

railroads, trucking and public transit. To help carry out this charge, Treasury will implement a broad national multi-period survey of the availability and price of terrorism risk coverage. The survey will collect data on terrorism risk coverage in worker's compensation, commercial property, and other casualty insurance included under TRIA and data on reinsurance for terrorism risk.

Current Actions: The survey data will be collected in three waves. The first wave of data collection is being undertaken during the fall and winter of 2003 on the basis of an emergency information collection submission (OMB number 1505-0193). The second and third waves will be collected in early 2004 and 2005, respectively.

Pursuant to the Confidential Information Protection and Statistical Efficiency Act of 2002, Pub. L. 107-347, 116 Stat. 2962, codified at 44 U.S.C. 3501, the data collected for this project shall be used for exclusively statistical purposes, that is, for " * * the description, estimation, or analysis of the characteristics of groups, without identifying the individuals or organizations that comprise such groups." The data shall be gathered at arm's length from the Government. The survey contractor, Westat, shall assemble the data into nationally representative sets of longitudinal micro data in conformity with OMB and Treasury data quality standards. The Contractor pledges to Treasury and to survey respondents that they will safeguard the confidentiality of survey responses. No individual company will be identified, directly or indirectly, in reports or publications.
