1022-1 to state: "Limited Principal—Registered Options and Security Futures."

Rule 1022(g)(2)(A) provides that a limited principal general securities sales supervisor cannot be qualified to be registered in any other principal registration category. NASD believes that rule 1022(g)(2)(A) is inaccurate. Accordingly, NASD is proposing to replace the current language in rule 1022(g)(2)(A) to state that a person registered solely as a Limited Principal—General Securities Sales Supervisor shall not be qualified to function in a principal capacity with responsibility over any of the areas of business not described in that rule. This will clarify that such persons may be registered in other categories, if applicable.

Rules 1032(a)(2)(A)–(D) and 1032(a)(2)(F) relate to the transition from the Series 1 to the Series 7, which took place in the 1970's. NASD is proposing to delete rules 1032(a)(2)(A)–(D) and 1032(a)(2)(F) because these sections are no longer relevant to a vast majority of our members and NASD could provide waivers if necessary. Rule 1032(a)(2)(G) provides that persons registered and in good standing with the Securities and Futures Authority ("SFA") and who have passed the Modified General Securities Representative Qualification Examination for United Kingdom Representatives are qualified to be registered as general securities representatives, with certain restrictions. Under the previous regulatory framework in the United Kingdom, certain persons engaged in the securities and derivatives business were required to register with the SFA before they could engage in such

business. The Financial Services Authority ("FSA") has consolidated the regulatory duties that were carried out by the previous regulatory bodies, including the SFA. The FSA is an independent non-governmental body with statutory powers under United Kingdom legislation to regulate the financial services industry in the United Kingdom. Under the FSA structure, persons that plan to perform specified functions, known as regulated activities or controlled functions, must be either authorized or approved by the FSA before they can carry out these functions. Therefore, NASD is proposing to revise the language in rule 1032(a)(2)(G) to reflect the FSA's new authorization and approval process.

Rule 1032(f)(2)(B) sets forth the grace periods for passing the equity trader examination. For instance, registered representatives who were eligible for the two-year grace period were given until October 1, 2000, to pass the examination. Because the grace period deadlines have passed, NASD is proposing to delete the periods specified under rule 1032(f)(2)(B).

Rule 1032(g)(3) provides a grandfathering provision for persons who were performing the functions of a government securities limited representative on or before April 1, 1996. NASD believes that it is no longer necessary to keep this section because most persons who were eligible for grandfathering have been processed and, if necessary, the staff may provide waivers to new applicants. Accordingly, NASD is proposing to eliminate rule 1032(g)(3) in its entirety.

Rule 1070 (Qualification Examination and Waiver of Requirements)

Rule 1070(c) provides that qualification examination results will be reported to members on a pass/fail basis only. NASD is proposing to delete the phrase "on a pass/fail basis only" because NASD provides more than just pass/fail information to members.

Rule 1070(d) prohibits an applicant from receiving assistance while taking an examination. Rule 1080 requires that examinations be kept confidential. NASD is proposing to combine the language in rule 1070(d) and rule 1080 because these sections cover similar topics. Consequently, NASD is proposing to incorporate rule 1070(d) into rule 1080 and delete rule 1070(d).

Rule 1070(e) provides that experience in fields ancillary to investment banking or securities business will not in and of itself constitute sufficient grounds for waiving an examination. NASD is proposing to amend rule 1070(e) to clarify that although age or physical

infirmity will not individually of themselves constitute sufficient grounds to waive an examination, experience in an ancillary field may be sufficient grounds to waive an examination.

Rule 1100 (Foreign Associates)

Rule 1100(b) requires that members employing foreign associates file an "Application for Classification as a Foreign Associate." NASD no longer uses this application. Thus, NASD is proposing to replace the terms "Application for Classification as a Foreign Associate" with the terms "Uniform Application for Securities Industry Registration or Transfer," which is the current application.

Rule 1111 (Registration of Government Securities Principals)

Rule 1111 relates to the registration requirements for government securities principals. Because this rule relates to principal registration requirements, NASD is proposing to move this rule to the rule 1020 Series and renumber it as rule 1022(h). The heading for rule 1022(h) will be "Limited Principal—Government Securities." Rule 1022(h) will not include a subsection on examination because there is no required examination for this registration category. Non-substantive changes also were made to this provision to clarify its application.

Rule 1113 (Persons Exempt From Registration)

Both rules 1060(a)(1) and 1113 state that associated persons whose functions are solely and exclusively clerical or ministerial are exempt from registration. NASD is proposing to delete rule 1113 because it duplicates rule 1060(a)(1).

Finally, NASD is adopting a new corporate structure and is seeking the merger of NASD Regulation and NASD Dispute Resolution into NASD, with the merger becoming effective upon the Commission's authorization of the operation of Nasdaq other than as a facility of NASD. To underscore this new corporate structure and renewed regulatory focus, NASD generally does not refer to itself using its full corporate name, "the Association" or "the NASD." Instead NASD uses "NASD" unless otherwise appropriate for corporate or regulatory reasons. Accordingly, NASD has replaced several references to "the Association" and "the NASD" in the text of the proposed rule change with "NASD."

2. Statutory Basis

NASD believes that the proposed rule change is consistent with the provisions

of section 15A(b)(6) of the Act,⁴ which requires, among other things, that NASD's rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. NASD believes that the proposed rule change also is consistent with the provisions of sections 15A(b)(3)⁵ and 15A(g)(3) of the Act,⁶ which, among other things, authorize NASD to prescribe standards of training, experience, and competence for persons associated with NASD members. NASD believes that the proposed rule change clarifies NASD registration obligations and provides consistency throughout these rules and will assist members and their associated persons in complying with these rules.

