

(1) The fact that a transaction is the subject of an exemption under section 408(a) of the Act and/or section 4975(c)(2) of the Code does not relieve a fiduciary or other party in interest or disqualified person from certain other provisions of the Act and/or the Code, including any prohibited transaction provisions to which the exemption does not apply and the general fiduciary responsibility provisions of section 404 of the Act, which, among other things, require a fiduciary to discharge his duties respecting the plan solely in the interest of the participants and beneficiaries of the plan and in a prudent fashion in accordance with section 404(a)(1)(b) of the Act; nor does it affect the requirement of section 401(a) of the Code that the plan must operate for the exclusive benefit of the employees of the employer maintaining the plan and their beneficiaries;

(2) Before an exemption may be granted under section 408(a) of the Act and/or section 4975(c)(2) of the Code, the Department must find that the exemption is administratively feasible, in the interests of the plan and of its participants and beneficiaries, and protective of the rights of participants and beneficiaries of the plan;

(3) The proposed exemptions, if granted, will be supplemental to, and not in derogation of, any other provisions of the Act and/or the Code, including statutory or administrative exemptions and transitional rules. Furthermore, the fact that a transaction is subject to an administrative or statutory exemption is not dispositive of whether the transaction is in fact a prohibited transaction; and

(4) The proposed exemptions, if granted, will be subject to the express condition that the material facts and representations contained in each application are true and complete, and that each application accurately describes all material terms of the transaction which is the subject of the exemption.

AGENCY: Employee Benefits Security Administration, Labor.

ACTION: Grant of individual exemptions.

SUMMARY: This document contains exemptions issued by the Department of Labor (the Department) from certain of the prohibited transaction restrictions of the Employee Retirement Income Security Act of 1974 (the Act) and/or the Internal Revenue Code of 1986 (the Code).

A notice was published in the **Federal Register** of the pendency before the Department of a proposal to grant such exemption. The notice set forth a summary of facts and representations contained in the application for exemption and referred interested persons to the application for a complete statement of the facts and representations. The application has been available for public inspection at the Department in Washington, DC. The notice also invited interested persons to submit comments on the requested exemption to the Department. App. 1 (1996), transferred the authority of the Secretary of the Treasury to issue exemptions of the type proposed to the Secretary of Labor.

In accordance with section 408(a) of the Act and/or section 4975(c)(2) of the Code and the procedures set forth in 29 CFR part 2570, subpart B (55 FR 32836, 32847, August 10, 1990) and based upon the entire record, the Department makes the following findings:

(a) The exemption is administratively feasible;

(b) The exemption is in the interests of the plan and its participants and beneficiaries; and

(c) The exemption is protective of the rights of the participants and beneficiaries of the plan.

Exemption

Section I—Exemption for In-Kind Redemption of Assets

The restrictions of section 406(a) and 406(b) of ERISA and the sanctions resulting from the application of section 4975 of the Code by reason of section 4975(c)(1)(A) through (F) of the Code shall not apply¹ to the in-kind redemption (the Redemption) by the Northern Trust Company Thrift-Incentive Plan (the Plan) (the Applicant) of shares (the Shares) of proprietary mutual funds currently offered by, or offered in the future by, investment companies for which the Northern Trust Company (Northern) or an affiliate thereof provides investment advisory and other services (the Mutual Funds), provided that the following conditions are satisfied:

(A) The Plan pays no sales commissions, redemption fees, or other similar fees in connection with the Redemption (other than customary transfer charges paid to parties other than Northern and any affiliates of Northern (Northern Affiliates);

(B) The assets transferred to the Plan pursuant to the Redemptions consist entirely of cash and Transferable Securities. Notwithstanding the foregoing, Transferable Securities which are odd lot securities, fractional shares and accruals on such securities may be distributed in cash;

(C) With certain exceptions defined below, the Plan receives a pro rata portion of the securities of the Mutual Fund upon a Redemption that is equal in value to the number of Shares redeemed for such securities, as determined in a single valuation performed in the same manner and as of 3 p.m. Chicago time (local time for the closing of the exchanges) on the same day in accordance with Rule 2a-4 under the Investment Company Act of 1940, as amended (the 1940 Act), and the then-

¹ Section 102 of Reorganization Plan No. 4 of 1978, 5 U.S.C. App. 1 (1996) generally transferred the authority of the Secretary of the Treasury to issue exemptions under section 4975(c)(2) of the Code to the Secretary of Labor. For purposes of this exemption, references to specific provisions of Title I of the Act, unless otherwise specified, refer also to the corresponding provisions of the Code.

