SECURITIES AND EXCHANGE COMMISSION

Issuer Delisting; Notice of Application To Withdraw From Listing and Registration on the Pacific Exchange, Inc. (Aquila, Inc. (Formerly Known as UtiliCorp United, Inc.), Common Stock, \$1.00 Par Value) File No. 1-16315

January 16, 2003.

Aquila, Inc. (formerly known as UtiliCorp United, Inc.), a Delaware corporation ("Issuer"), has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to section 12(d) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 12d2-2(d) thereunder,² to withdraw its Common Stock, \$1.00 par value ("Security"), from listing and registration on the Pacific Exchange, Inc. ("PCX" or "Exchange").

The Board of Directors ("Board") of the Issuer approved a resolution on December 2, 2002 to withdraw its Security from listing on the Exchange. The Issuer states that it decided to delist the Security from the PCX as part of the cost-saving measures currently employed by the Issuer in light of its challenging financial situation. In addition, the low volume of trading in the Security (less than 1%) on the PCX does not justify the PCX's listing cost. The Issuer states that 99.6% of the trading in the Security is traded on the New York Stock Exchange, Inc. ("NYSE").

The Issuer stated in its application that it has complied with the rules of the PCX that govern the removal of securities from listing and registration on the Exchange. The Issuer's application relates solely to the withdrawal of the Security from listing and registration on the PCX and from registration under section 12(b)³ of the Act and shall not affect its obligation to be registered under section 12(g) of the Act.⁴

Any interested person may, on or before February 7, 2003, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street,

("CHX" or "Exchange").

The Issuer states in its application that it has met the requirements of the rules of the Exchange (CHX Article XXVIII, Rule 4) by complying with Exchange's rules governing an issuer's voluntary withdrawal of a security from listing and registration and by complying with all laws in effect in the State of Delaware.

On May 14, 2002, the Board of Directors of the Issuer unanimously approved a resolution to withdraw the Issuer's Securities from listing on the CHX. In making the decision to withdraw the Securities from listing and registration on the CHX, the Issuer states that the expense and administrative time associated with remaining list on the CHX outweighs the limited

Applicants' Representations

1. AUL is an Indiana stock insurance company. AUL is the depositor and sponsor of the Separate Account, a separate account established under Indiana law.

2. The Separate Account is registered with the Commission under the 1940 Act as a unit investment trust. AUL owns the assets of the Separate Account that supports obligations under certain individual variable annuity contracts (the "Contracts"). The Separate Account is currently divided into sub-accounts referred to as Investment Accounts. Each Investment Account invests exclusively in shares of one of the underlying open-end management investment companies, or series thereof, available as investment options under the Contracts. Premiums may be allocated to one or more Investment Accounts available under a Contract. AUL may in the future establish additional Investment Accounts of the Separate Account, which may invest in other securities, mutual funds, or investment vehicles.

3. The individual variable annuity contracts, which are issued by AUL through the Distributor, are unbundled. That is, there is a base contract, with a standard death benefit, and annuity payout options, as well as transfer privileges and dollar cost averaging. Other features under the contract include several optional benefit riders that may be added at the time the Contract is issued for an additional asset-based fee. The Contract has the following charges: (i) A deferred sales charge as a percentage of contributions withdrawn as described above; (ii) an administrative expense fee equal to 0.15% of average Variable Account value on an annual basis; (iii) an annual Contract fee of \$50 for contracts with Account Values less than \$20,000; \$30 for contracts with Account Values \$20,000 or greater, but less than \$50,000; and \$0 for contracts with Account Values \$50,000 or greater; (iv) a mortality and expense risk charge equal to 1.15% of average Variable Account value on an annual basis; and (v) any applicable charge for each of the selected riders, described in the Application. Contract owners in certain states may also be required to pay any applicable state premium tax. In addition, assets invested in the Investment Accounts are charged with the annual operating expenses of the underlying Funds.