B. Self-Regulatory Organization's Statement on Burden on Competition

NASD does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change has been filed by NASD as a "non-controversial" rule change pursuant to section 19(b)(3)(A) of the Act⁷ and rule 19b-4(f)(6) thereunder.⁸ Because the foregoing proposed rule change: (1) Does not significantly affect the protection of investors or the public interest; (2) does not impose any significant burden on competition; and (3) does not become operative for 30 days (or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest) after the date of this filing; and NASD provided the Commission with written notice of its intent to file the proposed rule change at least five business days prior to the filing date,⁹ the proposed rule change

has become effective pursuant to section 19(b)(3)(A) of the Act¹⁰ and rule 19b-4(f)(6) thereunder.¹¹

NASD has requested that the Commission waive the 30-day pre-operative waiting period, which would make the proposed rule operative immediately. The Commission believes that it is consistent with the protection of investors and the public interest to waive the 30-day pre-operative period in this case because the proposed rule change is highly technical in nature. For these reasons, the Commission waives the 30-day pre-operative period and designates that the proposal become operative immediately.¹²

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing will also be

withdrew SR-NASD-2002-185 and refiled the proposed rule change as a "non-controversial" filing pursuant to section 19(b)(3)(A) of the Act and rule 19b-4(f)(6) thereunder because the proposed rule change is highly technical in nature. Rule 19b-4(f)(6)(iii) under the Act requires the self-regulatory organization to provide the Commission written notice of its intent to file the proposed rule change at least five business days before doing so (or such shorter time as designated by the Commission). The Commission finds that NASD satisfied the five-day pre-filing requirement by filing SR-NASD-2002-185.

Self-Regulatory Organizations; Order Approving Proposed Rule Change by the National Association of Securities Dealers, Inc., To Amend NASD Rule 3070 To Require Members To File Copies of Criminal and Civil Complaints and Arbitration Claims With NASD

March 3, 2003.

I. Introduction

On August 15, 2002, the National Association of Securities Dealers, Inc. (“NASD”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) a proposed rule change pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b–4 thereunder² to amend Rule 3070 of its rules to require members promptly to file copies with NASD of certain criminal and civil complaints and arbitration claims against a member or a person associated with a member. NASD amended the proposed rule change on December 9, 2002.³ Notice of the proposed rule change and Amendment No. 1 thereto was published for comment in the *Federal Register* on December 27, 2002.⁴

The Commission received five comment letters regarding the proposal.⁵ On February 12, 2003, NASD

filed a response to the comment letters.⁶ This order approves the proposed rule change as amended by Amendment No. 1.

II. Description of the Proposal

The proposed rule change amends NASD Rule 3070 to require members to file promptly with NASD copies of certain criminal and civil complaints and arbitration claims against the member or a person associated with the member. The purpose of the rule proposal is to improve the quality and flow of information to NASD with respect to allegations of broker misconduct, so that NASD can enhance investor protection efforts by promptly taking appropriate regulatory action to address the specific alleged misconduct and to prevent similar or related misconduct in the future.

Specifically, the proposed rule change requires members to file with NASD copies of (1) any criminal complaints filed against the member or plea agreements entered into by the member that are covered by the rule; (2) any securities or commodities-related private civil complaints filed against the member; (3) any arbitration claim against the member (except those claims that have already been filed with NASD Dispute Resolution, in which case NASD obtains copies of such claims directly from NASD Dispute Resolution); and (4) any criminal complaint or plea agreement, private civil complaint or arbitration claim against an associated person that is reportable under question 14 on Form U–4, irrespective of any dollar threshold requirements that question imposes for

notification (except those arbitration claims that have already been filed with NASD Dispute Resolution). To avoid duplicative filing, the rule proposal also provides that members need not separately produce the above-referenced documents if they have already been the subject of a request by NASD’s Registration and Disclosure staff. These amendments are discussed in greater detail in the Commission’s notice soliciting public comment on this proposal.⁷

III. Summary of Comments

The Commission received five comment letters on the proposed rule change.⁸ Although four of the commenters generally supported NASD’s desire to obtain and collect information regarding broker misconduct, they each contended that the proposal was unduly burdensome for members and offered alternative suggestions for achieving NASD’s stated objectives.⁹ The fifth comment letter was written in response to the SIA Letter and in support of the proposed rule change.¹⁰ World Group and A.G. Edwards stated that NASD would be unduly burdened by the volume of documents it would receive compared to the amount of new relevant information. MetLife and the SIA stated that the proposal was inconsistent with NASD’s rule modernization initiative, which seeks to streamline NASD rules by maximizing regulatory efficiency while imposing the least regulatory burden.¹¹

In its response to commenters, NASD focused only on comments made in connection with this proposal. The World Group, MetLife and A.G. Edwards Letters also addressed a change in NASD’s policy regarding letters NASD issues when a determination is made to close an investigation without disciplinary action (referred to as “close-out letters”). While notice of the policy change with respect to close-out letters was contained in the same *Notice to Members* 02–53 that announced that NASD had filed with the SEC its proposal to amend Rule 3070, that policy change is not part of this rule filing. Accordingly, this order does not address the policy change with respect to close-out letters.

NASD disagrees that the proposal would impose duplicative filing requirements on members or be unduly
