

Consequently, we do not intend to issue liquidation instructions for these entries until such time as the injunctions, issued on June 24, 2002, and November 1, 2004, are lifted.

Public Comment

Pursuant to 19 CFR 351.224(b), the Department will disclose to parties to the proceeding any calculations performed in connection with these preliminary results within five days after the date of the public announcement of this notice. Pursuant to 19 CFR 351.309, interested parties may submit written comments in response to these preliminary results. Unless otherwise indicated by the Department, case briefs must be submitted within 30 days after the date of publication of this notice. Rebuttal briefs, limited to arguments raised in case briefs, must be submitted no later than five days after the time limit for filing case briefs, unless otherwise specified by the Department. Parties who submit argument in this proceeding are requested to submit with the argument: (1) A statement of the issue, and (2) a brief summary of the argument. Parties submitting case and/or rebuttal briefs are requested to provide the Department copies of the public version on disk. Case and rebuttal briefs must be served on interested parties in accordance with 19 CFR 351.303(f). Also, pursuant to 19 CFR 351.310, within 30 days of the date of publication of this notice, interested parties may request a public hearing on arguments to be raised in the case and rebuttal briefs. Unless the Secretary specifies otherwise, the hearing, if requested, will be held two days after the date for submission of rebuttal briefs, that is, 37 days after the date of publication of these preliminary results.

Representatives of parties to the proceeding may request disclosure of proprietary information under administrative protective order no later than 10 days after the representative's client or employer becomes a party to the proceeding, but in no event later than the date the case briefs, under 19 CFR 351.309(c)(ii), are due. The Department will publish the final results of this administrative review, including the results of its analysis of arguments made in any case or rebuttal briefs.

This administrative review is issued and published in accordance with sections 751(a)(1) and 777(I)(1) of the Act (19 U.S.C. 1675(a)(1) and 19 U.S.C. 1677f(I)(1)).

Dated: February 28, 2005.

Joseph A. Spetrini,

Acting Assistant Secretary for Import Administration.

SUPPLEMENTARY INFORMATION: On March 2, 2005, NMFS published a final rule implementing the Crab Rationalization Program (Program) as Amendments 18 and 19 to the Fishery Management Plan for Bering Sea/ Aleutian Islands King and Tanner Crabs. In January 2004, the U.S. Congress amended section 313(j) of the Magnuson-Stevens Act through the Consolidated Appropriations Act of 2004 (Pub. L. No. 108-199, section 801). As amended, section 313(j)(1) requires the Secretary to approve and implement the Program, as it was approved by the North Pacific Fishery Management Council (Council) between June 2002 and April 2003, and all trailing

amendments, including those reported to Congress on May 6, 2003. In June 2004, the Council consolidated its actions on the Program into the Council motion, which is contained in its entirety in Amendment 18. Additionally, in June 2004, the Council developed Amendment 19, which represents minor changes necessary to implement the Program. The Notice of Availability for these amendments was published in the **Federal Register** on September 1, 2004 (69 FR 53397). NMFS approved Amendments 18 and 19 on November 19, 2004. NMFS published a proposed rule to implement Amendments 18 and 19 in the **Federal Register** on October 29, 2004 (69 FR 63200).

NMFS is conducting public workshops to provide assistance to fishery participants in complying with the requirements of this new Program. At each workshop, NMFS will provide an overview of the Program, discuss the key Program elements, and provide information on the application process. The key Program elements to be discussed include economic data collection, the Arbitration System, community measures, monitoring and enforcement, electronic reporting, quota share and individual fishing quota application and transfer provisions, the appeals process, fee collection, and the loan program. Additionally, NMFS will answer questions from workshop participants. DEPARTMENT OF DEFENSE

Office of the Secretary

Defense Science Board

AGENCY: Department of Defense.

ACTION: Notice of Advisory Committee Meeting.

SUMMARY: The Defense Science Board Task Force on Mobility will meet in closed session on March 17, 2005, in Arlington, VA. This Task Force will identify the acquisition issues in improving our strategic mobility capabilities.

The mission of the Defense Science Board is to advise the Secretary of

Defense and the Under Secretary of Defense for Acquisition, Technology & Logistics on scientific and technical matters as they affect the perceived needs of the Department of Defense. At this meeting, the Defense Science Board Task Force will review: the part transport plays in our present-day military capability—the technical strengths and weaknesses the operational opportunities and constraints; the possible advantage of better alignment of current assets with those in production and those to be delivered in the very near future; how basing and deployment strategies—CONUS-basing, prepositioning (ashore or afloat), and seabasing—drive our mobility effectiveness; the possible advantages available from new transport technologies and systems whose expected IOC dates are either short term (~ 12 years) or, separately, the long term (~ 25 years).

In accordance with Section 10(d) of the Federal Advisory Committee Act, Pub. L. 92-463, as amended (5 U.S.C. App. 2), it has been determined that this Defense Science Board Task Force meeting concerns matters listed in 5 U.S.C. 552b(c)(1) and that, accordingly, the meeting will be closed to the public.

Dated: March 2, 2005.