existing procedures established by the Board of Trustees of the Mutual Fund (using sources independent of Northern and Northern Affiliates);

(D) Northern, or any affiliate thereof, does not receive any fees, including any fees payable pursuant to Rule 12b-1 under the 1940 Act in connection with any redemption of the Shares;

(E) Prior to a Redemption, Northern provides in writing to an independent fiduciary, as such term is defined in Section II (an Independent Fiduciary), a full and detailed written disclosure of information regarding the Redemption;

(F) Prior to a Redemption, the Independent Fiduciary provides written authorization for such Redemption to Northern, such authorization being terminable at any time prior to the date of Redemption without penalty to the Plan, and such termination being effectuated by 3 p.m. Chicago time following the date of receipt by Northern of written or electronic notice regarding such termination (unless circumstances beyond the control of Northern delay termination for no more than one additional business day);

(G) Before authorizing a Redemption, based on the disclosures provided by the Mutual Fund to the Independent Fiduciary, the Independent Fiduciary determines that the terms of the Redemption are fair to the participants of the Plan, and comparable to and no less favorable than terms obtainable at arms-length between unaffiliated parties, and that the Redemption is in the best interest of the Plan and its participants and beneficiaries;

(H) Not later than thirty (30) business days after the completion of a Redemption, the relevant Fund will provide to the Independent Fiduciary a written confirmation regarding such Redemption containing:

(i) The number of Shares held by the Plan immediately before the Redemption (and the related per Share net asset value and the total dollar value of the Shares held);

(ii) the identity (and related aggregate dollar value) of each security provided to the Plan pursuant to the Redemption, including each security valued in accordance with Rule 2a-4 under the 1940 Act and the then-existing procedures established by the Board of Trustees of the Mutual Fund (using sources independent of Northern and Northern Affiliates);

(iii) The current market price of each security received by the Plan pursuant to the Redemption; and

(iv) The identity of each pricing service or market-maker consulted in determining the value of such securities;

(I) The value of the securities received by the Plan for each redeemed Share equals the net asset value of such Share at the time of the transaction, and such value equals the value that would have been received by any other investor for shares of the same class of the Mutual Fund at that time;

(J) Subsequent to a Redemption, the Independent Fiduciary performs a post-transaction review which will include, among other things, testing a sampling of material aspects of the Redemption deemed in its judgment to be representative, including pricing;

(K) Each of the Plan's dealings with the Mutual Funds, the investment advisors to the Mutual Funds (the Investment Advisers), the principal underwriter for the Mutual Funds, or any affiliated person thereof, are on a basis no less favorable to the Plan than dealings between the Mutual Funds and other shareholders holding shares of the same class as the Shares;

(L) Northern will maintain, or cause to be maintained, for a period of six years from the date of any covered transaction such records as are necessary to enable the persons described in paragraph (M) below to determine whether the conditions of this exemption have been met, except that (i) this record-keeping condition shall not be violated if, due to circumstances beyond the control of Northern, the records are lost or destroyed prior to the end of the six year period, (ii) no party in interest with respect to the Plan other than Northern shall be subject to the civil penalty that may be assessed under section 502(i) of the Act or to the taxes imposed by section 4975(a) and (b) of the Code if such records are not maintained or are not available for examination as required by paragraph (M) below;

(M)(1) Except as provided in subparagraph (2) of this paragraph (M), and notwithstanding any provisions of section 504(a)(2) and (b) of the Act, the records referred to in paragraph (L) above are unconditionally available at their customary locations for examination during normal business hours by (i) any duly authorized employee or representative of the Department of Labor, the Internal Revenue Service, or the Securities and Exchange Commission, (ii) any fiduciary of the Plan or any duly authorized representative of such fiduciary, (iii) any participant, beneficiary, or union employee covered by the Plan or duly authorized representative of such participant, beneficiary, or union employee, (iv) any employer whose employees are covered by Plan and any

employee organization whose members are covered by such Plan.

(2) None of the persons described in paragraphs (M)(1)(ii), (iii) and (iv) shall be authorized to examine trade secrets of Northern or the Mutual Funds, or commercial or financial information which is privileged or confidential; and

(3) Should Northern or the Mutual Funds refuse to disclose information on the basis that such information is exempt from disclosure pursuant to paragraph (2) above, Northern shall, by the close of the thirtieth (30th) day following the request, provide a written notice advising that person of the reasons for the refusal and that the Department may request such information.
