

1302.39, duty rate, 3.2%) and starch (HTSUS 3912.90, duty rate, 5.2%).

Zone procedures would exempt Cardinal from Customs duty payments on foreign materials used in production for export. Up to 5 percent of the plant's shipments are currently exported. On domestic shipments, the company would be able to defer Customs duty payments on foreign materials, and to choose the duty rate that applies to finished products (primarily duty-free, but up to 10%) instead of the rates otherwise applicable to the foreign input materials (duty free—19%)(noted above). The application indicates that the savings from zone procedures would help improve Cardinal's international competitiveness.

In accordance with the Board's regulations, a member of the FTZ staff has been designated examiner to investigate the application and report to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at one of the following addresses:

1. *Submissions Via Express/Package Delivery Services:* Foreign-Trade-Zones Board, U.S. Department of Commerce, Franklin Court Building—Suite 4100W, 1099 14th St., NW., Washington, DC 20005; or

2. *Submissions Via the U.S. Postal Service:* Foreign-Trade-Zones Board, U.S. Department of Commerce, FCB—Suite 4100W, 1401 Constitution Ave. NW., Washington, DC 20230.

The closing period for their receipt is April 19, 2004. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period (to May 4, 2004).

A copy of the application and accompanying exhibits will be available for public inspection at the Office of the Foreign-Trade Zones Board's Executive Secretary at address Number 1 listed above, and at the U.S. Department of Commerce Export Assistance Center, 14010 Roosevelt Blvd., Suite 704, Clearwater, Florida 33762.

Dated: February 10, 2004.

Executive Secretary.

ACTION: Notice of Extension of Time Limit.

SUMMARY: The Department of Commerce ("the Department") is extending the time limit for the final results of the administrative review of the antidumping duty order on certain circular non-alloy steel pipe from Korea. The period of review is November 1, 2001, through October 31, 2002. This extension is made pursuant to section 751(a)(3)(A) of the Tariff Act of 1930 ("the Act").

EFFECTIVE DATE: February 19, 2004.

FOR FURTHER INFORMATION CONTACT: Scott Holland, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington DC 20230; at telephone (202) 482-1279.

SUPPLEMENTARY INFORMATION:

Background

On December 8, 2003, the Department published the preliminary results of the administrative review of the antidumping duty order on certain circular non-alloy steel pipe from Korea covering the period November 1, 2001, through October 31, 2002 (68 FR 68331). The final results for this review are currently due no later than March 30, 2004.

Extension of Time Limits for Final Results

Section 751(a)(3)(A) of the Act requires the Department to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an antidumping duty order for which a review is requested and issue the final results within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively.

Due to the issues in this case including certain complex price reduction issues, we determine that it is not practicable to complete the final results of this review within the original time limit (*i.e.*, March 30, 2004). Therefore, the Department is extending the time limit for completion of the final results 60 days, or until no later than June 1, 2004, in accordance with section 751(a)(3)(A) of the Act.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: February 12, 2004.

Jeffrey May,

Deputy Assistant Secretary for AD/CVD Enforcement.

Notice of Termination of Antidumping Duty Investigation: Certain Processed Hazelnuts From Turkey

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: February 19, 2004.

SUMMARY: On January 28, 2004, Westnut LLC, Northwest Hazelnut Company, Hazelnut Growers of Oregon, Willamette Filbert Growers, Evergreen Orchards, and Evonuk Orchards withdrew their antidumping petition, filed on October 21, 2003, regarding certain processed hazelnuts from Turkey. Based on this withdrawal, the Department of Commerce ("the Department") is now terminating this investigation.

FOR FURTHER INFORMATION CONTACT: John Drury at 202-482-0195, Ann Barnett-Dahl at 202-482-3833, or Abdelali Elouaradia at 202-482-1374, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Case History

On October 21, 2003, the Department of Commerce ("Department") received an antidumping duty petition ("Petition") filed in proper form by Westnut LLC, Northwest Hazelnut Company, Hazelnut Growers of Oregon, Willamette Filbert Growers, Evergreen Orchards, and Evonuk Orchards ("Petitioners"). Petitioners are domestic producers of certain processed

hazelnuts ("hazelnuts"). The Department requested additional information for purposes of determining industry support via the **Federal Register**, see Notice of Request for Information and Extension of Time for Initiation: Antidumping Duty Petition on Certain Processed Hazelnuts from Turkey, 68 FR 64589-02 (November 14, 2003). The Department initiated the investigation, and notice was published in the **Federal Register**, see Notice of Initiation of Antidumping Investigation: Certain Processed Hazelnuts from Turkey, 68 FR 68032-01 (December 5, 2003). On December 10, 2003, the ITC determined preliminarily that there is reasonable indication that imports of certain processed hazelnuts from Turkey are causing, or threatening material injury to the U.S. industry, see International Trade Commission Notice, Certain Processed Hazelnuts from Turkey, 68 FR 70836-02 (December 19, 2003).

Scope of the Investigation

The scope of this investigation covers certain processed hazelnuts, including kernels, and kernels that have been roasted, blanched, sliced, diced, chopped, or in the following other forms: paste, meal, flour, croquant, and butter. In-shell hazelnuts are excluded from the scope of the order.

The merchandise subject to this investigation is classified in the Harmonized Tariff Schedule of the United States ("HTSUS") at subheadings 0802.22 and 2008.19.2000. The tariff classifications are provided for convenience and Customs purposes; however, the written description of the scope of these investigations is dispositive.

Termination of the Investigation

On January 28, 2004 and January 29, 2004, the Department received letters from counsel to the Petitioners notifying the Department that the Petitioners are no longer interested in seeking relief and are withdrawing their petition for certain processed hazelnuts from Turkey. Under section 734(a)(1)(A) of the Tariff Act of 1930 (the Act), upon withdrawal of a petition, the administering authority may terminate an investigation after giving notice to all parties to the investigation. We have notified all parties to the investigation and the ITC of petitioners' withdrawal and our intention to terminate. Section 351.207(b)(1) of the Department's regulations states that the Department may terminate provided it concludes that termination is in the public interest. Based on our assessment of the public interest, we have determined that

termination would be in the public interest given that the Petitioners are no longer interested in seeking relief.

Based on information currently on the record, the Department is terminating the antidumping duty investigation on certain processed hazelnuts from Turkey. This action is taken pursuant to section 734(a)(1)(A) of the Act and section 351.207(b)(1) of the Department's regulations.

Dated: February 12, 2004.

Jeffrey A. May,

Acting Assistant Secretary for Import Administration.
